There were three members of the public present.

One resident spoke in relation to previous agreement by the Office of The Police & Crime Commissioner of Hampshire to look hard at the prospect of a physical police presence in Ringwood. He referred to the PCC’s recent announcement on the reopening of several police stations, for that purpose, however Ringwood is not included. He requested that the Council maintain pressure on the police, when the opportunity arises, for this to happen.

It was noted that the Police are due to be represented at the Council meeting on 25<sup>th</sup> October 2023 and Members would take that opportunity to raise the matter with them.

GRANT AID**

The Finance Manager made a correction to the front sheet of *Annex A* as the available budget for Grant Aid for 2023/24 is £5,000.

*Cllr Georgiou joined the meeting at 7:07pm.*

Members received presentations from representatives of Ringwood Junior School PTA and Ringwood Rotary Club in respect of their Grant Aid requests and considered all four applications received for this bi-annual agenda item. A discussion followed and Members agreed awards for Ringwood Rotary Club, Avon Valley Concerts and Ringwood Junior School PTA.

Whilst recognising that New Forest Disability Information Service is a very valuable service, from the accounts provided, it can be seen that the organisation is not cash poor and has numerous other sources of funding. The Committee agreed to make no award given the Council's financial constraints.

**RESOLVED:** 1) That, in exercise of the Power of General Competence, a grant of £250 be awarded to Avon Valley Concerts to assist in presenting a series of classical concerts;  
2) That no award be made to New Forest Disability Information Service;  
3) That, in exercise of the Power of General Competence, a grant of £250 be awarded to Ringwood Rotary Club for Christmas Eve festivities in Market Place; and  
4) That, in exercise of the Power of General Competence, a grant of £2,000 be awarded to Ringwood Junior School PTA to improve the school's wildlife pond and surrounding area.

<b>ACTION A Greenfield</b>
----------------------------

*With the agreement of Members agenda item 7. was brought forward.*

**F/6222  
BICKERLEY LAND DISPUTE**

*Cllr Day declared a disclosable pecuniary interest as Lacey's Solicitors acted for the Council in the matter and he is a partner in the firm. He indicated that until it was determined, he relied on updates from the Town Clerk and had no involvement with professional colleagues.*

The Town Clerk explained why he was giving the report verbally and no written report was produced with the agenda. Some aspects of the matter especially the issue of costs had only been resolved in the last few days and any written report would have been incomplete, whereas what he was able to say at the meeting was a complete account of the matter and he assured the Committee that the minutes would capture all of the relevant information, ensuring full transparency and public accountability.

Summary

It was early in 2020, the Council was first informed that an application had been made to the Land Registry to remove some land from the Town Council's registered title to the Bickerley. The land in question is a narrow strip on the northern edge of the common. The matter was reported to the Council at the time and after due debate the Council resolved the application should be resisted.

--

### Proceedings

The Town Clerk arranged to instruct solicitors and then a barrister to advise and represent the Council in the matter. Negotiations proceeded with a view to trying to settle the matter amicably, if possible. Unfortunately, that did not prove possible, and with the failure of those attempts, the Land Registry then referred the dispute to the First-tier Tribunal. The litigation then proceeded in the usual way; mutual disclosure of documents, exchange of witness statements, gathering and exchange of expert evidence. This process took many months. It proceeded to a site visit by the judge in July, with representatives of the parties present, and then the following day, an all-day hearing took place remotely, via video conference.

### Outcome

The decision was reserved by the judge. He did not announce his decision on the day and then there was, owing to an administrative error of the tribunal, some unfortunate slight delay in the communication of his judgment. In late August, the decision was announced, the judge found in favour of the Council and the tribunal ordered the Land Registry to cancel the application. The Land Registry have since confirmed they have done so and the title remains as it has always stood.

### Financial aspects

The Tribunal, in addition to the order disposing of the application, also included a paragraph to the effect that it was assumed costs would follow the event and the tribunal invited submissions from the parties, as to the appropriate framing of the order. In effect, this was an invitation to the parties to agree what contribution the applicant would make to this Council's costs. Failing agreement, the tribunal would order assessment, a formal process, which might be summary or detailed. The time scale given to reach an agreement and make a formal proposal to the tribunal, as to the order they were to make, was very tight. The Town Clerk discussed with the lawyers what those costs would be.

According to the detailed records kept, the total costs that this Council has incurred in this matter are:- Solicitors fees £32,200, Counsels fees £9,175 and other fees (Land Registry and expert fees) £1,674. The Total being £43,049. (All figures quoted are excluding VAT)

The Town Clerk sought advice from the solicitors as to the appropriate way of dealing with negotiations over costs and there was some communication with Cllr Day, to make use of his experience and knowledge, as now there was no real question of conflicting personal interest. However, he felt it would still be more appropriate for him to stand apart and not have a role, even at this stage. Then followed some rushed negotiations, due to the deadline set by the tribunal, with proposals and counterproposals. This eventually resulted in the applicant offering to pay £28,000, by way of contribution to the Council's expenses, on condition that it would be paid within 7 days.

