**Land off Moortown Lane (SS13) – planning applications 21/11723 and 23/10707**

Meeting held on 24 September 2024 between New Forest District Council (NFDC), Ringwood Town Council (RTC) and Crest Nicholson (CN) and their planning agents Savills

**Present:**

Mark Wyatt, Development Management Service Manager, NFDC  
Charles Lewis, Land Manager, Crest Nicholson  
Jim Beavan, Associate Director, Savills Planning  
Sarah Beuden, Director, Savills Planning  
Town Councillors Philip Day, Gareth DeBoos, Mary DeBoos  
Jo Hurd, Deputy Town Clerk, Ringwood Town Council

Both applications had been deferred by NFDC Planning Committee on 11 September; the main reasons being the issues of smaller homes; site access; and zero carbon ready. It was noted that CN would not be agreeing to a further extension of time for determination of the applications, and expected them to be considered by NFDC on 13 November 2024.

**Smaller Homes**

Much of the debate at Planning Committee had focussed on housing mix and specifically small homes. The RNP evidences the need for smaller homes, hence policies R5 and R6.

In response to this, CN had agreed to increase the open market 2-bed offering in the cumulative mix, by increasing the total in Phase 2 by 19 – therefore providing 50% of the cumulative total as 1- or 2-bed, compliant with Policy R5.

The overall site would now provide – 40 x 1-bed, 181 x 2-bed, 126 x 3-bed, 96 x 4+bed = 221 small units out of a total of 443.

The total number of affordable dwellings would not change – 40 x 1-bed, 48 x 2-bed, 39 x 3-bed, 6 x 4+-bed.

No change to the housing mix or layout was proposed in Phase 1.

RTC objected to the inclusion of studies on the first floor, indicating that previous advice from NFDC was that these should be treated as bedrooms. Therefore, the requirement for ANRG would increase, but this would also have the effect of increasing the price of smaller homes, making them less “affordable”.

NFDC’s current opinion is that these rooms do not meet the National Described Space Standards (NDSS) for bedrooms. CN has also obtained supporting King’s Counsel advice on this point and stated that demand for studies has increased, hence the company’s change to standard house types in this regard. Both NFDC and CN agreed to provide evidence on this point.

No First Homes were proposed by CN, so the development does not comply with RNP Policy R6. RTC suggested that provision of First Homes could make the development more viable. However, as NFDC officers were content that the tenure split was compliant with Local Plan Policy HOU2, CN did not intend to change this.

The provision of First Homes was assessed in the Financial Viability Assessment prepared by BNP Paribas Real Estate, concluding that it would result in a lower quantum of affordable housing. CL agreed to provide some narrative on this point.

### **Zero Carbon Ready**

In order to comply with RNP Policy R10 and NFDC's Planning for Climate Change SPD, it is necessary for buildings to be zero carbon ready, where feasible. The intention in Phase 1 is to comply with current building regulations and, if building begins in 2025, this will mean gas boilers being installed. When building regulations are updated, air source heat pumps will be provided. As Phase 1 is expected to continue in to 2028, this could mean that about half of all properties in Phase 1 will be zero carbon ready.

Evidence gathered for the RNP shows that much of the existing housing stock in Ringwood is very poor, hence the requirement for new housing to be of a high standard, and in line with climate statements made by HCC and NFDC.

No evidence has been provided to demonstrate that it is not feasible for CN to comply with policy, as opposed to building regulations, and reference was made to a development by CN in Elmsbrook (near Bicester), which proved CN could deliver energy efficient housing.

CL stated that energy efficiency calculations are outlined in their Energy and Sustainability Statement prepared by AES Sustainability Consultants. However, he agreed to provide some narrative around this, setting out a schedule for Phase 1, including details on EPC ratings (most of their standard house types have a B rating).

### **Access**

The proposed development was only able to provide one of the three accesses required by the Local Plan policy for SS13.

RTC maintained that, without delivery of the access to the north (joining Wellworthy Way), it would continue to object to the application.

As the land through which this access could be created was outside the control of CN, it was not possible for it to be delivered as part of this application.

