

Letter from the MICDS Board Chair

This past fall, MICDS once again welcomed back its creative, kind, and caring teachers and a vibrant, diverse student body to a campus both deeply rooted in tradition and pulsing with the energy of renewal and growth. One only has to stand at Olson Hall and look west, toward Ron Holtman Stadium, to see that our one-hundred acres look markedly different than even this past spring, when we celebrated the Class of 2024 and sent them on their way. The Michael W. and Quirsis V. Riney Family Tennis Center is quickly coming to life in the heart of our campus's current physical transformation, and, when completed, it will offer a state-of-the-art facility to our community.

Beyond the physical changes, I am pleased to report that MICDS as an institution remains strong and healthy. Faculty and staff turnover is remarkably low while our enrollment is once again at capacity, and we are always excited to welcome new families who want to learn more about and become part of our community. Additionally, the School's finances are managed responsibly, efficiently, and professionally with appropriate board oversight, resulting in a fiscally sound organization that is able to consistently offer robust support to its students. We also look forward to sharing our new strategic plan with the community later this year. This plan will serve as a strategic guide that will enable us to maintain and build on what makes MICDS so special while also ensuring that our students are best prepared for an ever-changing world.

We understand that all of this would not be possible without the generosity of our community—our alumni, parents, grandparents, faculty, administrators, staff, and friends. Your gifts are vital for the continued success of MICDS and ensure that our School continues as a leading academic institution in the region and country. Gifts to the MICDS Fund contribute directly to the operating budget, and therefore have an immediate and positive impact on every single student here. Their experiences, resources, and opportunities provide deeper learning and engagement, much of which would not be possible without your generosity.

Here in these pages, you'll find our Honor Roll of Donors, which includes the names of every community member who made a gift of \$100 or more to the MICDS Fund in the 2023-2024 academic year, as well as individuals who made gifts to the 25th and 50th Reunion Class Gift Program, Special Projects, Memorials, Tributes, and Bequests. We are grateful to each and every one of you!

On behalf of the MICDS Board of Trustees, please accept my gratitude for generously supporting MICDS during the past year. I am inspired by the fact that so many care so deeply about our mission and the life-changing work our School undertakes every single day.
