PLANNING, TOWN & ENVIRONMENT COMMITTEE

Dear Member

27th October 2022

A meeting of the above Committee will be held on **Friday 4th November 2022** at 10.00am and your attendance is requested.

Mr C Wilkins
Town Clerk

AGENDA

1. PUBLIC PARTICIPATION

There will be an opportunity for public participation for a period of up to 15 minutes at the start of the meeting

2. APOLOGIES FOR ABSENCE

3. DECLARATIONS OF INTEREST

4. MINUTES OF THE PREVIOUS MEETING

To approve as a correct record the minutes of the meeting held on 7th October 2022

5. PLANNING APPLICATIONS

To consider applications and to note applications determined under delegated powers (*Report A*)

6. RINGWOOD NEIGHBOURHOOD PLAN

To consider the Deputy Town Clerk's report (*Report B*) and the following related reports:

- i) To receive **notes of the Steering Group meeting** held on 10th October 2022 (*Report C*)
- ii) To review and note **Draft Vision and Policies** (*Report D*)
- iii) **Engagement with Young People** – to review the report and consider next steps (*Report E*)
- iv) **Listing of Local Heritage Assets** – to consider a proposal from the Design and Heritage team (*Report F*)
- v) **Building for a Healthy Life** – to consider a proposal from the Design and Heritage team (*Report G*)

7. STRATEGIC SITES

To receive updates in relation to strategic sites:-

- i) Land off Crow Lane / Crown Arch Lane (Beaumont Park)
- ii) Land north of Hightown Road
- iii) Land off Moortown Road
- iv) 2 Market Place and Meeting House Lane

8. A31 RINGWOOD BRIDGE REPLACEMENT AND WIDENING SCHEME

To receive the notes of the meeting with National Highways on 13th October 2022

9. PROJECTS (current and proposed)

To consider the officers' report (*Report H*), receive any verbal updates and agree next steps where necessary

10. NFDC/NFNPA PDCC

To review applications that are due before NFDC/NFNPA Planning Development Control Committee

If you would like further information on any of the agenda items, please contact Jo Hurd, Deputy Town Clerk, on (01425) 484721 or email jo.hurd@ringwood.gov.uk.

Committee Members

- Cllr Philip Day (Chairman)
- Cllr Rae Frederick (Vice Chairman)
- Cllr Andrew Briers
- Cllr Gareth Deboos
- Cllr Hilary Edge
- Cllr Peter Kelleher
- Cllr Gloria O'Reilly
- Cllr Derek Scott
- Cllr Glenys Turner

Officers

- Jo Hurd, Deputy Town Clerk
- Nicola Vodden, Office Manager

Permission (1)	Recommend Permission, but would accept planning officer's decision
Refusal (2)	Recommend Refusal, but would accept planning officer's decision
Permission (3)	Recommend Permission
Refusal (4)	Recommend Refusal
Officer Decision (5)	Will accept planning officer's decision

The Use Classes Order: Summary	
A1	Shops
A2	Financial and Professional Services
A3	Food and Drink
B1	Business, including offices, research and development and light industrial
B2	General industrial building
B3	Special industrial: alkalis etc
B4	Special industrial: smelting etc
B5	Special industrial: bricks etc
B6	Special industrial: chemicals etc
B7	Special industrial: animal products etc
B8	Storage and Distribution
C1	Hotels and Hostels
C2	Residential Institutions
C3	Dwelling Houses
D1	Non Residential Institutions
D2	Assembly and Leisure

Number	Name	Address	Proposal	Deadline for comment	P.O. brief	Recommendation Permission (1) Recommend Permission, but would accept planning officer's decision Refusal (2) Recommend Refusal, but would accept planning officer's decision (plus reasons) Permission (3) Recommend Permission Refusal (4) Recommend Refusal (plus reasons) Officer Decision (5) Will accept planning officer's decision

						<u>Considered under delegated powers:-</u>
CONS/22/0531		War Memorial, Christchurch Road, Ringwood.	Cherry x 1 Fell			18.10.22 P(1) Recommend Permission, but would accept the Tree Officer's decision.
TPO/22/0541	Mrs Hughes	Little Gatton, Linford Road, Poulner, Ringwood. BH24 1TX	Yew x 1 Prune Oak x 1 Prune			18.10.22 P(1) Recommend Permission, but would accept the Tree Officer's decision.
TPO/22/0533		Land North Of 7, Forestsides Gardens, Ringwood.	Silver Birch x 4 Reduce			P(1) Recommend Permission, but would accept the Tree Officer's decision.

**REPORT TO PLANNING, TOWN & ENVIRONMENT COMMITTEE
4 NOVEMBER 2022**

RINGWOOD NEIGHBOURHOOD PLAN (RNP)

There are several reports relating to work associated with the Ringwood Neighbourhood Plan, as follows:

1. Notes of Steering Group meeting held on 10 October 2022 (*Report C*)

Please note that Appendices A (draft policies) and C (engagement with young people) have been removed as the documents have been superseded.

It is RECOMMENDED that the notes be received.

2. Draft Vision and Policies (*Report D*)

Members of the RNP team are working with consultants to draft policy detail. A meeting was held with New Forest District Council and the New Forest National Park Authority on 18 October, when the draft policies were discussed.

It is RECOMMENDED that the vision and policies be reviewed and noted, and any comments be fed back to the RNP team.

3. Engagement with Young People (*Report E*)

This is the outcome of work carried out by SPUD with young people.

RECOMMENDED that the report be reviewed and Members consider next steps, including:

- i) Presenting the report to Full Council in November;
- ii) Utilising the contents of the report in the following areas of work:
 - Council strategy
 - Thriving Market Place project
 - Carvers Strategic Development

4. List of Local Heritage Assets (*Report F*)

Report from the RNP Design and Heritage (D&H) Team, proposing that a List of Local Heritage Assets be prepared, adopted and maintained (see RNP Policy R8).

A list of approximately 250 local heritage assets has been prepared by the D&H Team and it is proposed that this list is presented to the Town Council for approval, after which the Council should consult each property by letter, prior to adopting the list and committing to keep it under review and up to date.

RECOMMENDED that Members consider supporting the proposal, subject to the required information being supplied to the Council in a format ready for mail merge.

5. Building for a Healthy Life (*Report G*)

Report from the RNP Design and Heritage (D&H) Team proposing that the Town Council consider undertaking a Building for a Healthy Life (BfHL) assessment of future major planning applications (see RNP Policy R7), and that a panel of councillors and interested parties be convened to undertake an assessment when required.

