

# Letter from the MICDS Board Chair

---

Once again, the MICDS campus is pulsing with the vibrant energy that befits a school educating children as young as four and as old as 18. Our classrooms, outdoor learning spaces, and athletic facilities are a fitting backdrop for the work of shaping children to be responsible citizens who can meet the challenges of this world with confidence and embrace all its people with compassion.

I am so proud to serve on the Board of Trustees for a school thriving under the leadership of Jay Rainey and the creativity and dedication of our beloved faculty and staff. I am proud of our students, too, and grateful for the ongoing partnership and support of our families.

This is an exciting year for MICDS. Enrollment continues to be strong and interest in the School is rising with each season. Our finances are managed responsibly and professionally with appropriate board oversight, resulting in a fiscally sound organization able to provide students with an abundance of resources. Our campus is a shining jewel, welcoming all to learn and play and connect with each other. We have welcomed new faculty and staff and celebrated our veterans, fusing fresh new perspectives with solid pedagogical experience. And we are embarking on the creation of a new strategic plan designed to fit the ever-changing needs of a school on the forefront of educational innovation.

All of this is possible, of course, thanks to the generous philanthropic support of our alumni, parents, grandparents, faculty, administrators, and friends. Your gifts are critical to ensuring MICDS' position as a leading independent school in the country. Gifts to the MICDS Fund contribute directly to the operating budget, benefiting every student, directly impacting the student experience, and assuring robust resources for opportunities and experiences that deepen and extend learning and engagement.

We are pleased to share here our Honor Roll of Donors, which includes every community member who made a gift of \$100 or more to the MICDS Fund in the 2022-2023 academic year as well as individuals who made gifts to the 25th and 50th Reunion Class Gift Program, Special Projects, Memorials, Tributes, and Bequests.

On behalf of the Board of Trustees, I thank everyone who so generously supported MICDS during the past year. Our school is grateful for this community that cares deeply about our mission.
