

# FAST FACTS 2025

Pace envisions a world where all girls and young women are safe, have economic security and an opportunity to use their voice in shaping their future.

Pace Center for Girls provides a safe and supportive environment for girls to build healthy relationships, plan for their future and overcome histories of trauma. All girls, regardless of their background, deserve an opportunity to become strong, compassionate and successful women. When properly supported, all girls have the power to achieve their vision of success, which leads to positive outcomes for themselves, their families and communities.

## IN HER WORDS

### MADINAH

“The team at Pace Palm Beach helped me grow as a student and a person. When I came to Pace, I was anxious and nervous about starting school again. I hadn’t been in a regular school setting since COVID. I had social anxiety and I wasn’t motivated to do my schoolwork. I felt like I didn’t fit in with most people and I was unable to connect with others in conversations. At Pace, I learned the skills needed to be successful and I now have the courage to do things I always hoped I could do, like building healthy relationships, creating boundaries, and developing the ability to express my emotions. I also learned coping skills to handle stressful situations. I truly enjoy the atmosphere at Pace Palm Beach and appreciate the safety and inclusiveness that Pace provides.”
