Details of Grant Request

Amount requested	£ 1,840
------------------	---------

What is the purpose of the grant?

The Royal Air Force Air Cadets (RAFAC) offer a host of nationally recognised qualifications above the standard flying, gliding, fieldcraft and adventure training activities. These nationally recognised qualifications include multiple and distinct BTECs in subjects such as Aerospace, Teamwork and Leadership, Music, and Space to name a few. We also offer Institute in Leadership courses and Science Technology Engineering Maths (STEM) qualifications such as CREST Awards, iDEA, Open University courses.

All these qualifications set the cadets up for a brighter future in all walks of life, building up their CV for apprenticeships, entering the work forces as well as counting towards their UCAS points for further education etc, on top of the personal life skills they learn whilst undertaking these qualifications.

These qualifications are accessible to all of our cadets, but especially for our Special Educational Need (SEN) and our Neurodiversity cadets really thrive on these qualifications due to the practical nature of the courses.

As we modernise our delivery of these qualifications, many can now be delivered in the virtual world.

Within this virtual environment cadets can undertake 'practical' training in a host of subject matters including Space, STEM, Aviation and Flying without the need to travel. Fulfilling these elements of these qualification's in a safe environment.

We are currently in the process of upgrading our computer and virtual systems to enhance our delivery and aid our cadets. Over the last year we have upgraded the computer systems with Squadron fundraising as well as support from Ringwood Council in 2023 (this enabled us to upgrade multiple computers, purchase a VR headset and get one simulator up and running for the Squadron, Thank you). This year we wish to seek further support in the next phase with the purchase of rudder pedals and aviation joy sticks and throttles to set up a further two simulator systems fully.

Details of request:

We wish to purchase the following items to enable us to deliver more opportunities to the cadets:

VR Quest £495 x 2

Thrust master – joy stick and throttle £400 x 2

Thurst master TPR Rudder Pedals - £450 x 2

Total £1,840

How would the people of Ringwood benefit from your receiving this grant?	A large majority of our cadets come from the Ringwood area and would benefit from enhancing their education, qualifications and setting them up for a brighter future. This will not just be for our current cadets but will be in place for many years to come so future cadets will benefit too. On average we have approx. 20-30 new recruits join us each year and currently have 70 cadets on Squadron. We are also offering support to the ACF for flight simulation training and therefore have a wider demographic to support more young people.

Amount requested	£ 2,160
What is the purpose of the grant?	<p>To provide a counsellor in two Ringwood schools for a pilot project to support the mental health of children and young people, helping to heal young minds and reverse damaging behaviour patterns.</p> <p>Ringwood schools identified an urgent need for in-school counselling services through the STAR Schools Meeting held every six weeks. STAR engaged a qualified Child & Adolescent Psychotherapist to conduct a needs analysis across all the Ringwood and Poulner schools, which has confirmed that there are critical unmet needs for mental health support in Ringwood schools.</p> <p>Initially, we are seeking funds to carry out a pilot to support three children in two Ringwood schools. Our Child & Adolescent Psychotherapist has identified a qualified counsellor and developed an Operational Framework along with methods of measurement for the effectiveness of the pilot. Safeguarding, data collection, school and parent involvement policies are in place.</p> <p>On completion of a successful pilot, the aim is to engage additional counsellors and roll out the project across all Ringwood and Fordingbridge schools.</p>

<p>How would the people of Ringwood benefit from your receiving this grant?</p>	<p>Across Hampshire, children and young people currently wait 54 weeks for treatment with the Children and Adolescent Mental Health team (CAMHS) Source: https://hampshirecamhs.nhs.uk/referral/</p> <p>There are higher rates of hospital admissions for self-harm (10–24 year olds) in Hampshire than nationally (590.9 per 100,000 compared to England's rate of 430.5 per 100,000 2015–16) Source: Hampshire County Council.</p> <p>This pilot will provide a foundation on which to build and roll-out the STAR Mental Health project across Ringwood schools, providing a dedicated counselling team delivering individual and group help quickly and effectively and avoiding the damaging impact of having to wait for therapy.</p> <p>Through STAR Mental Health counselling, children and young people would receive an initial two-hour assessment followed by ten one-hour counselling sessions per child.</p> <p>Research shows poverty and mental health go hand in hand and STAR Mental Health support will be delivered alongside STAR's sister projects which empower families through healthy lifestyles, budgeting and parenting skills and debt management. See https://starf.uk/ for further information.</p>

