

GOD IS **BIGGER**

God is bigger...than your preferences | April 25, 2021 | Brian Montague

Message Notes

Preferences become a problem when they become your policy.

Jesus is in the business of connecting people to God, and you should be too.

Our **BIG** God has **BIG** plans and a **BIG** purpose for you.

Discussion Guide

ENGAGE

- 1** Let's have some fun! For each question, have everyone in your group give their answer. Do you prefer: Chicken or Beef? Early Mornings or Late Nights? Oceans or Mountains? Cities or Suburbs? Driving or Riding? Reading or Talking?
- 2** What is one crazy big thing you would love God to change? What would it take for God to use YOU to change it?
- 3** Read John 3:1-15. What religious preferences do you think Nicodemus had that kept him from seeing the Kingdom of God clearly (aka: from living into the movement of God)?
- 4** How might your own preferences at home, at work/school, at church be keeping you from stepping into what God wants to do next with you? Can you name 1 preference of yours that might be doing this?

APPLY

Set a daily reminder on your phone, or put a sticky note on your alarm clock, that says, "God Is Bigger Than Your Preferences". Let this be your reminder to let God use you to do things beyond your preferences. Jesus is in the business of connecting people to God, no matter what it takes; no matter the cost, and so are you!
