This meeting will be held via Zoom and the joining details are set out below.

The Council remains committed to transparency in its decision-making processes and members of the press or public who would like to participate or simply observe the meeting are welcome to join the meeting using the same joining details.

4. Queen's Jubilee Celebrations

Event Management Report submitted before the sub-event committee meeting (**see Annex A**).

Event Management Plan and Risk Assessment for the Lighting of the Beacon event on 2nd June, submitted to the committee to approve (**see Annex B & C**).

The Event Manager went through details for the Lighting of the Beacon event on 2nd June. She informed the group that herself and Cllr Day went for a site visit to the church and advised that there was a lot of detail to take into consideration, hence the need for the plan and risk assessment.

Key points agreed:

- Scaffolding to be assembled to clamp the beacon into place. The Event Manger will ask the scaffolding company to carry equipment needed up to the location of the Beacon and will request that that grounds team assemble the equipment prior to this.
- There is a need for two fire marshals to attend when the Beacon is lit and for an hour after this. The Event Manager requested assistance from Event Sub-Committee members to find suitable fire marshals. *Action agreed below.*

The Event Manager highlighted the need for the current Mayor to narrate at the event, welcoming people and introducing the Piper/Bugler/Choir etc.

The Event Manager asked the committee if they thought there was a need to write to residents in the area detailing the event to avoid minimal traffic and car movement in the area. *Action agreed below.*

The Event Manager will liaise with the Grounds Team for the benches and bike racks to be removed from Market Place and put metal barriers out on the day before the event (Wed 1st June).

The Event Sub-Committee approved the event plan and risk assessment for the Lightening of the Beacon Event.

The Event Manager moved on to discussions regarding the second Jubilee event – **Party in the Park on Sunday 5th June.**

Highlighted that there will be an online programme available for this event that will be accessed via a QR code at the gate. There was a request for someone to write some introduction text for this. *Action agreed below.*

With regards to marketing for the event, the Event Manager confirmed that The Furlong Shopping Centre have agreed that a banner can be installed on the fence by Waitrose. It was agreed by sub- committee members to take up this offer with a celebration banner, directing them to the events page on the website for more info, using similar design to poster already created. *Action agreed below.*

Sub-committee members also agreed that there was a need to purchase a full-page advert for Party in the Park in the next edition of the Ringwood & Fordingbridge news using the poster artwork already created. *Action agreed below.*

The Event Manager highlighted that a Compere was needed for this event and future events in Ringwood. The ideal scenario would be to have a bank of compares available to call upon. *Action agreed below.*

Also looking to obtain historical images of Ringwood to showcase “Seven Decades of Ringwood” on the big screen. *Action agreed below.*

Following the Community Meeting for the event, Ringwood 3rd Scouts approached the Event Manager to have a small gazebo on site with a fire pit and cooking base. They also wanted a small static display to showcase Scouting memorabilia. After a short discussion it was agreed, taking into consideration fire safety issues, that the best place for this activity could perhaps be in the same area as the Punch & Judy tent when they have finished their shows. There will also a Tug of War competition between local schools being organised by Adam Skirton of Poulner Baptist Church.

Discussions also took place with regards to having a conversation with voluntary organisations – Rotary Club of Ringwood, Ringwood Men’s Shed and Ringwood Carnival to state that the Jubilee event is non-profit making so there will be no donations available to the organisations. Thought it would be best to have this conversation before the event.

The Event Manager asked the group if anyone was willing to run a Pimms Stall at the event, as this is usually organised and run by Councillors. *Action agreed below.*

The Event Manager asked for an update on Sponsorship for the event. *Action agreed below.*

The Event Manager to deal with Bins for site and First Aid. Currently no response from St Johns Ambulance. *Action agreed below.*

“Reusable Glass Process at Events” report submitted to committee (Annex D). The event manager went through the report and process for this.

Key points made:

- All returned glasses should be kept in a secure area.
- Good opportunity to make profit on this for re-investment into the scheme and great to be able to show the environmental impact from initiatives like this.
- As we want people to return the glasses it was suggested that the return point/deposits back area should be by the bar rather than at the exit gate.
- The Event Manager has approached the Town Clerk and Finance Manager to request a float so the deposits back process is smooth.
- It was noted that the sponsor company for this scheme should receive some good recognition for this at the event and in the lead up.

The final item discussed on this Agenda Item was donations on the gate. Cllr Frederick suggested that we do not advertise a suggested donation amount and leave it opened ended in the hope that people are more generous. If asked the suggested amount is £2 per adult.

It was highlighted that 50% of donations will go towards event running costs and 50% goes to selected charities. *Action agreed below.*