Details of Grant Request

Amount requested	£ 2,000
What is the purpose of the grant?	<p>Ringwood Infant School desperately require a covered outdoor learning area for the rear entrance to Badgers, Foxes and Sika Deer classrooms of Y1 children. Hampshire County Council has been engaged with proposals due to be submitted imminently with a view to delivery of the build in the 23-24 school year end summer holidays. Ringwood Infant School has allocated £10k budget for the delivery of this much needed space but is desperately short. FORIS is committing to match funding of £10k for the project (c70% of its available capital) but in order to deliver we still need further funds. Remaining FORIS capital already budgeted for other much needed school resources.</p>
How would the people of Ringwood benefit from your receiving this grant?	<p>Please see supporting evidence as per attached but in short outdoor learning would deliver enriched learning to the children of Ringwood improving their wellbeing and educational needs. Children with special educational needs would benefit enormously from this provision. It would also help provide sheltered space for parents at drop off and pick up as well as be a useful space during events such as May Fayre.</p>

How many Ringwood people would benefit?	Primarily the 255 children of Ringwood Infant School but more widely the parents & teachers of Ringwood
Total cost of project	£ 22,000

Have you applied, or do you intend to apply, to any other sponsoring bodies for funding? If so, please give details.	Due to a lack of a treasurer, FORIS have historically failed to submit annual returns to the Charity Commission. Although up to date now with 23/24 being the first to be submitted on time, late submissions within the last 3 years will prevent FORIS from receiving grant funding from a number of sponsoring bodies further placing a greater reliance on local council institutions supporting its endeavour to further the educational needs of the children of Ringwood.

APPLICATION FOR GRANT AID SUPPORTING INFO

Name of Organisation	FRIENDS OF RINGWOOD INFANT SCHOOL

How would the people of Ringwood benefit from your receiving this grant?	<p>There are many benefits to children and youth playing outside. They can release energy, use loud voices, play vigorously, and engage in messy projects outdoors. In addition, children can explore the plants and animals in their local ecosystem. Research has helped us identify many other benefits to playing outdoors such as:</p> <ul style="list-style-type: none"> • Better physical health • Numerous opportunities to strengthen motor skills • Stress relief • Greater visual-motor integration (or the ability to control hand or body movement guided by vision) • Greater creativity • Stronger verbal and social skills • Production of vitamin D (an essential vitamin for bone health) through exposure to sunlight • Increased attention and cognitive abilities • Boosting children's self-esteem & self-confidence • In addition, playing outdoors and having opportunities to connect with nature is particularly beneficial for some children with special needs. A study of 7- to 12-year-olds with attention deficit hyperactivity disorder (ADHD), showed that children displayed less severe ADHD symptoms after they spent time in "green" settings, and the greener the outdoor environment, with more grass and trees, the better the effect (Taylor, Kuo & Sullivan, 2001). <p>When making improvements in school grounds to outdoor learning areas over half of schools reported less bullying, less time spent sorting playtime issues and better attitudes towards learning. 73% of schools reported improved behaviour during formal learning time as well as break time. Over 83% of schools reporting that better grounds led to more active play, better quality of play, more social interaction and more enjoyment of break time. Over half of the schools saw a rise in academic performance, with over 90% of pupils showing better behaviour, learning, health and wellbeing when in an outdoor lesson. Nearly 90% of schools reported an increase in perceived quality of the environment, by staff, pupils, parents, and community.</p> <p>The research is clear; being outside improves a child's mental health and wellbeing. Education becomes more inclusive, especially for children with special educational needs for whom help is now needed more than ever. Learning outside isn't an unnecessary add-on: it's a way to deepen our children's learning experience by getting them to experience lessons in a new and exciting way. Please help Ringwood Infant School make this vision a reality; we welcome Ringwood Town Council to be part of this exciting project to deliver what FORIS and the School see as facilitating a crucial and transformative part of childhood – learning outside!</p>