The lawyers advised acceptance and the Finance Manager was consulted. The Town Clerk felt the only sensible course was to accept the offer. He would have ideally preferred to bring it to this Committee and have the decision made by members, but a decision had to be made. He explained that the lawyers advised acceptance, it assured the Council of rapid receipt of the money, rejecting the offer would mean more delay and more cost, with no assurance that this would actually achieve a better outcome. The Town Clerk felt this matter had taken up enough time and attention and he believed the Council would prefer his efforts be spent on projects of the Councils direction, rather than this issue which had been forced upon it. In view of this, he authorised the lawyers to accept the offer and the money has been paid. The net cost to the Council therefore is £15,049.

### Practicalities

The Council's title remains unchanged and the land remains in secure public ownership and open to public access. It also remains part of the registered town or village green.

The question of maintenance will need to be addressed as a neighbour has kindly kept the land tidy and he will be consulted to see if he wishes to continue doing so or if he would prefer that the council assume its responsibilities.

The land has some electrical infrastructure on it, a double pole, a pole mounted transformer and an oversailing cable for which wayleave payments are due. They are nominal amounts, but the Council ought to have them and they haven't been claimed in the past. The applicant had kept claiming them. It would now be appropriate to register with the electricity company to make sure that those payments are received in future.

Members agreed thanks be tendered and appreciation shown to the lawyers involved in the case. They have served the Council well and achieved a good result in a matter that was not of its choosing, and this should be communicated to them.

Cllr Thierry requested a full written report to be prepared for Full Council, due to the seriousness of this action and for the benefit of Councillors not present. It was noted that the tribunal's judgement is a publicly available document, the minutes would provide a full account of the Town Clerk's verbal report and the audio recording of the meeting is available on request. The Town Clerk indicated that in his view the public interest would be in the financial detail, rather than the minutia of the judgement and he would prepare a report for a future Council meeting along with the relevant documents if that was what the Council required of him.

The Town Clerk said there had been no indication of an appeal, the deadline for appeal had passed and, in his opinion, the judgment was especially closely reasoned, it would be very hard to attack the chain of reasoning that led to the judge's decision.

The Committee and a member of the public wished to extend thanks to the Town Clerk for all his hard work which deserved acknowledgement.

**RESOLVED:** 1) That the verbal report from the Town Clerk on the outcome of the litigation be received.  
2) That the Town Clerk prepare a report and present to a future Full Council meeting, in consultation with the Town Mayor.

### **FINANCIAL REPORTS**

Members considered the financial reports presented as *Annex B*. The Finance Manager provided details of payments, in excess of £1,000, from the Imprest account for July and August.

*Cllr Thierry declared a disclosable pecuniary interest in relation to transaction 3854, 3857 3953, 3954.*

In respect of the bank balances, the Finance Manager reported a balance for the end of August in the region of £1,250,000. Large transactions were expected, the second installment of the precept was due at the end of the month and the VAT return mid-way through October. However, due to the staged payment due for the football development

--

project and September payroll, he asked for approval to draw down £100,000 from the investment account. He anticipated being in a position by the end of the month to pay £250,000 back into the account.

The budget position is summarised in the report, paragraph 2.8, and highlighted the main variances with under recovery of cemetery income being offset by higher interest received from CCLA investment account. Expenditure is tracking close to budget. Point 5.3 was considered later in the meeting (*F/6224 refers*).

- RESOLVED:**
- 1) That the list of payments made from the Imprest Account for July and August be received and authorised;
  - 2) That the total amount of Petty Cash payments for July of £59.55 (transaction 3888) and August of £30.40 (transaction 3993) be noted;
  - 3) That the Statement of Town Council Balances be received and Inter Account Transfers report be authorised; and
  - 4) That the Finance Manager's budgetary control report be received and the budget position and balance of reserves be noted.

#### **BANK DIRECT DEBITS AND STANDING ORDERS**

The Finance Manager introduced his report (*Annex C*) which provides information on regular payments made from the Council's bank account by standing order or direct debit and the control measures in place.

He highlighted an issue with total (and individual) credit limits being insufficient for the Council's credit cards, as detailed in section 3 of his report. Members agreed that he approach the bank with regard to increasing the limit.

- RESOLVED:**
- 1) That continued use of Standing Orders and Direct Debits listed in the Finance Manager's report be approved;
  - 2) That arrangements for the use of CHAPS payments continue as present, requiring pre-authorisation by two members;
  - 3) That the use of BACS to transfer funds of more than £50,000 continues as present, requiring pre-authorisation by two members; and
  - 4) That the Finance Manager approach the bank for an increase in the overall credit limit on credit cards be increased to £10,000 per month.

**F/6226**

**FINANCIAL RISK ASSESSMENT**

The Finance Manager had undertaken the annual risk assessment. Policy statements and management arrangements had been reviewed and he presented his report (*Annex E*). There were a number of minor amendments.

He highlighted changes to page 2 under 'Capital projects', where probability was medium and impact high, due to the large amounts involved in projects of this nature, and 'Reduction / Loss of income', where probability was considered high with medium impact, due to the fine tuning of the Council's budget and reliance on achieving income targets.