To view the results of the assessment undertaken on the Moortown Lane application, see here: <https://www.ringwood.gov.uk/admin/resources/minutes-and-annex-a-pte-13-42022-2.pdf> (from page 85).

It is RECOMMENDED that Members consider supporting the proposal.

6. Thriving Market Place

A meeting was held on 17 October with officers from New Forest District Council and Hampshire County Council to explore opportunities to create a more vibrant and pedestrian friendly Market Place, and to consider improvements in the Gateway Square area. It was agreed that a concept plan/visualisation be prepared for the next meeting on 28 November.

For further information, please contact:
Jo Hurd, Deputy Town Clerk
01425 484721 or jo.hurd@ringwood.gov.uk

Ringwood Neighbourhood Plan

C

Ringwood Neighbourhood Plan Steering Group

Notes of meeting held on Monday 10th October at 6pm on Zoom

Present:

- Cllr Gareth DeBoos
- Mary DeBoos (Secretary)
- Janet Georgiou
- Cllr John Haywood (Chair)
- Joe Moorhouse
- Geoff Ridgway
- James Swyer
- Chris Treleaven

1. Apologies were received from Cllr Philip Day, Tim Moxey and Cllr Tony Ring
2. No declarations of interest were made.
3. Notes from the previous meeting were received and accepted.
4. Feedback from RTC Committees

There were no questions arising from RTC committees and there was significant interest in the results of engaging young people.

5. Working Group Updates

DRAFT Policy List (attached in Appendix A) Note - Appendix A removed as list has been updated.

Chris reported that there should be mention of the Community led housing suggestion in the Neighbourhood Plan and that the feasibility of achieving a policy on “Meeting the housing needs of younger people” (R5) would be a subject for the forthcoming discussion with the local planning authorities.

Gareth raised the challenge of completing all the work needed to support R13 “Creating a Sustainable Travel Network”.

Post meeting note: following Gareth discussion with Jon Dowty this is thought to be achievable.

Joe noted that Boundary Treatment may become a separate policy.

Any other comments to be sent to Mary by end of Wednesday 12th October, such that the policy list can be circulated ahead of the meeting with NFDC and NFNPA on 18th October

Action: All

Design and Heritage

Joe shared a verbal description of the potential process for completing local listings. The Steering Group agreed that a written proposal should be submitted to the November PT&E meeting

Action: Joe

Joe explained that the adoption of the “Building for a Healthy Life” Framework for assessment of major planning applications may require additional work by the Town Council in the future. The Steering Group agreed that a written proposal should be submitted to either the November or December PT&E meeting

Action: Joe

Environment

Gareth described the proposed boundaries for the wildlife / dark skies corridors in the south of the parish. The Steering Group agreed these proposals (see Appendix B)

6. Communication and Engagement

The proposed dates for the exhibition in Gateway are 15th to 29th October (inclusive) with the display remaining at Gateway for the November PT&E meeting.

In support of this the following actions were agreed:

- A form for people to complete if they would like email updates. **Action: James**
- The website to be updated with any reference materials. **Action: All to send to James and John before 15th October**
- Feedback forms and suggestion box to be available. **Action: John**
- Boards to be moved to Greyfriars for Ringwood Society Open Meeting on evening of Tuesday 18th October. **Action: John**
- Rota for staffing the exhibition to be circulated. **Action: Mary**
- Press release to be updated. **Action: Mary**

James suggested that we make all the materials from the exhibition available on the website after 29th October.

An interim synopsis of the output from the sessions for engaging young people was shared by Mary (Appendix C). Mary noted that the support from Vicki Lewis at the school was invaluable [Note - Appendix C removed as full report now available.](#)

Action: Gareth to write a letter of thanks to Vicki

Action: Mary to circulate full report once it is available

7. Review of plan

Mary noted that with the progress on the exhibition and the progress on the DRAFT NP document, the project still appears to be on track to complete in this financial year. However, this may be impacted by the meeting with NFDC and NFNPA and depends on the feedback received from the exhibition.

8. Date of next meeting

Monday 14th November at 6pm

Appendix B - Wildlife and Dark Skies Corridors

The Northern Corridor

The next map shows the proposed Green Corridor feature boundaries. On the north edge, which follow existing hedgerows or woodland areas, it starts at the Avon Valley SSSI to the west (415344; 103446), goes along Kingston Common to and across Christchurch Road, along the footpath with recently planted hedging to Long Lane, continues east along Long Lane and then Green Lane to the Upper Kingston byway, east on the byway to Ringwood Road, across and along Barrack Lane to the junction with Crow Hill and then east along Crow Hill to The New Forest SSSI (418234; 103942). On the southern edge, it starts at the Avon Valley SSSI (415170; 103080), goes due east to the edge of the Gaddens SINC woodland (417576; 103080), then on to The New Forest SSSI (418250; 103080).

Hedgerows, SINC's and water courses within the area bounded by the yellow lines and SSSI's are Green Corridor features, as referred to in, and protected by, the putative policies. It is recognised that this corridor does not incorporate the small SSSI area and adjacent SINC at Hightown Copse: integration could be part of a future extension to this plan. Note also that the corridor is over 200m at its narrowest point, in accordance with Natural England 'rule of thumb' guidance for wildlife corridors^{*101}.

The Southern Corridor

The next map shows the proposed Green Corridor feature boundaries. To the south is the Ringwood Parish Boundary. To the north is a west-east line that runs from the Avon Valley SSSI (413870; 101100), goes through Parsonage Wood and Keeper's Copse SINC's to The New Forest SSSI (418229; 101100). At its narrowest point, the

corridor is about 350m wide, in accordance with Natural England 'rule of thumb' guidance for wildlife corridors^{*101}.

Hedgerows, SINCs and water courses within the area bounded by the yellow line, the SSSI's and the Parish Boundary are Green Corridor features, as referred to in, and protected by, the putative policies.

The HBIC Biosites map has no sites recorded within the proposed Green Corridor.

RINGWOOD NEIGHBOURHOOD PLAN

Our Vision for Ringwood.

We will restore and strengthen Ringwood's status as a Chartered Market Town, making it the heart of civic, commercial and community life in the South-west of the New Forest.

This will not be achieved by trying to turn back the clock. We need to make the town centre attractive, appealing and fit for purpose in a new era, reflecting the way we live now.

Ringwood is an historic market town in a beautiful riverside setting and is a gateway to the New Forest. We will mobilise its rich array of heritage assets, ambitious businesses, cultural and community organisations. We will revitalise the Market Place and High Street, establishing an inviting open-air space in the heart of the town. We will improve green spaces and create more opportunities to connect with nature.