MW agreed to open dialogue with HCC, which owns the land, on this matter, but agreed it could not be addressed in the life of the current application. HCC Highways had confirmed that the 443 dwellings proposed could be safely served by the one proposed access off Moortown Lane.

It was noted that CN had allowed for the widening of Moortown Lane within the scheme costings (despite HCC agreeing that this could be monitored throughout Phase 1) and MW stated this would be secured through the s106 agreement.

### **Other Issues**

There was a discussion about the proposed 3-storey buildings in the centre of the site, with RTC asking if these could be moved to the north west urban edge of the site, which would be more in character. CL agreed to take this away for review.

It was noted that the electricity main on the western boundary of the site would be diverted beneath the new road network – no changes were proposed to the layout on the western boundary.

### **Application 23/10707 - ANRG**

It was noted that sufficient ANRG could be provided on the main site to meet the policy requirement (0.02h over), but it was sensible to provide a buffer, hence the additional proposed site to the east of Crow Lane. NFNPA and RTC had objected to this and the value of it was questioned, particularly given the poor access from the main site.

### **Conclusion**

It was agreed that CN would provide further evidence/narrative for RTC to review, with the opportunity to make further representation in advance of the expected date of consideration by NFDC Planning Committee (13 November), to include:

- Housing mix, including First Homes
- Zero carbon ready, including building efficiency and construction
- Moving 3-storey dwellings away from the centre of the site to the north west urban edge
- Inclusion of studies

## New Forest Local Cycling and Walking Infrastructure Plan (LCWIP)

### 1. INTRODUCTION

- 1.1 The New Forest Local Cycling and Walking Infrastructure Plan (LCWIP) sets out the ambition for investment in walking and cycling in the New Forest area over the next 10 years.
- 1.2 Hampshire County Council (HCC), New Forest District Council (NFDC), New Forest National Park Authority (NFNPA) and Forestry England have worked together to develop this LCWIP and are now inviting views on the on the draft plan and proposed routes and zones. The deadline for comments is Sunday 3 November 2024.
- 1.3 The draft LCWIP can be viewed here: <https://documents.hants.gov.uk/transport/new-forest-district-lcwip.pdf>, with further information and access to two short surveys and the ability to add comments to a map here: <https://storymaps.arcgis.com/stories/82b46f9bb69c4acbaf4e2b0b1f50a6e>.
- 1.4 Members of the public are encouraged to complete the surveys on their personal experience of walking and cycling routes and suggestions for improvements. As a key stakeholder, the Town Council is being asked to comment as follows:
1. What are the main barriers to walking and cycling in the New Forest
  2. General feedback on the LCWIP route network
  3. Specific feedback on the utility route network, primary and secondary routes
  4. Specific feedback on the leisure route network, on-highway and off-highway routes
  5. Specific feedback on the additional routes for consideration
  6. Feedback on the Core Walking Zones (CWZs)
  7. Other comments

### 2. PROPOSALS FOR RINGWOOD

- 2.1 Proposals specific to Ringwood in the LCWIP are as follows:
- Ringwood Core Walking Zone – see pages 55 to 58
  - Cycle Route 100 – Wick to Walkford via Fordingbridge and Ringwood - see pages 76 to 89
  - Cycle Route 210 – Ringwood to Totton via Emery Down – pages 127 to 133
- 2.2 For each route, there are a number of suggestions as to how areas and junctions can be improved, such as the introduction of 20mph speed limits; redesigning junctions to give priority to cyclists and pedestrians; and additional crossing points.

### 3. RECOMMENDATION

- 3.1 In order to give due consideration to the proposals set out in the draft LCWIP, taking into consideration work undertaken in preparation for the Ringwood Neighbourhood Plan and Policy R9 and the accompanying Active Travel Policy Map, it is recommended that a small Task & Finish Group be established to prepare a draft response for consideration by the Committee at its next meeting on 1 November 2024.