**RECOMMENDED:** That the Financial Risk Assessment (*Annex E*) be noted.

**ACTION C Wilkins**

**F/6227**

**EXTERNAL AUDIT 2022/23**

The Finance Manager reported that the external auditor had raised a number of questions. All of these had been responded to and the final report was awaited. The item will appear on the Council agenda for the meeting on 27<sup>th</sup> September in anticipation of this and, in order to comply with the Council's statutory requirements to publish the report by the end of September.

**RESOLVED:** That this item be deferred to be considered as part of the Council agenda at its meeting on 27<sup>th</sup> September 2023.

**ACTION C Wilkins**

**F/6228**

**EVENTS MANAGEMENT**

The Town Clerk indicated there were two recommendations to consider from the Recreation, Leisure and Open Spaces Committee on 6<sup>th</sup> September 2023.

Events reserve (*OS/6277 refers*)

An Events Reserve already exists and the balance at the start of the year was £811. The recommendation was for any surplus from events to build up and be maintained and ringfenced for events. When it reaches £5,000, the use of any surplus is to be considered annually. The income and expenditure for events is charged to and against event budget codes and it was explained the net amount is transferred to or from the earmarked reserve at the end of the year.

Re-procurement of Christmas Lights (2024 onwards)

This will be open to tender and NFDC officers are assisting with the process. The Task and Finish Group have been working on a detailed business case, design criteria and advice for tenderers. The contract length is 3 years (with a 2-year option to extend). It is recommended there is a set budget of £22,000 for the first year of the contract and the same, plus any allowance for inflation in line with increases in the Consumer Prices Index (capped at 10% per annum), in each subsequent year. It was intended to share the inflationary risk with the

contractor to avoid getting proposals that were modest or dampened down and so they did not overcommit themselves in subsequent years.

- RESOLVED:** 1) That the Events Reserve be allowed to build up and ringfenced for events, the aim being for it to accumulate to £5,000. The use of any funds exceeding this amount are to be considered annually following consideration by the Events sub-committee (*OS/6277 refers*).
- 2) That the budget for re-procurement of the Christmas Lights, as set out above and in the business case and electronic invitation to tender documents be approved (*OS/6278 refers*).

**F/6229**

**COMMUNITY INFRASTRUCTURE LEVY (CIL) RECEIPTS**

Members considered the Finance Manger's report on application of CIL receipts (*Annex F*) and noted the amount of uncommitted funds.

**RESOLVED:** That the current position in respect of CIL funding be noted.

**F/6230**

**REVALUATION OF COUNCIL BUILDINGS FOR INSURANCE PURPOSES**

The Town Clerk presented his report (*Annex G*). This was an unfortunate misunderstanding where the valuer had undertaken additional work without express agreement on the amount of the additional fee. He explained the work would be required in any event, as recommended by the Council's insurers', however there was no budget currently to cover the additional cost.

**RESOLVED:** That the additional valuation fee be approved up to £1,000, subject to the Town Clerk's discretion and negotiations with the valuer, to achieve a reduction in fees, given the circumstances.

**F/6231**

**ANNUAL REVIEW OF STANDING ORDERS AS TO MEETINGS**

The Town Clerk indicated Standing Orders are reviewed annually and there were no changes proposed by officers on this occasion.

**RESOLVED:** That the current Standing Orders (*Annex H*) be approved.

**F/6232**

**PROJECTS (current and proposed)**

PF10 Councillor's use of email

The Town Clerk reported the Council email accounts for members had been rolled out and work was in hand to resolve final issues. The Town Clerk extended thanks to the Council's IT support for helping officers and Members set up devices to their individual requirements.

**RESOLVED:** That the update in respect of projects (*Annex i*) be noted.

*There being no further business, the Chairman closed the meeting at 9:00pm.*

Dear Councillors

### **RINGWOOD PARISH COUNCIL - ANNUAL COMMUNITY GRANTS 2023-2024**

First, thank you very much indeed for the grant awarded at the end of the last financial year. It has been put to very good use in supporting disabled people and their carers.

The last five months have seen big changes at New Forest Disability with a new Chief Executive, Dr Heidi Harrison. Heidi is committed to the charity's mission of empowering people living with disabilities in the New Forest, to enable them to lead active and fulfilling lives, integrated in society. To this end we have continued to seek new projects to respond to identified gaps in services, and to secure funding to continue our established services.

In the last five months we have:

1. Secured funding from Awards for All to establish a Carers' Hub. We recognised that many of our clients have unpaid carers supporting them, and these, in turn, also need advice, information and support.
2. Increased our stock of mobility equipment and daily living aids and this income helps to support the charity, as well as helping to support someone's independence and increase or maintain their mobility.
3. Achieved Disability Confident Leader (Level 3) accreditation.

Our Just Got Home and Independence Matters services support patients discharged out of Lymington hospital with the transition home, and in the following weeks, and includes applying for Disabled Facilities Grants for eligible clients. Through our links with NFDCs Housing Team, we can support applications to the Parity Trust, which offers low-cost loans for essential home repairs, such as a new chimney, windows etc. This addresses the issue of many in our community who are house-rich but cash-poor. The payments can even be made from someone's estate if they do not wish to take up a loan.

