SENIOR PRIZEGIVING 2021

Kia ora koutou,

Prizegiving is always an exciting time to acknowledge the hard work and effort that our students have put in over the course of the year. 2021 was a particularly challenging and at times difficult year for our students and I would like to thank them for their perseverance and determination to achieve as best as possible under the circumstances.

As we reflect on the students receiving awards, I would also like to acknowledge the staff that make these achievements possible. It is a testament to our commitment as a kura to work together to ensure the best outcome for our students and I am very proud to say, we have had another great year in terms of talent and achievements.

As we look forward to 2022 in what is hopefully a year of much greater certainty, we are excited to anticipate the first phase of new buildings that will see the turf relocated near the gyms and a new 10 teaching space classroom block built at the Harris Street entrance as we seek to realise our vision of 'learning without limits'.

I would like to acknowledge all of our parents and caregivers for their support this year. Not only supporting their students to learn at home during the latter part of the year, but also in the first few terms. Your involvement with us is greatly appreciated and we look forward to another fantastic year of partnership as we move into 2022.

I would also like to thank the Ngā Amokura (student leaders) for their work this year in the face of many unforeseen challenges and wish them luck as they depart. We welcome the new leaders for 2022 and look forward to working with them on many exciting activities in the new year.

To all of the students receiving awards, congratulations, they have been well deserved. You have set a high standard for your peers to follow and you should be incredibly proud of all that you have achieved. I would also like to take a moment to wish the departing Year 13 students well in their next endeavours, it was not the final year they had in mind, but I have high hopes of bright futures for each and every one of them.

Ngā mihi nui,
Richard Barnett
Principal, Pukekohe High School