We will enhance the first impressions of the Town in keeping with the rural setting of the town and to further build a sustainable economy we will improve connectivity for walking and cycling.

Ringwood will be recognised as a thriving market town with both historic interest and modern-day appeal, it will become an essential part of the New Forest experience for UK and international visitors. The revived town centre will contribute to an enhanced quality of life, and its cosmopolitan appeal will make it an increasingly popular place to live and work, and especially attractive to young people and families.

This vision addresses the following key challenges:

Challenge 1: To make Ringwood more attractive to a wider cross-section of residents and visitors by revitalising the town centre economy

Challenge 2: To celebrate Ringwood's historic buildings and townscapes

Challenge 3: To put people first by encouraging walking and cycling

Challenge 4: To ensure Ringwood does not become a dormitory town

Challenge 5: To ensure the young people of Ringwood can live in Ringwood

Challenge 6: To ensure that the regeneration of Ringwood town centre contributes to the New Forest Climate And Nature Emergency Declaration

Draft Policies List (October 2022) for LPA discussion

- R1 A Spatial Strategy for the Town
- R2 Maintaining a Successful and Prosperous Town Centre
- R3 Town Centre Retail
- R4 Making Better Use of opportunity sites in the Town Centre
- R5 Meeting the Housing Needs of Local Young People
- R6 The Ringwood Design Code
- R7 'Building for a Healthy Life'
- R8 Conserving Local Heritage Assets
- R9 Creating a Green Infrastructure and Nature Recovery Network
- R10 Dark Skies
- R11 Delivering Zero Carbon Buildings
- R12 Adapting to Climate Change through Urban Greening and improving streetscape
- R13 Creating a Sustainable Travel Network
- R14 Engaging the Community in Planning (not really a policy but see how it goes)

Projects

- Market Place/High Street Shared Space (PJA evidence?)
- Other Public Realm improvement projects
- Nature Recovery projects – BNG improvements to Carvers, Jubilee Gdns, Pocket Park
- Safe Routes to Poulner School / other LCWIP type projects
- Community Led Housing

R1: A Spatial Strategy for the Town - to articulate the town vision into a spatial strategy of specific elements. Brownfield first; Green Belt Importance and its protection; Thriving Furlong and old town; Conserving Residential Character Areas; Managing traffic.

Evidence: OH Vision Paper and Session Notes; SG Vision and Objectives etc

R2: Maintaining a Successful and Prosperous Town Centre – to articulate the history and nature of the town centre, its conservation area, High Street to create opportunities for heritage led and community focussed renewal and investment (ECON5) – maintaining a healthy mix of retail and service, ‘greening’ the town centre, improving pedestrian connectivity, creating ‘shared space’ for cultural/art/market purposes.

Evidence: TC Report; D&H reports + Townscape Appraisal Map; HCC Townscape Appraisal (old) and CAA. PJA Report?

R3: Town Centre Retail – This policy is intended as an interim expression of how the retailers and community wish to see the town centre thrive in a ‘post-Covid’ world. But with great uncertainty on how changes to national policy will affect town centres, it is expected that the new Local Plan will provide a longer-term town centre policy framework. It will have more time, and evidence, to determine how the planning system can best be used to secure the success of the town centre. In the meantime, this policy seeks to sustain and build on the success of the town centre as a vibrant and vital heart of the town and the wider rural area and as a visitor destination.

The policies interim purpose is to “protect the essential core of the primary shopping frontages from change of use to residential e.g. use class MA within the Market Place” by resisting a change of use that will result in the loss of an active commercial, business or service use of a ground floor frontage in the Town Centre.

Refining the mix of the Government’s new Commercial, Business and Service use class order within the town centre primary retail boundaries to encourage and manage positive change.

(note: only one Local Centre boundary defined by ECON6 @ Butlers Lane, Poulner).

Evidence: D&H Article 4 evidence - alterations within the Conservation Area which do not require planning permission continue to harm the town centre and the ‘historic market town’ character.

R4: Making Better Use of opportunity sites in the Town Centre– to support the redevelopment of brownfield opportunity sites and establish the key development principles, provided they accord with the Design Code and other LP policies, to encourage appropriate planning applications or investment.

Evidence: AECOM Town Centre ‘Masterplan’ Report (unseen).

R5: Meeting the Housing Needs of Local Young People – to diversify the local housing stock by encouraging a higher proportion of lower cost dwellings for younger people/families with a local connection to Ringwood. The provision of a stock of small housing units would also give the elderly an opportunity, if they wish, to vacate their larger dwellings, yet remain resident in the town and provide an opportunity for younger and/or key worker, one and two person households to find suitable accommodation in the area. Better utilisation of the existing housing stock is unlikely to occur unless smaller units are available either by the construction of new small dwellings or by the conversion of existing properties.

This is a community ambition rather than a requirement, as it stops short of setting out targets and has not been adequately evidenced by the Housing Needs Assessment. It will be a challenging policy to secure given the views already expressed by NFDC.

Evidence: AECOM HNA? And/or Housing Addendum Report by Housing Group to respond to NFDC critique.

R6: The Ringwood Design Code – to define the essential characteristics of each part of the town, including its Conservation Areas, in order to guide the design of future proposals. Code must reinforce the importance of streetscape character and the value hedge boundary treatment brings to this character (see poor boundary treatment example in the LD SPD page 87 Gravel Lane)

Evidence: AECOM Design Code (unseen) and LD SPD. D&H to map areas where cumulative effect of inappropriate boundary treatment undermining character.

R7: Building for a Healthy Life – A policy requiring the inclusion of a ‘Building for a healthy Life’ audit report with major applications

Evidence: D&H BfHL RAG audit of Beaumont Park

R8: Conserving Local Heritage Assets – to identify buildings and structures of local historic and/or architectural interest as guidance for proposals.

Evidence: D&H LHA assessment (about 80 proposed)

R9: Creating a Green Infrastructure and Nature Recovery Network – Protecting and better connecting the town’s network of green infrastructure assets. Encouraging the use of urban and countryside land to define a network of existing green infrastructure assets (e.g. Avon Valley, National Park, priority habitats, parks, play areas) for protection from harmful development; to show opportunities to improve the quality and connectivity of the network as guidance for proposals; to adapt to climate change through woodland planting and flood management risks; to require S106 contributions for investment in new woodland creation/tree planting as part of the Green Infrastructure Network.