Our Advice Pop-ups continue monthly across the New Forest, and we are always open to requests to deliver these in new venues. In the past 12 months we have supported 129 residents of Ringwood and surrounding area (95 in Ringwood).

Through the National Lottery we have been able to expand our service offer to disability-related benefits clients with support for the most vulnerable at Work Capability Assessments and Tribunal hearings.

We offer training on Disability Awareness, which can increase access for people with disabilities, whilst also helping shops and venues of any size to increase their access to the "Purple Pound" - the collective spending power of disabled people and their families. (According to the organisation Purple, 75% of disabled people and their families have left a shop or website because of poor customer service and/or accessibility issues. Often these can be easily addressed.

We offer talks to groups and clubs for a reasonable fee.

Every year we support at least 2,000 New Forest residents.

New Forest Disability isn't a large charity. We only have 2 full-time members of staff and 7 part-time. We are also ably supported by a wonderful team of over 20 volunteers, who bring a wealth of experience to the organisation. We offer volunteering and work experience opportunities and provide the appropriate support for everyone, according to their disability/long term health condition, so we demonstrate our mission statement through everything we do.

We work hard to secure funding for specific projects where gaps in services have been identified, and part of this funding is ring-fenced to contribute towards our general overheads; however as with every charity, there is an on-going challenge to secure sufficient funds to meet our full costs. This is one of the reasons why we appeal to councils for a generic contribution to support the charity as a whole.

We are aware that there are multiple demands on Parish Councils' funds but hope you will agree that New Forest Disability continues to punch above its weight for such a small charity and consider it deserving of a financial contribution.

Thank you for your consideration of our application, and any financial contribution you might decide to award this year.

Yours faithfully

## New Forest Disability Information Service known as

## New Forest Disability

### Notes to the Financial Statements for the Year Ended 31 March 2022

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably.

#### Deferred income

Deferred income represents amounts received for future periods and is released to incoming resources in the period for which, it has been received. Such income is only deferred when:

- The donor specifies that the grant or donation must only be used in future accounting periods; or - The donor has imposed conditions which must be met before the charity has unconditional entitlement.

#### Investment income

Investment income is recognised on a receivable basis.

#### Expenditure

All expenditure is recognised as soon as there is a legal or constructive obligation committing the charity to the expenditure. All expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all costs related to the category.

#### Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

#### Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees's meetings and reimbursed expenses.

#### Government grants

Government grants are recognised on the accrual model and are measured at the fair value of the asset received or receivable. Grants are classified as relating either to revenue or to assets. Grants relating to revenue are recognised as income over the period in which the related costs are recognised. Grants relating to assets are recognised over the expected useful life of the asset. Where part of a grant relating to an asset is deferred, it is recognised as deferred income.

#### Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

**REPORT TO POLICY & FINANCE COMMITTEE – 20<sup>th</sup> September 2023**  
**BUDGETARY CONTROL Period 5 – April to August 2023**

**1. BACKGROUND**

- 1.1 The purpose of this report is to provide Members with a budget monitoring report for the first five months of 2023-24. A revised budget for the year is being prepared but ,as previously reported, the currently approved budget for the year may be summarised as follows:

	£
Revenue Expenditure	868,217
Capital Expenditure	781,000
Plus transfers to earmarked reserves	33,600
Less Revenue Income	-288,311
Less Capital Income (grants)	-641,170
Less transfers from earmarked reserves	<u>-142,810</u>
<b>Net budget requirement</b>	<b>610,524</b>
Funded by:	
Council Tax	610,429
Plus transfer from the General Reserve	<u>95</u>
	<b>610,524</b>

- 1.2 At the start of the year the Town Council held reserves of £634,461 including rent & key deposits. The budget includes provision to add funds of £33,600 in accordance with the reserves policy. However, there are some remaining commitments to fund schemes approved in earlier years that have slipped into the current year and these are expected to deplete reserves by some £11,000. These plans will also see a further reduction in reserves of £142,905 before any additional receipts, or calls on reserves, are considered. Members should note, however, that additional receipts of £7,500 in respect of the football development project and £896 in respect of CIL have been received as at the 30<sup>th</sup> June. An updated schedule of planned and actual movements on reserves is included at Appendix 2.
- 1.3 A summary income & expenditure comparison report is included at Appendix 1. This compares actual income and expenditure for the year to date, together with outstanding commitments, with the approved income and expenditure budgets for the year as described above. The net budget deficit reported, of £109,307, is the figure before transfers to and from reserves are taken into account.

**2. INCOME & EXPENDITURE TO THE END OF AUGUST 2023**

- 2.1 Total receipts to the end of August amount to £1,072,961 but this includes £305,214 precept, £659,149 in respect of the football development project (grants plus borrowing) and £8,818 in respect of CIL, other grant income and client deposits which have been taken directly to reserves. Further income, amounting to £5,046 was received in 2022/23 in respect of the current year. Income received to date against the revenue budget therefore amounts to £104,826, which is slightly more than 36.3% of the budgeted figure for the year.
- 2.2 This is slightly less than 5 twelfths of the budget. Assuming a linear profile, the expected income receipts would be around £120,000 by the end of August. The apparent under-recovery is largely explained by timing differences with much of the annual income arriving later in the year, such as that for the Christmas and fireworks events. Similarly, anticipated revenue receipts for football and for Poulrnr junior school are awaiting completion of contractual agreements. However as previously noted there are two emerging variances which will be monitored closely as the year progresses. These include:
- Interest receipts - £12,968 has been received to the end of August which is 130% of the estimated figure for the year. This variance is due to both the higher than anticipated interest

rates and slower than anticipated expenditure on the football development project which will deplete the funds that are invested. Whilst interest rates are uncertain, and funds are will be depleted as the year progresses, it is nevertheless likely that interest receipts will exceed the budget estimate by some £15,000.

