The RIGHT Choice for Dane County

News, Events, and Resources for the RIGHT side of Dane County

The State of Wisconsin does NOT have to have Obama-Care if you help stop it! Governor Walker wants to know if you want Wisconsin to adopt Obamacare. IF YOU DON'T WANT OBAMACARE, please call the Governor's office at **608-266-1212** right away and give them your name, and tell them:

"I DON'T WANT OBAMACARE FOR WISCONSIN!"

If you didn't already know, Thomas Jefferson and James Madison provided the States with a remedy when the Federal Government has gone wild and violated the Constitution - are you sitting down? - whenever the Supreme Court betrays us we MUST utilize a **nullification** - A **NULLIFICATION** is the rightful remedy when the government violates the Constitution. Every single time the federal government goes beyond its power the State MUST nullify the act, in fact, the State is duty bound to do so!

States have utilized Nullification of federal laws in the past, for example: free speech, free trade, fugitive slave laws and other crucial issues. In fact, Wisconsin has been a nullification leader, being the only state to nullify, quite rightly, the Fugitive Slave Act.

Please call the Governor's office and tell him, "I DON'T WANT OBAMACARE FOR WISCONSIN!"

Our time is running out folks. Please pass this information along quickly to as many people as possible--thanks!
