

GARTCOSH COMMUNITY HUB

The Gartcosh Community Hub seeks to provide a community focus in the Gartcosh area, with flexible and functional educational and community facilities serving the needs of the area.

The community engagement session is an in-person event and will take place on **Tuesday 20th June 2023 at Gartcosh Primary School at 6.00 - 7.00pm** to allow local residents to come along and speak with the designers of the community hub.

This exciting project is being developed in close collaboration with the local community to ensure it meets the needs of Gartcosh.