- Cemeteries income stands at £10,713 which is just 24% of the budget. At this rate there will be a budget shortfall of almost £19,000 by year end, but it is impossible to predict future revenues with any certainty.
- All other variances are explained by timing differences with the main income streams subject to quarterly, half yearly or year end invoicing. These revenue streams have improved over the last two months and are expected to continue doing so.

- 2.3 Income is therefore broadly on track to meet the budget with the increased interest receipts compensating for the lower than expected cemetery receipts and all other variances explained by timing differences.
- 2.4 Expenditure to the end of August totalled £579,772. A credit balance on the tax and pensions control account, pending settlement of monies due to the Inland Revenue and Hampshire County Council, adds £16,029 whilst expenditure in respect of the current year, paid in 2022/23 adds a further £7,468, making expenditure to the end of June £603,269. Excluding capital expenditure of £251,815 and carried over expenditure funded from reserves of £9,920 reduces this to £341,534. This is 39.3% of the annual budget, which is a modest underspend to date (of just over £20,000), assuming linear spend.
- 2.5 An analysis of expenditure variances indicates that expenditure is broadly in line with expectations, again with much of the variance explained by timing differences. The largest single component of revenue expenditure is accounted for by pay costs for which the budget for the year is £552,000. This includes the estimated cost of the annual pay award which has not yet been actioned but was estimated at 7%. The delayed pay award accounts for around £15,000 of the underspend.
- 2.6 Other emerging variances, which were previously reported, include:
- Energy costs, whilst only a small component of overall expenditure, is currently running well ahead of budget and on current trends is likely to exceed the budget by around £4,000. This is a lower figure than previously reported because of small reductions in energy costs and usage over the summer.
  - Buildings maintenance, Costs have already been incurred on urgent repairs to the former groundsman's house on Southampton road. This unbudgeted expenditure was previously reported as £3,430 but has increased to £3,638.
- 2.7 The café at carvers Clubhouse has enjoyed a busy summer resulting in increased spend on supplies for re-sale. This in turn has generated a corresponding increase in revenue but this has also exposed an issue with the credit card arrangements we have in place with Lloyds bank. Café supplies are generally ordered from Booker wholesale, but they require payment when an order is placed. To date this has been managed by using a credit card which is paid off in full each month. However, during the summer, café purchases were such that the credit limit was exceeded, resulting in orders being refused. The credit limit, currently £5,000 across 4 cards is insufficient and members are asked to approve a request to Lloyds bank to increase the facility to £10,000 (£2,500 per card, per month). Note, the cards are only used where conventional ordering and invoicing is not facilitated by the supplier, e.g. on-line purchases.
- 2.8 With almost half of the year complete, budget monitoring does not indicate any significant concerns. The likely under-recovery of cemetery income is broadly matched by additional interest generated, and expenditure is generally tracking close to budget with any variances due to timing differences. Non revenue expenditure, discussed below, is funded from reserves, grants and borrowing and does not have any direct impact on the revenue budget.

### 3. GROWTH & CAPITAL PROJECTS

- 3.1 as previously noted, the Council did not approve any new growth or capital items for 2023/24 but there are a couple of significant capital projects which were approved in 2022/23 which will incur

expenditure in 2023/24. There are also a number of other projects which were approved in earlier years and for which there remains some residual expenditure. All of the expenditure incurred on these projects will be met from earmarked reserves, grants and in the case of the football development project, a combination of reserves, grants and borrowing. Expenditure to date on these projects is summarised below:

	Budget 23/24	Spend August 2023
• Football Development Project	£750,000	£250,317
• Columbarium	£31,000	£0
• Battery powered tools purchase (approved 22/23)	-	£9,920
• Carvers feasibility (approved 21/22)	-	<u>£1,294</u>
Total	£781,000	£261,531

3.2 Members should note that the approved budget for the football project was approved in January before the outturn for 2022/23 was known. Whilst there is no overall change to the costs of the project, there has been some slippage and this will inevitably mean additional expenditure in 2023/24, all of which will be funded from reserves held for this purpose. The projected spend in the current year will be revised in due course.

## 4. RESERVES & BALANCES

4.1 At the end of 2022/23 the total balance on reserves was £616,298. A further £18,163 was held in the form of rent & key deposits on behalf of tenants, sports clubs and allotment holders. Total opening reserves were therefore £634,461. Current budget plans and existing commitments will reduce reserves by £120,315 before any additional receipts are taken into account. Further receipts of £8,818 have been received as at the end of August the majority of which is expected to be applied to the football development project during the year.