Evidence: Evt Grp Nature Network reports and maps

R10: Dark Skies – to manage the use of external lighting on new development and promote good practice, particularly in areas outside the current settlement boundary

Evidence: Evt Grp report

R11: Delivering Zero Carbon Buildings – to encourage Zero Carbon ready” buildings and the use of the passive house standard wherever possible and post occupancy evaluation. (reduce fuel poverty)

Evidence: Evt Grp Report + OH Background Note + Cotswold Net Zero Toolkit as guidance

R12: Adapting to Climate Change through Urban Greening – to require either all or major (> 10 dwellings or > 1000 sq.m. commercial) development schemes to incorporate more and better urban greening (trees, green roofs, green walls, rain gardens etc) by using an Urban Greening Factor measurement scheme. And to encourage improvements to streetscape (boundary treatment) elsewhere

Evidence: Tree Canopy map, D&H location of roads with street trees and imp R12 connections without (see NFDC BP32a GI Evidence map)

R13: Creating a Sustainable Travel Network – to encourage active and healthy travel by defining a network within and around the town of existing bus routes, cycleways, PROWs and other off-road footpaths for protection from harmful development; to show opportunities to improve the quality and connectivity of the network as guidance for proposals, including ‘Safe Routes to School’ (Poulner particularly from SS’s) ; and to require S106 contributions for improvements

Evidence: (No LCWIP) LP Part 2, Greenways, Evt Grp report/mapping. Assessment of Poulner SRtS needed

R14: Engaging the Community in Planning – to require procedures for genuine community engagement to be included in the early stage design of a defined type of major development schemes.

Evidence: D&H BfHL RAG audit of Beaumont Park

Opportunity Site Design Codes

Ringwood
Town Futures
Young People's Vision

Ringwood
Town Council

We must remember:

"Young people are the future inhabitants of our towns and cities, therefore it's critical their voices are heard"

Introduction

Ringwood Neighbourhood Plan

For a Neighbourhood Plan (NP) to have real local credibility, it must be prepared by the community that lives in, works in and uses the Neighbourhood.

The Ringwood Neighbourhood Plan Team wants to ensure community engagement and participation not just simple consultation. To encourage an active dialogue with the younger people of the town, the team chose to work with SPUD to run workshops and drop in sessions that would capture their concerns, ideas and thoughts.

This report is the output from those sessions.

The team was encouraged by the quality of the thinking and delighted by the fresh ideas that were put forward for the future of Ringwood.

Workshops

Giving Young People a Voice

A series of group workshops for young people were organised by charity SPUD during October 2022. Drop-in workshops took place at the Carver Clubhouse and Skatepark and at Ringwood School. In total 30 young people took part and had an opportunity to share their ideas, through a series of written, visual and mapping activities. The following report pulls together their various thoughts and ideas and identifies some of their key priorities for potential change.

Key Outcomes

What matters most...

- Green spaces
- Better lighting and lighting displays
- Skate Park facilities
- Limited shops of interest to young people
- Poor bus station area
- Nothing to do in the town centre
- The old cinema to be re-used
- Attractive public art

Love it...

What do young people love about the town and want to keep:

- green spaces e.g. Bickerley Common
- christmas lights
- public art e.g. acorn bench and Jubilee lamp
- Carvers skatepark

Improve it...

What do young people think could be made even better with improvements:

- picnic areas and pocket parks
- better shops especially for younger people
- landmark public art
- facilities at Carvers skatepark
- improved bus stops
- a town centre cinema
- walking and cycling routes

Loathe it...

What don't young people like about Ringwood:

- confusing buses/timetables and poor bus station area
- boring market
- poor links to other towns like Lymington
- no parking at Carvers skatepark
- no cinema
- town centre (High Street) has no greenery

Green Spaces

Young people repeatedly talked about the importance of green spaces in Ringwood. They referred to Bickerley Common, the Castleman Trail, Carvers Park and the various pocket parks around the town. These were important spaces for them to 'hang out' and enjoy themselves with friends or family.

They also wanted to see improvements to some of these areas including:

- fitness trail/equipment along the Castleman Trail. Possible low level led, solar lighting for night use.
- lighting and a toddlers skatepark at Carvers
- a covered area over the skatepark, to make it usable year round
- better entrances and attractive picnic seating in the pocket parks
- lack of greenery/green spaces in the centre of town, especially on the High Street

Bus Station

The area of the bus station/bus stops came up repeatedly in conversation. It was felt that the area was not attractive and there was nothing to do or see there. This made it feel unsafe and unwelcoming, especially at a key location in town for potential visitors.

Young people felt the area had the potential for some colour, artwork, planting and improved lighting. The back of the supermarket building was identified as a key area to improve.

Public Art

A broad range of conversations were had around public art that already existed in town or could be created. Young people quickly identified the acorn bench, Furlong horses and Jubilee lamp-post as examples.

There were some great ideas to create an art trail to guide visitors into the heart of the town using the symbolism of acorns, oak leaves and trees. This could be extended into seating designs and way-markers.

Young people like the Christmas lights, but wanted to see light and colour all year round. One suggestion was to have a canopy of illuminated art strung across the High Street, possibly with a nature theme.

It was also felt that a landmark piece of sculpture was needed to act either as a gateway or to identify the centre of the town. This could also double up as some form of shelter and seating space. A covered area was something that young people wanted as a casual meeting space.

Acorn Bench

Shops & Cafes

Young people understand that a local authority does not have the power to determine which shops occupy its town centre, but they felt that there was a strong case for making the High Street and Market Place more attractive areas so people want to spend time, shop and in turn attract new retail businesses.

It was felt strongly that there was little on offer for young people in the High Street and that most of the shops served an older audience. In fact most young people made it clear that they only ventured as far as Sainsburys or that the High Street was just an area they passed through on the way to somewhere else. None of the youngsters said they spent any time there.

Young people found themselves travelling to Bournemouth or Southampton for shopping and 'young people friendly' cafes, but again mentioned the often prohibitive cost of public transport.

