He updated Members on the Moortown Lane planning applications and thanked all those who had been involved in putting together a further submission to NFDC and who had spoken at the NFDC Planning Committee on 11<sup>th</sup> September. The applications had been deferred and officers were directed to talk to the Town Council about its objections and HCC about the access. He, together with Cllrs G and M DeBoos and the Deputy Town Clerk, had since attended a meeting with NFDC and the applicant and details would be reported to PT&E Committee on 4<sup>th</sup> October. The application was likely to be reconsidered by NFDC Planning Committee on 13<sup>th</sup> November.

30<sup>th</sup> September (*F/6341 refers*) (*Annex A*). The auditor, BDO, had made a comment about appointment of the internal auditor; this will be brought before members prior to future appointment.

Members congratulated officers on an excellent report.

**RESOLVED:** That the external audit report be received and noted, and that the Notice of Conclusion of Audit be published by 30<sup>th</sup> September 2024.

**C/7216**  
**SAFER NEW FOREST SURVEY RESPONSE**

Members considered the Town Clerk's draft response to the Safer New Forest consultation (*Annex B*).

**RESOLVED:** That the draft response be approved for submission to New Forest District Council.

**C/7217**  
**STRATEGY REVIEW**

Members considered the Town Clerk's report regarding a review of the previously agreed Council Strategy (*Annex C*).

The Town Clerk said there is a need to give further thought to strategic priorities to ensure resources are directed to the most important issues, and that resources for each project are considered. It should also be agreed when and how it should be reviewed and kept up to date in future.

It was noted that some projects had slipped from 2023/24 to 2024/25, so timing issues need to be addressed.

Due to the successful bid for funding to deliver part of the Carvers Masterplan, and other ongoing projects, officers are currently stretched. Members would therefore need to review timescales or look at the possibility of additional staff to deliver projects within the agreed timescale.

It was suggested and agreed that a special meeting should be held prior to Full Council in October to enable this discussion.

**RESOLVED:** That a special Council meeting be convened at 6.00pm on 30<sup>th</sup> October 2024 to review the Strategy and consider what can be delivered in what timescale and the associated resource implications.

**C/7218**  
**SPORTS DEVELOPMENT PROJECT AT LONG LANE**

The Town Clerk reported that the pavilion had been completed and handed over, and both AFC Bournemouth Community Sports Trust and Ringwood Football Club were now operating from the building. There were some further works to be carried out, including demolition of the old pavilion, tidying up the car park and fencing of the allotment site. A formal open day was expected to be held on 1<sup>st</sup> November, and all members would be invited.

**RESOLVED:** That the Town Clerk's verbal report be noted.

## **C/7219**

### **COMMUNICATIONS TO BE RECEIVED**

The Town Mayor reported the following:

## **C/7220**

### **REPORTS FROM COUNTY AND DISTRICT COUNCILLORS**

County and District Councillor Thierry reported that HCC had issued a consultation on local cycling and walking plans for New Forest – this would be considered by PT&E Committee on 4<sup>th</sup> October and includes specific proposals for Ringwood. NFDC was proposing an increase in car parking clock charges; short stay from £40 to £45; long stay annual from £220 to £230; and quarterly from £65 to £70.

District Cllr Heron, when asked about the justification for an above inflation increase to parking charges, reported that the charges are still significantly behind other car parks locally and income is well below operating costs.

He reported that Cabinet on 2<sup>nd</sup> October would be considering an update to the waste programme; revised Local Development Scheme and Statement of Community Involvement (as a start to work on a new Local Plan); nationally significant infrastructure projects; Medium Term Financial Plan (forecasting a loss of 1.7 million in 2028/09, which would be a significant hole to fill); and allocation of CIL funds. He said it was proposed to allocate 4.5 million to the Thriving Market Place project. **CORRECTION:** The proposal to be considered is the allocation of a total of 4.5 million to 5 projects, one of which is the Thriving Market Place.

District Cllr Rippon-Swaine had submitted a written report (*Annex D*).

## **C/7221**

### **REPORTS FROM TOWN COUNCILLORS**

Cllr Day echoed the Mayor's comments on Carnival. He congratulated all involved in organising the recent Family Fun Day at Carvers. He had welcomed the new vicar, Reverend Stephen Miles, who is looking forward to working with the Town Council, particularly on events around the church.

Cllr Swyer was delighted to have been on the judging panel for Carnival.

Cllr Turner reported that she had been looking at some issues in her capacity as Tree Warden, including the recently removed stump at Crow Hill Top.

Cllr Windsor gave details of a new group formed for regular riders at Carvers skate park – Ringwood Riders – they currently had 27 members aged from 6 to 17 with the aim of learning new skills, making friends, having fun and creating a safe environment. This was already making a difference at Carvers. On a different matter, she expressed concern about a noticeable increase in drug activity in the Hightown Road area, and was advised to bring this to the attention of the local Police Inspector.