REPORT TO POLICY & FINANCE COMMITTEE – 20th MARCH 2024
BUDGETARY CONTROL period 11 – April 2023 to February 2024

1. BACKGROUND

- 1.1 The purpose of this report is to provide Members with a budget monitoring report to the end of the penultimate month of the financial year 2023-24. Income and expenditure has been monitored against the revised budget which was discussed at the November and December meeting. The revised budget is illustrated below alongside the original approved budget :

	Original Budget £	Revised Budget £
Revenue Expenditure	868,217	928,962
Capital Expenditure	781,000	2,111,959
Plus transfers to earmarked reserves	33,600	47,933
Less Revenue Income	-288,311	-340,618
Less Capital Income (grants)	-641,170	-1,560,000
Less transfers from earmarked reserves	<u>-142,810</u>	<u>-573,723</u>
Net budget requirement	610,524	614,513
Funded by:		
Council Tax	610,429	610,429
Covid Relief Grant	95	95
Plus transfer from the General Reserve	<u>0</u>	<u>3,989</u>
	610,524	614,513

- 1.2 At the start of the year the Town Council held reserves of £634,461 including rent & key deposits. The original budget included provision to add funds of £33,600 in accordance with the reserves policy and this was increased to £47,933 in the revised budget although this figure has been reduced to £45,953 because of a reduced funds available from the events budget. Earmarked reserves are still expected to reduce by some £573,723 by the end of the year, although this is dependent on progress on capital projects and in particular the football project together with the timing of remaining grant income which is yet to be received. An up to date schedule of planned and actual movements on reserves is included at Appendix 2.
- 1.3 A summary income & expenditure comparison report is included at Appendix 1. This compares actual income and expenditure for the year to date, together with outstanding commitments, with the revised income and expenditure budgets for the year as described above. The net budget deficit reported, of £529,874, is the original budget figure before transfers to and from reserves. This deficit is reduced to £4,084 with the transfers to and from earmarked reserves.

2. INCOME & EXPENDITURE TO THE END OF FEBRUARY 2024

- 2.1 Total income to the end of February amounted to £2,496,796, including income that has been invoiced but not yet received. However, this includes £610,429 precept, £1,543,623 in respect of the football development project (grants plus borrowing) and £23,174 in respect of CIL, other grant income and client deposits which have all been taken directly to reserves. Additional income, amounting to £5,046 was received in 2022/23 in respect of the current year. Income received to date against the revised revenue budget therefore amounts to £324,616, which is 95.3% of the revised budgeted figure for the year.
- 2.2 The large positive variance that was reported last month has therefore reduced from about £18,000 to around £12,400, assuming a linear budget profile. This positive variance is due to a number of factors including timing, i.e. some anticipated income has been received in full two months before

the end of the year. However, significant income variances which are very likely to result in budget variances at year end include:

- Interest receipts - £39,754 has been received to the end of February against the revised budget for the year of £37,000. This is now expected to reach around £42,500 for the year given current interest rates remain where they are although much will depend on the rate of expenditure on the football project at Long Lane. This amounts to an increase of almost £33,000 on the original budget prediction.
- Cemeteries income continues to improve and now stands at £32,699 which exceeds the revised budget. However, a refund of £2,710 was processed in March which reduces the overall income to £29,989, or 96% of the revised budget. Nevertheless, it is now entirely possible that the revised budget figure will be met.
- Carvers Clubhouse income now exceeds the target for the year but as previously noted, this includes an unbudgeted community grant of £1,250 which will be used to offset additional expenditure in the current year with any unspent balance carried to reserves.
- All other variances are explained by timing differences with the main income streams subject to quarterly, half yearly or year end invoicing. These revenue streams are expected to match and in some cases, exceed planned income.

2.3 The latest projections suggest that revenue income is likely to exceed the revised budget by around £14,000 by year end.