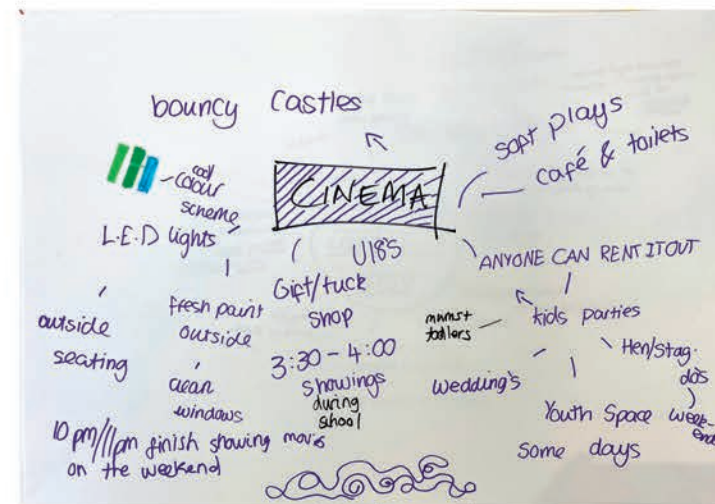

Old Cinema

Out of all the buildings in the Town Centre, the 'old cinema' on Market Place was mentioned repeatedly. Many young people said they'd love to have a cinema back in town, especially as public transport was so expensive to get to cinemas at neighbouring towns such as Bournemouth.

They also understood that sustaining a cinema in town could be difficult and suggested that the building could also have alternative uses, such as soft play, bouncy castle, party venue, cafe and that films be shown just at weekends.

The young people were also keen that the building be renovated to improve the look of the street. It could be illuminated for different holidays such as Christmas and Halloween to make an eye-catching focal point.

Youth Space

There was a lot of conversation around a space for young people to 'hang out' and spend time with friends. Some of this linked back to the Carver clubhouse. Youngsters were not looking for a programmed youth club, but rather an informal space where they could meet, spend time with friends, buy a drink and snacks. The requirements for a space like this varied from it being fun and having music, to also having quite spaces to read and relax.

The idea of cooking facilities came up to - with young people saying they wanted to be able to cook properly and learn how to cook - not simply a meal pinged in a microwave.

Any development of a new youth space needs the input of young people from the start to gather a clear understanding of what they want, rather than make assumptions such as putting a table tennis table in.

What Next

Sharing young peoples ideas

The map on the following page pulls together many of the young peoples ideas and presents them in a visually cohesive and stimulating way. The map was created during the workshops with young people and illustrated by artist and local resident Daisy Kate. The map and report will be shared with the Ringwood Town Council, Ringwood School and online at:

www.spud.org.uk/spudyouthringwood

These ideas will be used to shape the vision of Ringwood in the Neighbourhood Plan, they will be shared with the whole of town. The Ringwood Neighbourhood Plan Team will provide feedback to those who took part and plans to continued to work with the young people of Ringwood to further develop some of the ideas.

PROPOSED PROCESS FOR MAKING THE RINGWOOD LIST OF LOCAL HERITAGE ASSETS

Purpose of the report

To update on the progress of the Local List work and propose that RTC adopt the following process of making the Ringwood List of Local Heritage Assets identified by the Neighbourhood Plan Team.

About Local Heritage Listing

The National Planning Policy Framework (NPPF) requires Local Planning Authorities to adopt suitable policies to protect historic assets. Whilst there is a statutorily designated list of nationally important historic assets, in addition there are also a wealth of non-designated heritage assets in each area which are locally significant and make a positive contribution to their locale.

New Forest District Council does not currently have a local list. The closest thing available for the area is the 'Hampshire Treasures' volume for the district which was instigated as a result of the two "Countryside in 1970" conferences called on the Duke of Edinburgh's initiative in November 1963 and 1965. Hampshire began a pilot survey of 'Treasures' in 1967-68 and subsequently rolled out across the county to produce draft reports. The revision of these draft reports lead to the definitive lists of 'treasures' published by Hampshire County Council between 1979 and 1986. The New Forest volume was published in 1981 and has not been updated since. In addition it also includes buildings which were and have since become nationally listed, and 'Hampshire Treasures' is no longer publicised by Hampshire County Council.

In October 2019 the government announced a now £1,500,000 local heritage campaign to develop and update local lists within a series of pilot areas across the country. <https://questions-statements.parliament.uk/written-statements/detail/2019-10-23/hcws31> The county of Hampshire was awarded a grant to support such projects within the county, although not all Local Planning Authorities within the county chose to participate. Cllrs may be familiar with the current local listing project being run by the New Forest National Park Authority (NFNPA) to update and expand their existing local list. <https://www.newforestnpa.gov.uk/planning/heritage-conservation/buildings-local-interest/>

Members of the Ringwood Design & Heritage team have collaborated with the NFNPA conservation officers running that project and have benefited from the expertise of the conservation officers.

Historic England have published an Advice Note: Local Heritage Listing: Identifying and Conserving Local Heritage (Historic England Advice Note 7 (2nd Edition)), and this sets out advice on how such lists are compiled, updated and provides criteria against which assets can be evaluated. The Neighbourhood Plan team has publicised a process for nominating assets online based on the Advice Note.

THE PROCESS

Invite nominations (Complete)

Nominations are invited from members of the public via the RNP website.

Prepare the draft List of Local Heritage Assets (Substantially Complete)

RNP Design & Heritage team prepare a list of local heritage assets (not already nationally listed) in communication with the RNP Steering Group, making specific reference to the Historic England Criteria. The list is then circulated to RTC for information. This work is already well advanced and the team anticipates approximately 250 list entries. The NFNPA are already aware of 82 of these, which fall within the Parish *and* NFNPA area.

Notify Building owners & publish the *proposed* list (Not Yet Commenced)

RTC uses the list to write to each address, outlining the project & giving notice of the intention to include that asset in the list. The criteria for inclusion of each is included on the letter tailored for

each property. Alternatively, to facilitate more standard letters, this detail could simply be included on the published list. A minimum of 28 days will be allowed for responses.

Receive additional information, comments & objections and reply to consultees accordingly (Not Yet Commenced)

Owners may wish to offer additional information and/or corrections. The Design & Heritage group does not expect RTC to include assets on the local list against the wishes of the owner, other than in exceptional circumstances. e.g. an extremely important building in the core of our town centre. RTC to provide consultation responses to the RNP Design & Heritage team to enable additional information to be included in the list and any updates to be made.

Update the List (Not Yet Commenced)

RNP Design & Heritage team make any necessary updates to the list following consultation.

Adopt the List (Not Yet Commenced)

Include the list of local heritage assets, including supporting assessment against the selection criteria within the Neighbourhood Plan.

Use the List (Not Yet Commenced)

The list will be used by RTC to inform their responses to planning applications & by the planning authorities in responding to pre-application enquiries & determining applications.

