Oriental Essence **90 min** **6,900**

Aromatherapy **90 min** **6,900**

A deeply therapeutic holistic treatment which combines the power of essential oils with the best of Eastern and Western massage techniques creates a feeling of physical relaxation and calm, whilst mentally uplifting and clearing the mind.

Traditional Thai **90 min** **6,900**

Performed wearing loose-style clothing, this traditional Thai massage is conducted on a futon. A combination of gentle rocking motions, rhythmic acupressure and assisted stretching helps to deeply relax and revitalize body and mind. Increases flexibility, relieves joint and muscle tension, and balances the body's energy system.

Prices are in THB and subject to 10% service charge and applicable government tax.

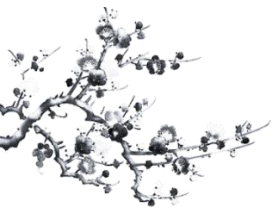

Muscle Release ***90 min*** ***6,900***

This deep tissue massage is ideal for releasing muscle tension and restoring balance in the musculoskeletal system. A constant build-up of strain in the muscles from overactivity may lead to stresses on joints, ligaments and tendons. Slow yet deep pressure is applied with little oil or balm on the trigger points of specific areas that aids to release muscle tension. Trigger points are areas of tenderness in a muscle that cause pain and are also commonly known as muscle knots.

Foot Massage ***60 min*** ***5,900***

All the body's meridians are identified in the pressure points of the foot. Therefore, massaging a specific part of the foot releases blocked energy and stress. It is the perfect massage to follow a long day of walking or just for a general sense of wellbeing.