Cllr Thierry, together with Cllr Day, would be attending the funeral of a previous Town Clerk, Clive Fawn.

Cllr Georgiou had seen a reduction in the number of criminal incidents in her area.

Cllr M DeBoos reported that Ringwood School was looking for participants to talk to Year 7 students at Citizenship Day on 15<sup>th</sup> October. She and Cllr Frederick would be talking to Year 9 students on 4<sup>th</sup> October to explain how the Council works, and the School was also looking to programme a meeting with years 12 and 13 each term to discuss specific topics. She had been delighted to present trophies at Carnival and to see the wonderful reactions from winners.

Cllr G DeBoos extended thanks to Reverend Terry Roberts for all the work he had done before appointment of the new vicar.

# Section 3 – External Auditor’s Report and Certificate 2023/24

In respect of

EN Ringwood Town Council TY

## 1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02 as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/> .

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2024; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

## 2 External auditor’s limited assurance opinion 2023/24

On the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return, in our opinion the information in Sections 1 and 2 of the Annual Governance and Accountability Return is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

(continue on a separate sheet if required)

Other matters not affecting our opinion which we draw to the attention of the authority:

The council have provided minutes resolving to re-appoint the internal auditor, but the minutes do not indicate whether the independence of the internal auditor has been considered, which is not in line with best practice contained in the practitioners' guide.

(continue on a separate sheet if required)

## 3 External auditor certificate 2023/24

We certify that we have completed our review of Sections 1 and 2 of the Annual Governance and Accountability Return, and discharged our responsibilities under the Local Audit and Accountability Act 2014, for the year ended 31 March 2024.

**TOWN COUNCIL****25<sup>th</sup> September 2024****Safer New Forest survey**1. Introduction and reason for report

- 1.1 This council has been invited to respond to the annual Safer New Forest Survey by the end of the month. Responses to the survey questions need to be agreed.

2. Background information and options

- 2.1 As in previous years, the three questions asked are:

- What is going well in your town/parish? (*i.e. partnership working, community engagement, voluntary services*)
- What (if any) are your concerns for your town/parish regarding crime and anti-social behaviour?
- If you have outlined concerns within question 2, what would improve your area? (*town and parish, partnership working, other services*)

- 2.2 Draft responses are attached as Annexe 1. Members are invited to consider adding to, altering or deleting these.

3. Issues for decision and any recommendations

**Members are requested to agree responses to the survey questions.**

## Annexe 1 – Draft survey response

1. What is going well in your town/parish?  
(*i.e. partnership working, community engagement, voluntary services*)

We have a good relationship with our local Police Inspector who reports to the Town Council every quarter. We are pleased to see the police surgeries taking place at the tabletop area in Waitrose and hope that residents will come along and chat to them.

We also have a close network of community groups in the town which harness volunteer labour and other resources for community benefit. Their work to support local families through the cost of living crisis and enhance our public spaces is probably helping to discourage some anti-social behaviour.

2. What (if any) are your concerns for your town/parish regarding crime and anti-social behaviour?

Part of our Parish is rural, part is town, each with differing problems. Anti-social behaviour continues to cause concern within the town and appears to be driven in part by a relative lack of facilities for more constructive activity.

A continuing public perception that reporting crime is difficult and pointless is probably leading to under-reporting and distortions in the allocation of resources.

There is a perception that shoplifting is an increasing issue, not only from the main supermarkets in the Town Centre but from other smaller, independent outlets.

3. If you have outlined concerns within question 2, what would improve your area?  
(*town and parish, partnership working, other services*)

A sharper focus on allocating available financial support to the provision of enhanced recreational resources (for example, to the improvements identified and costed in our Masterplan for Carvers Recreation Ground which were derived from extensive public consultation and input from a wide variety of user groups and balance their varying needs and desires).

A fully manned Police Station in Ringwood would meet the needs of the many residents (both in Ringwood and the surrounding areas within a relatively short travelling distance) who are not able to report on-line and have stated that being able to speak to a Police Officer in person of their worries about crime and anti-social behaviour would make them feel safer within the community.”

We welcome recent initiatives to target shoplifters including the deployment of plain-clothes officers and the posting of CCTV images on social media. However, we consider that a greater pro-active approach would be beneficial, not least an increased presence of uniformed officers in the Town Centre to act as a deterrent (and to assist and support the retailers when incidents occur).

**TOWN COUNCIL****25<sup>th</sup> September 2024****Council Strategy review**1. Introduction and reason for report

- 1.1 This council has adopted a strategy to identify its priorities and ensure that resources are focussed on these. It is important that this document be kept up to date and therefore reviewed regularly and updated as necessary.

2. Background information and options

- 2.1 The current version of the strategy is attached as Annexe 1. It was adopted on 27<sup>th</sup> September 2023.

3. Issues for decision and any recommendations

- 3.1 Members are requested to review the current strategy and agree any changes thought necessary.**
