

## COMPANY PROFILE

Mohammad Ibrahim Haji the founder of the group arrived in the UAE in 1976 empty-handed, he worked very hard and today MIH Group have a large network of companies in the United Arab Emirates. He was awarded a silver medal for his service by the Govt. of Pakistan, at the 1996 first convention of overseas Pakistanis held in Islamabad by the Prime Minister of Pakistan.

Mohammad Ibrahim Haji, started working with his father in their own printing press at very early age. The oil boom of early seventies paved away in his mind for taking a decision to earn for better prospects and brought him to the shores of the Arabian Gulf, although he worked ceaselessly for fourteen to sixteen hours a day and switched from job to job. He had a dream in his mind to possess a business of his own in the land of UAE. He even did a stint with an auto workshop as a printer this hard grueling strengthened to be his own boss one day. That day was not too far. He launched his first venture of steel fabrication in 1978 in Al Ain.

To meet the demands of the expanding business the family moved to the UAE in 1979, and his four sons joined him to extend and consolidate the business. Now his son MUNIR IBRAHIM HAJI is handling the business and has expertise in the different fields. He holds responsibility of running an expanding business with total professional outlook. Now the group is transformed into Munir Ibrahim Haji Group.

This endeavor turned out with wonderful success and enabled him to build a pillar for Munir Ibrahim Haji Group, which deals in trading business in the field of Aluminum extrusion, glass and hardware and expanded his wings by opening its outlets in other Emirates of the UAE.