No.	Name	Status	Recent developments	Description and notes	Lead Officer/Member	Financing
<b>Full Council</b>						
FC1	Long Lane Football Facilities Development	In progress (scheduled for completion in 2024)	The artificial turf pitch has been completed and is now in use. The new pavilion was completed and handed over on 16th September. The old pavilion will be demolished shortly. A formal opening ceremony/open day is being arranged.	A joint venture with Ringwood Town Football Club and AFC Bournemouth Community Sports Trust to improve the football facilities for shared use by them and the community.	Town Clerk	The current expectation is that the Council's contribution to the project will, in effect, be limited to a modest loss of income from the site (but over a long term).
<b>Planning Town &amp; Environment Committee</b>						
PTE1	Neighbourhood Plan	Complete	83% of residents voted "yes" in the Referendum on 04/07/2024. The Plan has been adopted (made) by NFDC and NFPA and is now part of the NFDC Development Plan and must be taken into consideration in the determination of planning applications.	To prepare a Neighbourhood Plan for the civil parish of Ringwood but limited in scope to a few specified themes.	Deputy Town Clerk	Spent £25,282.42 (£18,000 funded from Locality grants, £3,650 additional budget agreed for SPUD youth engagement work (F/6061)). £3,167.58 unspent of original RTC budget.
PTE3	Crow Stream Maintenance	Annual recurrent	Spraying of stream banks undertaken 19/06/24, annual flail was carried out in August and stream clearance by volunteers will be held on 3 October. Working with various agencies and local landowners on developing wider project on holding back flood water and increasing outflow.	Annual maintenance of Crow Ditch and Stream in order to keep it flowing and alleviate flooding	Deputy Town Clerk	Budget of £1,000 funded by transfer from earmarked reserve
PTE6	Shared Space Concept - Thriving Market Place	In progress	£10,000 released by NFDC from UKSPF to undertake options appraisal/feasibility study. Project Brief agreed and HCC instructed to carry out work outlined in Brief. Members received an informal briefing on draft proposals on 25/09/2024, prior to consultation with stakeholders.	Concept for town centre shared space identified through work on the Neighbourhood Plan. Working in partnership with NFDC and HCC.	Deputy Town Clerk	HCC funded survey work. £10,000 grant from UKSPF (via NFDC). NFDC Cabinet considering allocating a share of £4.5 million CIL funds on 02/10/2024.
	Greening Ringwood	In progress	Official launch of Phase 2 held on 20/04/2024 in Gateway Square. Update on activities presented to Committee in September 2024.	Greening Campaign Phase 2 to run from Sept 2023 to July 2024, focussing on making space for nature; energy efficient greener homes; climate impacts on health and wellbeing; waste prevention; and cycle of the seed.		£50 signing up fee funded from General Reserve.
	Bus Shelters	In progress	HCC framework contractor has completed survey of shelters free of charge. Action Plan prepared and being worked through with intention of bringing report with recommendations to cttee in November.	Review of Council owned bus shelters.		No agreed budget
Projects being delivered by others which are monitored by the Deputy Clerk and reported to this committee:						
	Crow Lane Footpath	In progress	Developers' contributions paid to HCC to implement. Additional funds required to progress and approved by NFDC Cabinet on 02/11/2022 - report indicates delivery in 2024/25. HCC working on design.	New footpath to link Beaumont Park with Hightown Road, alongside west of Crow Lane	Hampshire CC	Developers contributions
	Railway Corner	In progress	Project supported by RTC. Planning application approved (23/11081).	Project to improve and promote historical significance of triangle of land at junction of Hightown Road and Castleman Way.	Ringwood Society	No financial implications.
	Memorial Bench for Michael Lingam-Willgoss	In progress	Consent to install bench has been granted by HCC. Legal fees covered by County Cllr Thierry. Date for installation yet to be agreed.	Provision of memorial bench in Market Place in memory of Michael Lingam-Willgoss.	Ringwood Carnival / Ringwood Rotary	No financial implications.
<b>Policy &amp; Finance Committee</b>						
PF5	Poulner Lakes Lease	On hold	Awaiting track maintenance solution - see Recreation Leisure & Open Spaces Committee item RLOS21.	Negotiating a lease from Ringwood & District Anglers' Association of the part of the site not owned by the Council	Town Clerk	Some provision for legal advice or assistance may be needed eventually.
PF11	92 Southampton Road	In progress (commenced March 2023)	Vacant possession has been recovered. Details about possible alternatives to re-letting are being obtained and will be reported to committee before any further repairs are commissioned or re-letting agreed.	Reviewing the letting of this council-owned house	Town Clerk	Rent receipts and other financial implications of any changes are unclear at present but will be considered as part of the review.

