Principal's Message

Kia ora koutou

Greetings to you all and a warm welcome to all our prospective students and families.

At Peachgrove Intermediate School we pride ourselves on providing the very best learning opportunities for our students. Our school vision is 'Learning without limits'.

We believe in a holistic curriculum that prepares our students for life through our Korowai Curriculum. We have high expectations for and of our students. We celebrate their successes and encourage all students to give their best in all areas enabling them to develop well-rounded attitudes and beliefs of themselves and others.

"No one cares how much you know until they know how much you care." Developing and maintaining positive relationships is a priority at Peachgrove and we work hard to assist our learners as they confront the challenges of living, learning and growing as adolescents.

Our school values of Positive, Respectful, Inclusive, Determined and Engaged giving us PEACHGROVE PRIDE, were developed through collaborative partnerships between teachers, parents and students.

At Peachgrove Intermediate School we have a team of highly dedicated teachers and staff. The school has attractive spacious grounds, a heated swimming pool, sports dome, specialist rooms, library, music room and well-resourced learning spaces. We hope you will join our school and become an important part of our learning community. The support and participation of our parents and whānau at school events is welcomed and encouraged as working together we can achieve more.