4.2 The revised schedule of reserves, together with planned movements for the year, is illustrated at Appendix 2. Note that the predicted closing balance of £542,752 assumes that the football project is completed and all funds held on behalf of the project are exhausted.

## 5. RECOMMENDATION

It is **recommended** that: -

- 5.1 The budget monitoring position is noted.
- 5.2 Members note the balances of Reserves.
- 5.3 Members approve an increase in the credit card limit from £5,000 to £10,000.

**REPORT TO POLICY & FINANCE COMMITTEE – 20th SEPTEMBER 2023**

**BANK DIRECT DEBITS AND STANDING ORDERS**

**1. BACKGROUND**

- 1.1 Section 6.6 of the Financial Regulations adopted by the Council in 2023 require that a schedule of active Direct Debits, Standing Orders, BACS and CHAPS payments be reported to this Committee every year.
- 1.2 This reports sets out the current schedule of bank standing orders and direct debits for approval. The report also seeks continued authorisation for the occasional use of CHAPS payments where these are necessary (principally in transferring investment funds or making large capital payments) and an increase in the credit limit applied to Council credit cards (also reported in the budget monitoring report)

**2. CURRENT STANDING ORDERS AND DIRECT DEBITS.**

- 2.1 Direct Debits and Standing Orders are used principally for utilities and other suppliers where there is a regular payment stream. The current arrangements in place cover: .
- 2.2 Payments which require individual authorisation by officers:
- CF Corporate (Photocopier – Deputy Town Clerk signs off)
  - Utility warehouse (Manager of Carvers Clubhouse signed then Town Clerk)
  - UK fuels (Grounds Manager then Town Clerk)
  - SSE – both Carvers Street lighting & Market Place (Town Clerk)
  - Lloyds Bank credit Cards (Town Clerk, Office manager, Grounds Manager and Manager of Carvers Clubhouse)
  - British Gas (Town Clerk)
  - BNP bank Paribas – photocopier (Manager of Carvers Clubhouse)
  - Sky Business – Broadband @ Carvers Clubhouse (Manager of Carvers Clubhouse)
  - YU energy – Electricity at Carvers Clubhouse (Manager of Carvers Clubhouse)
  - DVLA – vehicle licensing (Grounds Manager)
- 2.3 Payments which do not require individual authorisation prior to processing:
- NFDC Rates both Cemetery & Carvers
  - HCC Pension (Deputy Town Clerk provides details of what to pay)
  - Inland Revenue
  - Salaries
  - Worldpay
  - EBS/Elite Broadband line rental (invoice provided by Town Clerk)
  - Public Works Loan Board
  - Grounds Management Association
  - Information Commissioners Office
  - Bank Charges
- 2.4 CHAPS payments are made very occasionally and require two members signatures before they may be processed. However, the daily limit on BACS processing was increased at the start of the pandemic lockdown to £250,000 per day. BACS transfers are “free” whilst CHAPS transfers incur a processing charge of £25. As a result there has been no need to use the CHAPS system and no such payments have been made in the last year. BACS transfers in excess of £50,000 are currently only used for cash transfers to the CCLA which require two officer signatures and member authorisation before any such transfer is made.

**3. CREDIT CARDS**

The Town Council has issued four credit cards to staff to make it easier to deal with suppliers who will not give credit or for whom alternative arrangements are not available. These cards have been issued to the Town Clerk, Office Manager, Manager of Carvers Clubhouse and the Grounds Manager. The balance on the credit card account is settled in full by Direct

Debit each month and no interest is payable. Expenditure on the cards is still recorded in the usual way in the ledger and reported to members in the transaction listing and budget reports each month.

- 3.2 Section 6.14 places a limit on the overall credit card account of £5,000. This is divided such that each card has a credit limit of £1,250 per month. In recent months it has become apparent that this limit is insufficient and has resulted in the credit card being declined in some cases.
- 3.3 It is proposed therefore that the bank be approached with a request to revise the overall limit to £10,000 per month, which will give an individual credit limit per card of £2,500.

#### 4. RECOMMENDATION

It is **recommended** that:-

- 4.1 Continued use of the standing orders and direct debits, listed above be authorised
- 4.2 Arrangements for the use of CHAPS payments continue as present requiring pre authorisation by two members.
- 4.3 The use of BACS to transfer funds of more than £50,000 continues to require pre-authorisation by resolution of this Committee.
- 4.3 The overall credit limit on credit cards be increased to £10,000 per month.

## REPORT TO POLICY & FINANCE COMMITTEE – 20<sup>th</sup> SEPTEMBER 2023

### RINGWOOD TOWN COUNCIL BANK MANDATE

#### 1. BACKGROUND

- 1.1 The Town Council has various accounts with Lloyds Bank. A limited number of members and officers are registered with the bank for the purposes of authorising transactions, signing cheques and so on. Such registration is covered by the “bank mandate” and this need to be reviewed periodically to ensure that an appropriate range of members and officers are included and that the mandate reflects current appointees.