2.4 Expenditure to the end of February totalled £2,293,098. A credit balance on the tax and pensions control account, pending settlement of monies due to the Inland Revenue and Hampshire County Council, adds £17,350 whilst expenditure in respect of the current year, paid in 2022/23 adds a further £7,468, giving expenditure to the end of February of £2,317,916. Excluding capital expenditure of £1,495,996 and carried over expenditure funded from reserves of £10,689 reduces this to £811,231. This is 87.3% of the revised revenue expenditure budget, an underspend of £40,300 assuming linear spend. (note this underspend has increased from the £23,000 reported at the end of January)

2.5 An analysis of expenditure indicates that expenditure continues to remain broadly in line with expectations. Most of the variance is explained by timing differences with some large bills not expected until after year end, most notably the recharged costs of the Gateway building, estimated to be just over £50,000 won't be charged until April. The previously noted budget pressures of around £10,000 remain, but these will be offset by emerging underspends elsewhere. Overall, expenditure is expected to remain within but very close to the revised budget.

2.6 The revised revenue budget predicted a small budget deficit of £3,989. The increased revenue income will now eliminate this deficit and result in a modest increase of around £8,600 in the general Reserve.

3. GROWTH & CAPITAL PROJECTS

3.1 The Council did not approve any new growth or capital items for 2023/24 but there are a few capital projects which were approved in 2022/23 which will incur expenditure in 2023/24. There are also a small number of other projects which were approved in earlier years and for which there remains some residual expenditure. All of the expenditure incurred on these projects will be met from earmarked reserves, grants and in the case of the football development project, a combination of reserves, grants and borrowing. Expenditure to date on these projects is summarised below:

	Budget 23/24	Spend to Feb 2024
• Football Development Project	£2,060,000	£1,486,204
• Columbarium	£31,000	£4,750
• Battery powered tools purchase (approved 22/23)	£16,689	£10,689
• Carvers Workshops/Sheds feasibility (approved 21/22)	£1,000	£925
• Carvers Recreation Ground Imps (approved 21/22)	£1,050	£1,882

• Open Space security measures (approved 23/24)	£100	£94
• Memorial Tree & Bench (approved 23/24)	£1,540	<u>£1,646</u>
Total	£2,111,379	£1,506,190

3.2 This means that around 71% of the planned capital expenditure for the year has been incurred as at the end of February. Whilst further expenditure is anticipated, it is clear that there will be a considerable underspend on capital and this will result in a reduced contribution from earmarked reserves. The underspend will have no direct impact on the revenue budget although the reduced spend from reserves will increase investment receipts.

4. RESERVES & BALANCES

4.1 At the end of 2022/23 the total balance on reserves was £616,298. A further £18,163 was held in the form of rent & key deposits on behalf of tenants, sports clubs and allotment holders. Total opening reserves were therefore £634,461.

4.2 The revised budget will reduce reserves by £525,885 before any additional receipts are taken into account. Further receipts of £515,032 have been received as at the end of February the majority of which is expected to be applied to the football development project during the year. Note, this excludes grant funding of £1,043,000 received in connection with the football project which has been applied directly against expenditure.

4.2 The revised schedule of reserves, together with planned movements for the year, is illustrated at Appendix 2. Note that the predicted closing balance of £630,958, including rent and key deposits, assumes that the capital projects, including the football project, are mostly completed and that all but residual funds held on behalf of the projects are exhausted.

REPORT TO POLICY & FINANCE COMMITTEE – 20th March 2024

APPLICATION OF CIL RECEIPTS

1. BACKGROUND

- 1.1 The Community Infrastructure Levy, CIL, is a mechanism by which property developers contribute to the costs of infrastructure required to service their developments. The CIL regulations state:
- “A local council must use CIL receipts passed to it to support the development of the local council’s area or any part of that area, by funding –
- a) The provision, improvement, replacement, operation or maintenance of infrastructure; or
 - b) Anything else that is concerned with addressing the demands that development places on an area. “
- 1.2 The levy is collected by the planning authority and a proportion is passed on to the Town Council. At the end of March 2023, the Town Council held a balance of £25,293.20. A formal decision is required in order to use CIL funds for any project.

2. CIL Receipts & Allocations 2023/24

- 2.1 Additional CIL receipts of £4,232.27 have been received in the current year to the end of February. No further receipts are expected in the current year. The balance of CIL receipts therefore currently stands at £29,525.47.
- 2.2 CIL receipts have been applied in the current year towards the residual costs of the Human Sundial, £495, and the Columbarium project which has incurred costs of £4,750 for the year to date.
- 2.3 CIL funds of £14,000 have been committed in favour of the Columbarium project. £800.00 was applied in 2022/23 which means that a further £8,450 remains committed towards the costs of the project.
- 2.4 The remaining unspent balance of CIL funds is currently therefore £24,280.47, of which £8,450 is committed towards the Columbarium project.

