

Monroe Central School Corporation COVID Plan 2022-2023

(Reapproved - October 18, 2022)

- Masks are optional in school buildings and on school grounds
- All staff and students are encouraged to self-screen each day - monitor symptoms
- Students must be without symptoms and fever free for 24 hours before returning to school
- The CDC recommends that individuals who test positive for COVID-19 should isolate for five (5) days