#### 2. THE BANK MANDATE

- 2.1 The bank mandate currently allows for the inclusion of five members, appointed because they hold the following positions:

- The Mayor
- Chair of Policy & Finance Ctte
- Vice Chair of Policy & Finance Ctte
- Two “additional” members

Members should note that, following the recent elections, all of the member positions are vacant. In addition, the following officers of the Council are also included:

- Clerk
- Deputy Clerk
- RFO
- Finance assistant

- 2.2 The use of the powers enabled by the bank mandate is governed by Financial Regulations but essentially it allows the bank to process cheques and other transactions against a name and a signature held on their database. There will always be a balance required between the security of a very limited number of signatories and the flexibility afforded by a wider group.
- 2.3 Cheques or orders for payment drawn on the bank account require any two signatures of the Clerk, the Deputy Clerk, the RFO or Members for sums under £1,000 or two members of the Council or one member and countersigned by the Clerk in any other case. A member who has declared a pecuniary interest in connection with a payment, may not sign such an order.
- 2.4 Signatories included on the mandate are also authorised to approve internet banking transactions, such as direct debits although in practice these are exclusively arranged by officers, per delegated powers under financial regulations.
- 2.5 It is recommended that the current arrangement be maintained, i.e. five members, including the Mayor, and four officers. This enables transactions to be authorised when key members or officers are absent or otherwise unable to sign an authorisation.

- 2.6 Members are therefore asked to decide which current elected members should be added to the mandate so that the RFO may prepare the necessary documentation for signature.

### 3. FINANCIAL IMPLICATIONS

- 5.1 There are no financial implications

### 4. RECOMMENDATION

It is **recommended** that:-

- 4.1 Members decide who should be included on the Town Council's bank mandate.

## REPORT TO POLICY & FINANCE COMMITTEE – 20th SEPTEMBER 2023

### FINANCIAL RISK ASSESSMENT

#### **1. Background**

- 1.1 The Town Council is required to carry out an annual Financial Risk Assessment. The risk assessment identifies risks in several areas, together with controls that have been implemented to manage that risk. A number of these controls are covered by Financial Regulations which were adopted in July 2022 and subsequently reviewed in July 2023.
- 1.2 The risk assessment was last carried out in September 2022. Since then, whilst risks associated with the global Covid pandemic have declined, the economic outlook has become much less certain with steep rises in inflation, interest rates and energy costs in particular.

#### **2. Financial risk Assessment 2023/24**

- 2.1 The Town council implemented a new Financial Management system in April 2019 and subsequently added modules to manage Cemeteries and Allotments. The ensuing adjustments to financial procedures have now become embedded and the systems appear to be working well.
- 2.2 Most of the changes were managed within the framework of Financial Regulations and as such, did not require any change to the risk assessment as the risks have previously been identified and managed. The internal audit of the 2022/23 accounts identified no weaknesses in the financial control system.
- 2.3 Further, since the last review, the Covid pandemic has continued to decline and eased some of the financial risks that the pandemic brought such as falling income and changes to expenditure. The indirect risks associated with changes to office practices and an increasing reliance on home working and reduction in face-to-face contact have been managed with suitable control measures in place to preserve the integrity of the financial systems.
- 2.4 The sharp increase in inflation over the last year, however, does pose some additional risks. Budget projections in 2022/23 were based on a less pessimistic forecast of inflation and whilst some provision was made for anticipated price increases, the result was that the Council had to make up a significant gap in the 2023/24 budget by increasing prices, Council Tax and use of reserves to maintain a balanced budget.
- 2.5 Whilst the increased risks associated with higher inflation have been largely managed and mitigated, the recent rises in interest rates presents a further risk which needs to be carefully managed. Whilst the Council has very low exposure to fluctuating interest rates and maintains a healthy balance of reserves to cover any unexpected expenditure, higher interest rates will nevertheless add some additional costs. The risk assessment has therefore been further expanded to cover risks around increased interest rates, the wider use of credit cards as a purchasing mechanism and the specific risks of large capital projects.
- 2.6 These risks have been addressed in the revised risk assessment, Appendix 1.

#### **3. RECOMMENDATION**

It is **recommended** that: -

- 3.1 The updated Financial Risk Assessment be noted.

## REPORT TO POLICY & FINANCE COMMITTEE – 20<sup>th</sup> September 2023

### APPLICATION OF CIL RECEIPTS

#### 1. BACKGROUND

- 1.1 The Community Infrastructure Levy, CIL, is a mechanism by which property developers contribute to the costs of infrastructure required to service their developments. The CIL regulations state:
- “A local council must use CIL receipts passed to it to support the development of the local council’s area or any part of that area, by funding –
- a) The provision, improvement, replacement, operation or maintenance of infrastructure; or
  - b) Anything else that is concerned with addressing the demands that development places on an area. “
- 1.2 The levy is collected by the planning authority and a proportion is passed on to the Town Council. At the end of March 2023 the Town Council held a balance of £25,293.20. A formal decision is required in order to use CIL funds for any project.

#### 2. CIL Receipts & Allocations 2023/24

- 2.1 Additional CIL receipts of £896.40 have been received in the current year to the end of August. A further receipt is expected before the end of the current year although the amount is not yet known. The balance of CIL receipts therefore currently stands at £26,189.60.
- 2.2 CIL funds totalling £14,000 have been pledged towards the costs of the proposed Columbarium in the current year. The balance of uncommitted CIL funds remaining is therefore £12,189.60.