3. FINANCIAL IMPLICATIONS

- 3.1 The balance of CIL funds is currently £24,280.47 of which £8,450 has been earmarked for the Columbarium project. There remains an uncommitted balance of £15,830.47.

4. RECOMMENDATION

It is **recommended** that:-

- 4.1 Members note the current balance of CIL funding.

Ringwood Town Council

Ringwood Neighbourhood Plan Steering Group – Terms of Reference

Reports to: Ringwood Town Council (via Planning, Town & Environment Committee)

Administration by: Town Clerk and Deputy Town Clerk

General purpose

To plan and organise the production of a Neighbourhood Development Plan (NP) for Ringwood.

Constitution and rules

1. The Ringwood Neighbourhood Plan Steering Group (the Group) is constituted as a working party by the Planning, Town & Environment Committee (the Committee) of Ringwood Town Council (the Council). The Committee may appoint up to four (4) current members of the Council and up to eight (8) other persons to membership of the Group. In addition, the Town Clerk and Deputy Town Clerk for the time being shall be members of the Group *ex officio*. The Council's Code of Conduct shall apply to all persons appointed to membership of the Group (*see further detail on Conduct and Interests below*).
2. Primary responsibility for managing all aspects of the neighbourhood planning process in Ringwood will rest with the Group. No formal powers are delegated to the Group by the Council so any matters requiring a formal decision of the Council shall take the form of recommendations, agreed upon at a meeting of the Group, which will then be considered in accordance with the Council's Scheme of Delegation and processes (i.e. they may be implemented by Council officers under delegated powers or be referred to a Council committee for consideration and ratification).
3. The Group shall elect one of its members as Chair. The Group will decide when and where it meets. The quorum for any meeting of the Group at which a recommendation is agreed shall be five (5) members. Any recommendations agreed shall be recorded in writing.
4. The Chair of the Group will, if so required from time to time, attend meetings of the Committee, to provide reports on the progress of the plan and the proceedings of the Group and to answer questions from committee members.
5. The Council will act as the funds-holding body for the plan project. Grants and other monies received for use in the project will be remitted to the Council and all expenditure incurred in connection with the project shall be paid by the Council. The

Council's Financial Regulations and other proper practices shall apply to all monies so received or spent.

6. The Group shall be dissolved automatically if and when a Neighbourhood Plan for Ringwood is formally "made" and may be suspended or dissolved at any time by resolution of the Committee.

Specific functions and objectives

- To work with consultants O'Neill Homer on the agreed Project Plan and Action Plan, and to adhere to the timetable so far as is practicably possible.
- To agree a project communication, consultation and engagement strategy.
- To oversee the setting up of working groups to lead on different themes.
- To manage the gathering of evidence necessary to inform each of the issues within the scope of the Plan.
- To identify and assess options available in respect of each issue and prepare a draft plan for wider consideration.
- To actively support and promote the preparation of the Ringwood Neighbourhood Plan throughout the duration of the project.

Conduct and interests

The Steering Group will follow the Council's Code of Conduct. Whilst Members as individuals will be accountable to their parent organisations (if relevant), the Steering Group as a whole is accountable to the wider community for ensuring that the Plan reflects their collective expectations. The Steering Group will achieve this through applying the following principles:

- Work with mutual trust and respect, and combine expertise;
- Be clear when individual roles or interests are in conflict;
- Provide feedback from Steering Group meetings to parent organisations (if relevant);
- Assist parent organisations to bring appropriate ideas and concerns to the attention of the Steering Group;
- Inform the Steering Group when unable to deliver agreed actions;
- Treat everyone with dignity, courtesy and respect regardless of their age, gender, sexual orientation, ethnicity, ability, or religion and belief; and
- Actively promote equality of access and opportunity.

In situations where interests and roles are in conflict, this must be declared before the business is discussed and the Steering Group member should leave the room for that item.