Maintain the List (Not Yet Commenced)

Undertake a review of the Ringwood Local List after a period of 5 years, whether or not as part of the Neighbourhood Plan cycle. If outside of the Neighbourhood Plan cycle, RTC will convene a panel to undertake this review. The panel may include Town Councillors and members from other groups such as (though not specifically) the Neighbourhood Plan and Ringwood Society. RTC can at any time repeat the steps above to amend the list, adding, removing or updating entries.

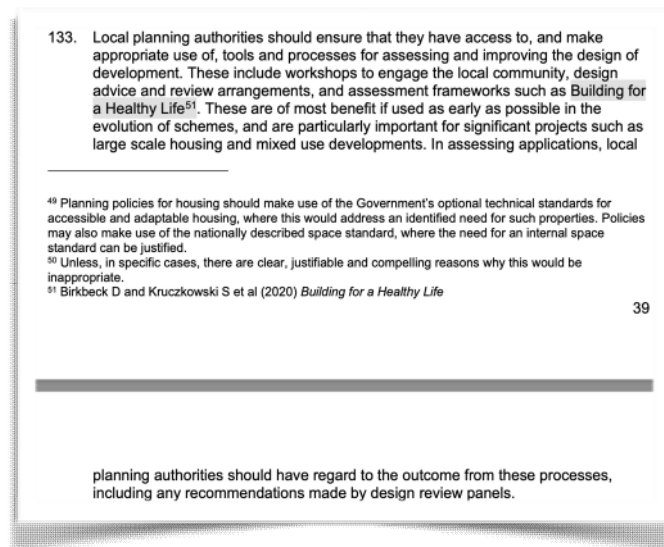

CONSULTATION ON RTC OBLIGATIONS OF PROPOSED RNP DESIGN QUALITY POLICY

Purpose of the report.

To update on the progress of the Design & Heritage team’s proposed policy for assessing design quality of significant applications and seek the opinion of the PTE committee with regard to obligations placed on it by the proposed policy.

The importance of Good Design

Paragraph 133 of the current [NPPF](#) requires planning authorities to make use of design assessment tools although we do not believe NFDC are making use of any published tools or processes.

Paragraph 134 clearly states that ‘development that is not well designed should be refused’.

The Building for A Healthy Life policy

Following an informal review of the Beaumont Park development, the RNP Design & Heritage Team identified shortcomings which they felt could have been designed out if an assessment tool like the [Building for A Healthy Life](#) (BfHL) had been used.

The BfHL tool is a useful framework for understanding how well a proposal performs in relation to 12 clear criteria.

14 INTEGRATED NEIGHBOURHOODS
Natural connections
Walking, cycling and public transport
Facilities and services
Homes for everyone

38 DISTINCTIVE PLACES
Making the most of what's there
A memorable character
Well defined streets and spaces
Easy to find your way around

62 STREETS FOR ALL
Healthy streets
Cycle and car parking
Green and blue infrastructure
Back of pavement, front of home

The RNP D&H team tested the BfHL tool on the [Moortown Lane application 21/11723](#) and found that the development was not well designed. RTC incorporated the team's assessment into its formal response to the application. The subsequent NFDC Landscape officer's response to the application validated the conclusions of the BfHL assessment. As a result, it is proposed that a policy requiring use of the tool is included in the Ringwood Neighbourhood Plan.

PROPOSED POLICY OBLIGATION ON RTC

In order that developers are not allowed to simply 'mark their own homework' it is proposed that RTC undertake their own assessment for major applications (typically developments of more than 10 homes).

For all major applications Ringwood Town Council will convene a panel which will complete a BfHL assessment to be submitted as part of its formal response to the planning authority. The panel will be covered by Ringwood Town Council and may include members from other groups such as (though not necessarily) the Neighbourhood Plan and Ringwood Society.

Of course, there would be nothing to stop use of the panel from being convened for smaller applications when deemed appropriate.

BENEFITS OF USING BfHL TO ASSESS MAJOR APPLICATIONS

Major applications are often complex and difficult to assess, especially in relation to design quality. As mentioned above, design, more so than any other aspect of a scheme such as impact on local infrastructure is a pre-requisite for approval.

- **Ringwood Town Council will be better able to demand that developments in the parish are well designed.**
- **The assessment can form the basis for a structured assessment and response to major applications.**
- **Ringwood Town Council Responses will carry greater weight.**
- **Use of the tool will develop assessment skills and improve responses to other schemes.**

Current Projects Update

Note: Projects marked as "on hold awaiting officer availability" are reviewed fortnightly. Numbers (where given) indicate position in the queue for resumption.

