Developer: Lindens Homes (now part of Vistry)

We had a complaint that the footpath at the junction where the Castleman Trail meets Crow Lane had become unsafe for members of the public to use. I reported this to the Developer who, in liaison with Hampshire County Council, have made this safe as a matter of priority. A temporary repair has been carried out until the formal works under the highways licence are agreed and constructed.

The outstanding issues with regards to the public footpaths/cycle routes across and linking in to the site are being progressed by the Planner in liaison with the Developer and Hampshire County Council.

The care home continues construction and is now at ground level.

Discussion is still ongoing regarding the remaining issues on site. Some are time-controlled. The inspection of the trees can be carried out shortly, for instance, when they come into leaf.

The Developer is still responsible for the maintenance of the development currently, alongside the housing association.

Monitoring of this site by the Site Monitoring Officer or the Open Spaces Officer will continue in the short and medium term.