Although the Town Clerk and Deputy Town Clerk are both appointed to membership of the Group, there is no expectation that they will both attend all its meetings or be equally involved in all its proceedings. Rather, Council officers will provide such support as the Group needs (and which cannot be provided more cheaply or conveniently in other ways) from time to time.

1 INTRODUCTION

- 1.1 This policy sets out the procedure agreed to ensure there is legal compliance as well as consistency and fairness when members are co-opted to the Council.
- 1.2 Whenever the need for co-option arises Ringwood Town Council will seek and encourage applications from anyone who is eligible to stand as a Town Councillor. Anyone is welcome to approach individuals to suggest that they might wish to consider putting their names forward for co-option.
- 1.3 The Council will advertise vacancies via the Council's noticeboards, website and social media and via a press release if time allows.
- 1.4 The advertisement to co-opt will include:
- The method by which applications can be made;
 - The closing date for all applications;
 - A contact point to obtain more information;
 - A statement that further information is available electronically via the website.
- 1.5 The co-option policy will be reviewed every 4 years.

2 CO-OPTION (Casual vacancy arising)

- 2.1 The co-option of a Town Councillor can occur when a casual vacancy has arisen on the Council and no poll (by-election) has been claimed. A casual vacancy occurs when:
- A councillor fails to make their declaration of acceptance of office at the proper time;
 - A councillor resigns;
 - A councillor dies;
 - A councillor becomes disqualified; or
 - A councillor fails for six (6) months to attend meetings of a council committee or subcommittee or to attend as a representative of the Council a meeting of an outside body (unless such absence has been authorized).
- 2.2 The Council must notify New Forest District Council of a Casual Vacancy and then advertise the vacancy and give electors the opportunity to claim a poll. If ten (10) electors write to New Forest District Council claiming a poll within fourteen (14) days (not including weekends, bank holidays and other notable days), New Forest District Council will make the necessary arrangements for this. However, a poll cannot be claimed within six months of the day when the term of office of the councillor whose office is declared vacant would ordinarily have expired. If a poll is claimed in time, co-option cannot be used to fill the relevant vacancy or vacancies.
- 2.3 If a by-election is claimed, the people of the relevant ward(s) within Ringwood will be asked to go to the polls to vote for those candidates who have put themselves forward by way of a nomination paper. The Town Council will pay the costs of the by-election.
- 2.4 If more than one (1) candidate is then nominated, a by-election takes place but if only one (1) candidate is put forward they are duly elected without a ballot.
- 2.5 If a poll is not claimed in time, the Town Council is able to co-opt to fill the relevant vacancy or vacancies.
- 2.6 On receipt of written confirmation, from New Forest District Council Electoral Services, that the casual vacancy can be filled by means of co-option, the Town Clerk will:

- Advertise the vacancy for (4) four weeks on the Council's noticeboards, website and social media
- Advise the Council that the co-option policy has been instigated.

3 CO-OPTION (After an ordinary election)

3.1 An insufficiency of candidates at an ordinary election also enables the Council to co-opt any person or persons to fill any vacancies within 35 days following the date of that ordinary election.

4 ELIGIBILITY OF CANDIDATES

4.1 The Town Council can consider any person to fill a vacancy who is a Commonwealth citizen over 18 years of age, is not disqualified AND:

- is an elector for the parish; OR
- has (during the whole of the twelve (12) months before the day of their nomination or the election) resided, or occupied as owner or tenant any land or premises, or had their principal or only place of work, in the parish or within three miles of it.

4.2 A person may be disqualified from being elected or being a member. The main reasons for this are (Local Government Act 1972):

- holding a paid office under the Council;
- bankruptcy;
- having been sentenced to a term of imprisonment (whether suspended or not) of not less than three months, without the option of a fine during the five years preceding the election; and
- being disqualified under any enactment relating to corrupt or illegal practices.

4.3 Eligibility of the candidate(s) will be confirmed by the Clerk.

4.4 All eligible candidates shall be invited to attend the Town Council meeting at which the applications shall be considered (usually the first meeting following the application deadline).