PF12	Base budget review	Commenced Feb. 2024	Inaugural meeting held on 17th April. Workstreams and lead councillors for each agreed.	A review by members and officers of the council's base (revenue) budget, probably focused on a few types of expenditure or areas of activity, to identify possible options for change and/or savings.	Finance Manager	No anticipated costs other than staff time.

### Recreation, Leisure & Open Spaces Committee

RLOS4	Grounds department sheds replacement	In progress (Commenced design work in April 2021.)	Officers have been working with a planning consultant on project design and two rounds of pre-application planning advice have been completed. The draft planning application is being revised and will be submitted as soon as practicable.	A feasibility study into replacing the grounds maintenance team's temporary, dispersed & sub-standard workshop, garaging and storage facilities. Combined with a possible new car park for use by hirers of and visitors to the club-house.	Town Clerk	Revised capital budget of £4,000 (originally £10,000 until virement to RLOS19)
RLOS5	Cemetery development	In progress (Commenced design work in April 2021. Aiming to complete by December 2024.)	Design and funding arrangements for a memorial wall have been agreed in principle. An architect has been instructed. Only two responses to the public tender were received; both considerably in excess of the agreed budget. Officers are considering next steps but have enlarged the provision for interring cremated remains in the interim. The project is being re-appraised alongside the cemetery base budget review (see PF12)	Planning best use of remaining space, columbarium, etc.	Town Clerk	Capital cost estimated at £37,500 will be met from a combination of earmarked reserves.
RLOS10	Waste bin replacement programme	In progress (Commenced April 2020)	The final replacements in the current programme will be installed this autumn. Future needs will then be re-assessed.	Three-year programme to replace worn-out litter and dog-waste bins	Grounds Manager	Budget of £2,000 a year.
RLOS14	Poulner Lakes waste licence	In progress	Draft surrender rereport and application have been prepared for submission to Environment Agency once their requirements have been clarified. It is currently expected that this will be done by the end of October.	Arranging to surrender our redundant waste licence to avoid annual renewal fees	Town Clerk	
RLOS21	Poulner Lakes track maintenance	In progress (under discussion since Jan. 2021)	NFDC has developed a concept design of an improved access on the basis that RTC will fund essential maintenance/improvements to the vehicular access element and NFDC will fund the rest. Officers are consulting the Anglers' Association about the proposal.	Devising a sustainable regime for maintaining the access tracks at Poulner Lakes to a more acceptable standard.	Town Clerk	Yet to be settled
RLOS23	North Poulner Play Area skate ramp request	In progress (commenced Mar. 2023)	A 'half-pipe' has been identified as a likely cheaper and easier option. The costs are now clearer and the funding arrangements will be discussed at the P&F meeting on 18th September.	A local resident requested provision of a 'quarter-pipe ramp' at this site and has been fund-raising for it	Deputy Town Clerk	Yet to be quantified and agreed
RLOS25	Open Spaces Management Review	Commenced September 2024	The task and finish group members met for the first time on 4th September. A list of sites with relevant information was approved and next steps agreed.	A strategic priority project to review the council's management of all its public open and green spaces	Town Clerk	Staff time only
RLOS26	Carvers Development Phase 1	Commenced Sept. 2024	Notice of award of grant from Veolia Environmental Trust received. Officers attended briefing on 17 Sept. Publicity is being arranged and officers are beginning work on delivering the project.	Replacing the tennis courts with a multi-use games area, creating a timber log walk with benches and boulders and pollinator planting.	Town Clerk	£68,072 (90% grant from Veolia Environmental Trust and 10% from RTC's CIL reserve)