No.	Name	Status	Recent developments	Description and notes	Lead Officer/Member	Financing
Full Council						
FC1	Long Lane Football Facilities Development	In progress (phase 1 works scheduled for completion in 2023)	All of the required funding has now been confirmed and the Football Foundation grant offers have been accepted. The application for the PWLB loan is with DLUHC. Essential pre-commencement planning conditions have been complied with. Work on the artificial turf pitch is on schedule.	A joint venture with Ringwood Town Football Club and AFC Bournemouth Community Sports Trust to improve the football facilities for shared use by them and the community.	Town Clerk	The current expectation is that the Council's contribution to the project will, in effect, be limited to a modest loss of income from the site (but over a long term).
FC2	Strategic Plan	Work resumed in March 2022	The first full draft will be considered at the meeting on 26th October.	Exploring ideas for medium term planning. Aim to have complete for start of budget-planning in Autumn 2022.	Town Clerk	Staff time only
Planning Town & Environment Committee						
PTE1	Neighbourhood Plan	In progress	Work continues on building evidence and drafting policies, with the Plan focussing on 4 themes - Town Centre, Design & Heritage, Environment and Housing.	To prepare a Neighbourhood Plan for the civil parish of Ringwood but limited in scope to a few specified themes.	Deputy Clerk	Budget of £21,500 (£3,800 in 2021/22 budget, £3,000 in General Reserve and £14,700 to be funded by Locality grant)
PTE2	Human Sundial	Complete, with exception of interpretation board	Work to refurbish human sundial and install surrounding benches now complete. Interpretation board with details of sundial, Jubilee lamp etc. to be designed and costed.	Replacement of damaged sundial and surrounding paviers; installation of removable benches to protect it for the future - working with HCC (Principal Designer and Contractor)	Deputy Clerk	£5,295.15 spent from budget of £10,657 to be funded from CIL and contribution of £5,249.15 from Carnival
PTE3	Crow Stream Maintenance	Annual recurrent	Spraying of stream banks undertaken 21/04/2022, annual flail carried out in August and stream clearance carried out on 29th September.	Annual maintenance of Crow Ditch and Stream in order to keep it flowing and alleviate flooding	Deputy Clerk	£1,120 spent to be funded by transfer from earmarked reserve
PTE4	Climate Emergency	In progress	Funds used to support Greening Campaign, community litter-pick and Flood Action Plan leaflets.	Minor funding to support local initiatives.	Cllr Deboos	Budget of £1,000
PTE5	Bus Shelter Agreement	In progress	Response awaited from ClearChannel on the financial complications and on request for use of advertising space.	Request by ClearChannel in Nov. 2020 for RTC to licence the bus shelters in Meeting House Lane and the advertising on them. Completion dependent on clarification of financial issues (VAT treatment and non-domestic rates revaluation).	Town Clerk	No financial implications
PTE6	Shared Space Concept - Thriving Market Place	In progress	Meeting held with NFDC & HCC on 17/10/2022 to consider desires and opportunities in more detail. Further meeting scheduled for 28/11/2022. NFDC preparing a concept plan/visualisation.	Concept for town centre shared space identified through work on the Neighbourhood Plan.	Deputy Town Clerk	
Projects being delivered by others which are monitored by the Deputy Clerk and reported to this committee:						
	A31 widening scheme	In progress	Scheme in progress and due for completion by end November 2022.	Widening of A31 westbound carriageway between Ringwood and Verwood off slip to improve traffic flow; associated town centre improvements utilising HE Designated Funds	Highways England (HE)	HE funded
	SWW Water Main Diversion (associated with A31 widening scheme)	Complete	Bickerley reinstatement works being monitored.	Diversion of water main that runs along the A31 westbound carriageway.	South West Water / Kier	HE funded
	Moortown drainage improvements	In progress		HCC considering a controlled opening of the system in Moortown Lane to alleviate highway flooding	Hampshire CC	Developers contributions
	Pedestrian crossing Castleman Way	On hold	Site does not meet HCC criteria for toucan crossing. Agreed to revisit following promotion of cycle path through Forest Gate Business Park.	Toucan crossing in Castleman Way to improve pedestrian and cycle route between town centre and Moortown	Hampshire CC	Developers contributions
	Crow Lane Footpath	In progress	Developers' contributions paid to HCC to implement. Additional funds required to progress - NFDC Cabinet considering allocating S106 funds on 02/11/2022 - report indicates delivery in 2024/25.	New footpath to link Beaumont Park with Hightown Road, alongside west of Crow Lane	Hampshire CC	Developers contributions
	Surfacing of Castleman Trailway	Complete	Surfacing works completed early April 2022.	Dedication and surfacing of bridleway between old railway bridge eastwards to join existing surfacing	Hampshire CC	Developers contributions
	Railway Corner	In progress	Project supported by RTC.	Project to improve and promote historical significance of triangle of land at junction of Hightown Road and Castleman Way.	Ringwood Society	

Policy & Finance Committee

PF5	Poulner Lakes Lease	On hold	Awaiting track maintenance solution - see Recreation Leisure & Open Spaces Committee item RLOS21.	Negotiating a lease from Ringwood & District Anglers' Association of the part of the site not owned by the Council	Town Clerk	Some provision for legal advice or assistance may be needed eventually.
PF6	Health & Safety Management Support Re-procurement	In progress (commenced mid-2021 and aiming complete actions from initial audit by 31 Dec. 2022)	Worknest appointed. The initial audit report has now been received and officers are dealing with the recommended actions in priority order.	Re-procuring specialist advice and support for discharge of health and safety duties	Town Clerk	Support cost is included in contract for both H&S and employment support and factored into relevant budget. The costs of all control measures needed will be assessed and factored into the next budget round.
PF8	Bickerley legal title	In progress (Commenced Dec 2020. Progress dependent on legal procedures)	The Council has resolved to maintain its objection to the application and this will now be considered by the Tribunal. For legal reasons, only basic information will appear here. Councillors can obtain further details from the Town Clerk if needed.	An application to remove land from the Council's title has been made	Town Clerk	Staff time plus cost of external legal support (one-off budget agreed so far by members)
PF9	Greenways office leases	In progress (Commenced June 2021. Aiming to complete on or before 1st November)	A schedule of condition has been prepared. Dilapidations and other works are being addressed. Legal documents have been settled and sealed in escrow in readiness for completion.	The tenant of the first floor suite has given notice and left. The building is to be re-let as a whole to the tenant of the ground floor suite.	Town Clerk	There will be a temporary loss of rental income and some cost of repairs and re-decorating. These costs are currently being established.
PF10	Councillors' use of email	In progress (Commenced May 2022. Aiming to incorporate agreed plan in budget for 2023-24)	The Council's IT support provider has advised on options. The committee agreed further steps in September.	Researching options and costs for equipping councillors with official email accounts and devices to facilitate compliance with data protection laws.	Town Clerk	The research phase is not expected to cost anything but staff time. Final costs will depend on member decisions yet to be made.

Recreation, Leisure & Open Spaces Committee

RLOS4	Grounds department sheds replacement	In progress (Commenced design work in April 2021. Aiming to establish planning prospects and likely cost by December 2022.)	Initial drawings prepared by Cllr Briers and showing the scale and overall design concept were considered and approved by Carvers Working Party when it met on 4th May. Pre-application planning advice has been received from NFDC and considered. Officers are in discussions with a planning consultant.	A feasibility study into replacing the grounds maintenance team's temporary, dispersed & sub-standard workshop, garaging and storage facilities. Combined with a possible new car park for use by hirers of and visitors to the club-house.	Town Clerk	Revised capital budget of £4,000 (originally £10,000 until virement to RLOS19)
RLOS5	Cemetery development	In progress (Commenced design work in April 2021. Aiming to establish planning prospects and likely cost by December 2022.)	CDS has produced a detailed design which was approved in principle at the committee meeting in September. Funding arrangements were agreed at the Policy & Finance Committee meeting on 21st September.	Planning best use of remaining space, columbarium, etc.	Town Clerk	Capital budget of £25,000 (carried into an earmarked reserve)
RLOS7	Bowling Club lease	In progress (Club renewed request for new lease in Jan 2022. Progress depends on negotiations.)	Draft heads of terms of new lease were considered at the committee meeting on 21st September and guidance given to the Council's representatives for the conduct of further negotiations.	Request by Ringwood Bowling Club for existing lease to be renewed (current lease expires at the end of April 2023 and does not include the site of the proposed new club-house). The lease terms will also be reviewed for suitability to current and future needs.	Town Clerk	Staff time only (unless outside legal assistance is deemed necessary). The rental income will be reviewed as part of the renewal.
RLOS8	Ringwood Youth Club	In progress	Winding-up process and requirements are being researched.	Winding up the redundant CIO to terminate filing requirements	Town Clerk	
RLOS10	Waste bin replacement programme	In progress (Commenced April 2020)	The first 17 bins have been installed. The next batch have been received and will be installed by Christmas.	Three-year programme to replace worn-out litter and dog-waste bins	Grounds Manager	Budget of £2,000 a year.
RLOS12	Van replacement	On hold awaiting officer availability. 1		Replacing the grounds department diesel van with an electric vehicle	Grounds Manager	
RLOS14	Poulner Lakes waste licence	In progress	Surrender requirements are being researched.	Arranging to surrender our redundant waste licence to avoid annual renewal fees	Town Clerk	
RLOS17	New allotments site	In progress (Commenced March 2020, progress dependent on progress of legal formalities with other party)	Decision to proceed agreed. Legal work has been held up by a pending application to Land Registry.	The transfer to this Council (pursuant to a s.106 agreement) of a site for new allotments off Crow Arch Lane	Town Clerk	Staff time only
RLOS18	Cemetery map and registers digitisation	In progress (Commenced September 2020 and proceeding in phases)	All registers have been scanned. A digital map is now live. Options for completing data entry from registers are being researched.	Digitisation of cemetery records to facilitate remote working, greater efficiency and, eventually, direct public access	Town Clerk	Revised capital budget of £5,467 (originally £5,000).

