Notes on terms:

Done: Simply stated this mean this wine is just too darn old, at least in our humble opinion.

Drink or Hold: This means that the wine is definitely drinking well but will continue to cellar well.

Hold or Drink: This means that the wine will definitely benefit from more cellaring but if you absolutely have to crack one open you will still be okay.

Hold: This is our recommendation for wines that we think do not show their best qualities right now and you would be best advised to wait awhile.