#### 3. RECOMMENDATION

It is **recommended** that:-

- 4.1 Members note the current balance of CIL funding.

### Revaluation of Council Buildings for Insurance Purposes

1. Introduction and reason for report

- 1.1 An issue has arisen over the cost of revaluing the Council's buildings for insurance purposes.

2. Background, Options and Implications

- 2.1 In 2022-23 members accepted advice from officers that the Council's buildings should be professionally revalued for insurance purposes. It was agreed that this work should split over two financial years to spread the cost.
- 2.2 Sums insured are index-linked and therefore tend to increase over time anyway. However, the Council's buildings are somewhat atypical and over the years significant discrepancies can arise between the sums insured and the actual rebuilding costs. Our insurers therefore strongly recommend that the sums insured are "re-based" regularly to guard against the risk of under-insurance. If a claim is made in respect of a building found to be under-insured, the insurer is entitled (and likely) to reduce the amount paid in proportion to the under-insurance. The exercise will need to be repeated every 4-5 years.
- 2.3 The revaluations carried out this year relate to the buildings at the Cemetery. The fee quoted for this work was £750 and this has been paid. However, before completing the work the valuer explained that extra work would be needed to establish the relevance and rebuild costs of unusual features including the ornamental gates and pillars, walls, etc. and stated "*I will, of course, need to make an additional charge for the extra time it takes.*" Unfortunately, this wasn't followed up at the time and he did not elaborate until after he'd done the work, at which point he indicated that the additional charge would be £1,000 (based on five hours' work at £200 an hour).
- 2.4 The additional time spent and the hourly rate are not necessarily considered unreasonable but it is surprising and unfortunate that we were not given more precise advance notice of the additional cost. The valuer would obviously like to be paid but may be willing to compromise on the figure. However, any additional cost will require members to approve an increase in the relevant budget (that can only fall on the general reserve).

3. Issues for decision and any recommendations

**Members are invited to consider approving payment of an additional valuation fee and the relevant budget increase.**

### Annual Review of Standing Orders

1. Introduction and reason for report

1.1 The Council has delegated to this committee the annual task of reviewing Standing Orders for fitness.

2. Background, Options and Implications

2.1 Standing Orders were last reviewed in July 2022 when three minor changes were agreed. The current Standing Orders are attached as Annex 1. Officers are not recommending any changes on this occasion and consider that the current Standing Orders remain fit for purpose.

3. Issues for decision and any recommendations

**Members are invited to approve the current Standing Orders.**

### 1. Rules of debate at meetings

Explanatory note: Rules of debate apply to all business conducted at any type of meeting except to the extent that the chairman allows them to be relaxed. Such business may include routine formalities (e.g approving the minutes of a previous meeting), receiving reports from officers (which may require a decision from councillors and include one or more suggestions or recommendations as to how the item be disposed of), receiving information from councillors or others (about which no decision can be made) and motions proposed by members. The procedures by which agendas for meetings are compiled and councillors can secure the inclusion of motions are contained in standing orders 5, 9 and 15.

- a Items on the agenda shall be considered in the order that they appear in the agenda unless the order is changed at the discretion of the chairman of the meeting.
- b A proposal or motion (including an amendment) shall not be progressed unless it has been moved and seconded.

- d If a proposal or motion (including an amendment) has been seconded, it may be withdrawn by the proposer only with the consent of the seconder and the meeting.
- e An amendment is a proposal to remove or add words to a proposal or motion. It shall not negate the proposal or motion.
- f If an amendment to the original proposal or motion is carried, the original proposal or motion (as amended) becomes the substantive proposal or motion upon which further amendment(s) may be moved.
- g An amendment shall not be considered unless verbal notice of it is given at the meeting and, if requested by the chairman of the meeting, is expressed in writing to the chairman.
- h A councillor may move an amendment to his or her own proposal or motion if agreed by the meeting. If a proposal or motion has already been seconded, the amendment

- j Subject to standing order 1(k), only one amendment shall be moved and debated at a time, the order of which shall be directed by the chairman of the meeting.
- k One or more amendments may be discussed together if the chairman of the meeting considers this expedient but each amendment shall be voted upon separately.
- l A councillor may not move more than one amendment to an original or substantive proposal or motion.
- m Where a series of amendments to an original proposal or motion are carried, the mover of the original proposal or motion shall have a right of reply either at the end of debate of the first amendment or at the very end of debate on the final substantive proposal or motion immediately before it is put to the vote.
- n Unless permitted by the chairman of the meeting, a councillor may speak once in the debate on a proposal or motion except:
  - i. to speak on an amendment moved by another councillor;
  - ii. to move or speak on another amendment if the proposal or motion has been amended since he last spoke;

- s Before an original or substantive proposal or motion is put to the vote, the chairman of the meeting shall be satisfied that the matter has been sufficiently debated and that the mover of the proposal or motion under debate has exercised or waived his or her right of reply.
- t Excluding motions moved under standing order 1(q), the contributions or speeches by a councillor shall relate only to the proposal or motion under discussion and shall not exceed 5 minutes without the consent of the chairman of the meeting.
