ELECTRONIC LABELING SYSTEM

PT-D400AD

brother
at your side

With its wide, angled keyboard, graphical display, and one-touch formatting keys, the PT-D400 is a simple solution for creating personalized, professional labels. This compact, versatile label maker can print up to five lines of text and graphics on TZe tapes up to 18mm wide, so it's ideal for a variety of label usages requiring durable labels that withstand water, heat, and fading.

AC ADAPTER INCLUDED

Key Features at a Glance:

- Compact with easy-type keyboard and convenient top loading tape design
- Large, graphical display lets you easily view text and layout
- Intuitive one-touch keys support quick, easy label formatting
- Create labels with up to 5 lines of text and graphics
- Personalize with hundreds of built-in symbols, frames, and barcodes
- Built-in templates and 50 label memory help save time with reprinting
- Uses durable, laminated labels for indoor or outdoor use
- Works with included AC adapter or batteries (not included) for on-the-go use
- 2-year limited warranty and free phone support for the life of the product

Hardware Features:

There are a variety of tapes for the PT-D400. Brother standard laminated tapes are great for your everyday home, home office, and general business labeling needs. These laminated TZe tapes feature our standard adhesive, which is designed for flat surfaces like paper, file folders, and binders, and also most even non-textured metal, plastic, and glass surfaces. They withstand water, grease, fading, and abrasion, and can be used in hot and cold environments, as well as outdoors. There are also a variety of speciality tapes available for this machine, listed below.

TZe Standard Laminated Tapes