5 APPLICATIONS

5.1 To assist candidates **Appendix A** provides a guide to the criteria that the Council will look for when co-opting to membership. This is not an exhaustive list but provides candidates with guidance on areas they may wish to include in their application forms.

5.2 Candidates will be asked to:

- Confirm their eligibility for the position of Councillor within the statutory rules, (a copy of the Eligibility Form is attached at **Appendix B**).
- Submit information about themselves, by way of completing a short application form (a copy of the application form is attached at **Appendix C**).

5.2 Following receipt of applications, the next suitable council meeting will have an agenda item 'To receive written applications for the office of Town councillor and to Co-opt a candidate to fill the existing vacancy'.

- 5.3 Copies of the candidates' applications will be circulated to all Councillors by the Clerk at least three (3) clear days prior to the meeting of the full Council, when the co-option will be considered. All such documents will be treated by the Clerk and all Councillors as ***Strictly Private and Confidential***.

6 AT THE CO-OPTION MEETING

- 6.1 At the co-option meeting, candidates will have five minutes each to introduce themselves to members, give information on their background and experience and explain why they wish to become a member of the Town Council;
- 6.2 After presentations, members may ask candidates a few questions before proceeding to vote. (If a candidate is unable to attend the meeting, this process will still take place and voting will subsequently be based on this meeting **and** the application form)
- 6.3 The process will be carried out in the public session and there will be no private discussions between members prior to a vote being taken.
- 6.4 If a candidate is the spouse of a Councillor, that Councillor should not participate in the co-option decision and withdraw from the meeting.
- 6.5 At the conclusion of the debate, the Council will proceed to a vote by ballot (as specified in the Standing Orders). The ballot paper shall include the choice of not co-opting any of the candidates. The ballot paper shall record the name of the Councillor casting that ballot. A recorded vote may be requested to show the vote of each Councillor present and voting.
- 6.6 In order for a candidate to be elected to the Council, it will be necessary for them to obtain an absolute majority of votes cast (50% + 1 of the votes cast).
- 6.7 If there are more than two candidates and there is no candidate with an overall majority in the first round of voting the candidate with the least number of votes will drop out of the process. Further rounds of voting will then take place with the process repeated until a candidate has an absolute majority.
- 6.8 If there is more than one vacancy to be filled, each vacancy will be the subject of it's own separate round of voting (unless and until councillors vote not to appoint any candidate to a vacancy, at which point the process will terminate). Every candidate who has not been elected to an earlier vacancy will be included on the ballot paper.
- 6.9 Only Town Councillors present at the meeting may vote upon a person to fill the vacancy. Councillors will have one vote each per round of voting for each vacancy to be filled, save that the Chair has a casting vote which must be exercised in the event of a tie. Note: a tie may arise and be resolved by casting vote either to elect one of two candidates or to determine which of two or more candidates is to be eliminated).
- 6.10 The Clerk will notify Electoral Services of each new Councillor appointment, initiate 'acceptance of office' paperwork and 'registration of interests' within 28 days of the co-option meeting.
- 6.11 If insufficient candidates come forward for co-option, the process should continue, whereby the vacancies are again advertised.

- 6.12 The Council is not obliged to fill all vacancies, but must take steps to advertise for further co-options or hold an election (where applicable) to fill vacancies.
- 6.13 Any candidate(s) found to be offering inducements of any kind will be disqualified.

7 ELECTED COUNCILLORS (CO-OPTION)

- 7.1 Successfully co-opted candidates become Councillors in their own right, with immediate effect, and are no different from any other member (save that they are not eligible to receive the parish basic allowance).
- 7.2 Co-opted members will be asked to sign a Declaration of Acceptance of Office to agree to be bound by the Council's Code of Conduct. They may then take their seat at Council and are then able to be appointed to a committee and/or as a representative to local organisations.
- 7.3 Any application can be considered in a candidate(s) absence, but if successful, members would need to agree for them to sign the Declaration of Office either before or at the next Council meeting.

8 APPLYING FOR A CASUAL VACANCY

- 8.1 Candidates who are interested in applying for a casual vacancy need not wait until the notice appears or its time limit expires. Candidates can write to the Town Council directly expressing their interest in the casual vacancy and request it considers their application when it has authority to co-opt for the vacancy.