RLOS19	Carvers Strategic Development	In progress (Commenced Feb. 2021)	Landscape designer New Enclosure has been appointed and met with members. A topographic survey has been done.	Devising a strategic vision and plan for the future of Carvers Recreation Ground pulling together proposals for additional play equipment and other features	Carvers Manager	Revised budget of £6,000 (virement from RLOS4).
RLOS21	Poulner Lakes track maintenance	In progress (under discussion since Jan. 2021)	Costs estimates for re-surfacing schemes obtained from two suppliers. NFDC officers have been consulted about related mitigation schemes and possible support.	Devising a sustainable regime for maintaining the access tracks at Poulner Lakes to a more acceptable standard.	Town Clerk	Yet to be settled
RLOS22	Bickerley parking problem	In progress (under discussion since Jan. 2019)	"No Parking" signs have been installed. Replacement timber for "dragon's teeth" has been bought and is being installed progressively. A decorative sign reinforcing the message has also been installed.	Unauthorised parking on the tracks crossing the Bickerley is causing damage and obstruction	Town Clerk	The Council is wholly responsible for the cost of whatever measures are taken including staff time. Six No Parking signs cost £156.72. Estimated cost of decorative sign is £1,244.

Staffing Committee

S3	Re-grading of staff posts	In progress (Commenced May 2022).	The committee agreed a response to the recommendations of the external consultant and officers when it met on 19th October.	A comprehensive review of staff posts to ensure that the pay grades for each are fair	Town Clerk	Consultants fees to be met from general reserve. The changes proposed will affect payroll budgets from 2022-23 onwards.

Full Council

Planning, Town & Environment Committee

Pedestrian Crossings - Christchurch Road	Informal pedestrian crossings to the north and south of roundabout at junction of Christchurch Road with Wellworthy Way (Lidl)	Completed by HCC	
Cycleway signage and improvements	New signage and minor improvements to cycleway between Forest Gate Business Park and Hightown Road	Completed by HCC	
Carvers footpath/cycle-way improvement	Creation of shared use path across Carvers between Southampton Road and Mansfield Road	Completed by HCC	
Replacement Tree - Market Place	New Field Maple tree to replace tree stump in Market Place.	Completed in January 2022 by HCC	

Policy & Finance Committee

PF1	New Council website	Arranging a new website that is more responsive, directly editable by Council staff and compliant with accessibility regulations.	Completed	
PF2	Greenways planning permission	Consideration of applying to renew planning permission for bungalow in garden previously obtained	Decided not to renew	
PF3	Detached youth outreach work	To provide youth workers for trial of detached outreach work	Transferred to Recreation Leisure & Open Spaces Committee (see RLOS20)	
PF4	Review of governance documents	A major overhaul of standing orders, financial regulations, committee terms of reference, delegated powers, etc. Routine periodic reviews will follow completion of this work.	Completed in July 2022	All governance documents will now receive routine annual reviews.
PF7	Financial Procedures Manual	Preparation of a new manual for budget managers and other staff detailing financial roles, responsibilities and procedures	Completed in September 2022	Will be updated by Finance Manager as necessary

Recreation, Leisure & Open Spaces Committee

RLOS1	War Memorial Repair	Repair by conservation specialists with Listed Building Consent with a re-dedication ceremony after.	Completed in 2021-22	
RLOS2	Bickerley Tracks Repair	Enhanced repair of tracks to address erosion and potholes (resurfacing is ruled out by town green status) and measures to control parking.	Fresh gravel laid in 2021-22.	No structural change is feasible at present.
RLOS3	Public open spaces security	Review of public open spaces managed by the Council and implementation of measures to protect the highest priority sites from unauthorised encampments and incursions by vehicles	Completed in 2021-22	
RLOS6	Community Allotment	Special arrangement needed for community growing area at Southampton Road	Ongoing processes adapted	Agreed to adopt as informal joint venture with the tenants' association
RLOS9	Aerator Repair	Major overhaul to extend life of this much-used attachment	Completed in 2021-22	
RLOS11	Ash Grove fence repair	Replacing the worn-out fence around the play area	Completed in 2021-22	
RLOS13	Bickerley compensation claim	Statutory compensation claim for access and damage caused by drainage works	Completed March 2022	Settlement achieved with professional advice
RLOS15	Acorn bench at Friday's Cross	Arranging the re-painting of this bespoke art-work	Completed in 2021-22	Labour kindly supplied by Men's Shed
RLOS16	Town Safe	Possible re-paint of this important survival, part of a listed structure	Suspended indefinitely in September 2022	Complexity and cost judged disproportionate to benefit
RLOS20	Detached youth outreach work	Trialling the provision of detached outreach work by specialist youth workers.	Completed in May 2022	

Staffing Committee

S1	HR support contract renewal	Renewal of contract for the supply to the Council of specialist human resources law and management support	Completed in 2021-22	
S2	Finance Staffing Review	Reassessing staffing requirements and capacity for finance functions and re-negotiating staff terms	Completed in 2021-22
