

Guidance on SAP Ariba and SAP Fieldglass

News UK has moved to SAP Ariba for its Purchase to pay processes from 26 February 2024.

SAP Ariba is one of the tools available on the SAP Business Network, a comprehensive B2B collaboration platform run by SAP which enables companies and suppliers to connect and collaborate online.

For further information about the SAP Business Network, please visit the dedicated Supplier Information Portal [here](#).

News UK has moved to SAP Fieldglass for contractor management from 26 February 2024.

Please find below how-to guides on activities you may be required to complete on SAP Fieldglass:

[Create Invoice on Fieldglass for SOW](#)

[Enter & Submit Time Sheet](#)

[Register on Fieldglass](#)

[Submit a Job Seeker](#)

[Submit an SOW Worker](#)

[View Invoice on Fieldglass for Contingent Worker](#)
