MINUTES OF THE PREVIOUS MEETING**

**RESOLVED:** That the minutes of the meeting held on 6<sup>th</sup> October 2021, having been circulated, be approved and signed as a correct record.

**OS/6111  
CARVERS CLUBHOUSE**

Members received a detailed written report from the Manager at the October meeting and she had nothing significant to add. She reported that the bookings were getting to a point where it may become difficult to accommodate many more, given the current staffing levels, and there was pressure, on particularly the staffing budget, which was looking tight this year.

She highlighted that previously contract cleaners had been employed at the Clubhouse and paid from the relevant budget, however this service had been taken in-house and pay-rolled, leaving the salary budget with an expected overspend and an underspend on the contractor budget. The Town Clerk raised this again during the Committee Budget agenda item (OS/6113 refers). Further operational adjustments may be necessary to meet the budget.

Members congratulated the Manager on a job well done. The Clubhouse is busy, people know it's there and there are lots of things happening.

**RESOLVED:** That Carvers Clubhouse Manager's verbal report be received.

EVENTS MANAGEMENT**

Cllr Ring reported that arrangements were in place and preparations were ongoing for the Fireworks event on Sunday 7<sup>th</sup> November. This is being orchestrated excellently by the Events Co-Ordinator. He wished to extend his thanks to the many volunteers and also those who had offered their help.

He reported advance ticket sales were far exceeded expectations and it was anticipated that the event would be very well attended. The 'quiet' firework display is scheduled for 5:30pm and the main display starts at 7pm.

**RESOLVED:** That the update in respect of events be noted.

COMMITTEE BUDGET**

Members considered the Finance Manager's report (*Annex A*) in relation to the current year's budget, the draft committee budget for 2022/23 and the proposed fees and charges.

**2021/22 Budget**

In relation to this year's budget, the Town Clerk highlighted two areas.

Salaries budget for the Clubhouse

As raised by the Clubhouse Manager earlier in the meeting, there was pressure on the payroll budget due to a change to the cleaning arrangements and Members agreed that a recommendation be made to Policy and Finance Committee, with regard to this.

Playground Maintenance

In addition to recent replacement of swing chains and seats, which were covered by the budget, additional urgent repairs to three areas of surfacing had been identified. Two areas needed to be dealt with this and would result in an overspend and leave nothing in the budget for the rest of the year. It was suggested and agreed that £500 be vired from other small budgets to the playground maintenance budget.

Carvers Strategic Plan

Cllr Frederick put forward a proposal to redirect the funds set aside this year for ground department sheds replacement project (£10,000), as this was unlikely to be required in this

financial year. She suggested it should be redirected towards the cost of the landscape architect's design work for Carvers Strategic Development (£6,000) and Members agreed.

### **2022/23 Draft Committee Budget**

Regarding the budget for 2022/23, the Town Clerk detailed two budget bids put forward by officers and invited Members to put forward any other bids that they wished to be considered for the budget.

#### **Carvers playpark picnic benches**

Two recycled plastic benches are in poor condition and need replacing and a bid of £1,000 was proposed to cover replacement costs. It was suggested that this could be met from reserves so as not to impact on the budget or precept. Members requested that further information be provided on replacement options and related costs. It was noted that an application could be made for CIL receipts to be applied to this proposal.

#### **Benches outside Carvers Clubhouse**

Two benches outside the clubhouse need replacing at a cost of £1,600 and it was proposed that reserves be used for this purpose. It was suggested and agreed that this be funded from Carvers Clubhouse reserve.

#### **Memorial tree**

*Cllrs Haywood and Frederick each declared an interest in that they are directors of Ringwood Coronavirus Assistance.*

Cllr Haywood put forward a bid for a contribution to the memorial tree and bench, which was approved in principle. The estimated cost was £2,800, RCA would donate £800 and continue to fundraise. The Council was invited to underwrite the proposal and contribute up to a maximum of £2,100 and this was agreed.

#### **Grounds Department replacement plan**

It was proposed and agreed that, if Policy and Finance Committee approve the transfer of funds from this provision towards the Carvers Strategic Development, that it should be replenished by way of a bid in the next financial year. It was noted that an application could be made for CIL receipts to be applied to this project.

**RESOLVED:** 1) That subject to the above amendments the budgets and proposals in Appendices A and B be approved;  
2) That the additional proposals detailed above be included in Appendix A; and  
3) That the proposed changes to fees and charges for 2022/23 be reviewed by the Finance Manager and reconsidered by Members at the next meeting.

**RECOMMENDED:** That the current budget be amended to transfer:-  
1) the Clubhouse cleaning contractor costs from the contract/hired budget be transferred to the Clubhouse payroll budget and this be a permanent decision to be carried forward into next year's budget;  
2) £500 from various smaller budgets to the Playground Maintenance budget to cover the cost of vital surface repairs; and  
3) £6,000 of the £10,000 provision for Ground Department shed replacement be vired towards the design costs for Carvers Strategic Plan.

PROJECTS (current and proposed)**

Brockey Sands – Cllr Day reported that he would update Members at a future meeting, however there were some obstacles to overcome.

**3rd NOVEMBER 2021**

**REVISED BUDGET 2021/22 & DRAFT BUDGET 2022/2023**

**1. INTRODUCTION**

1.1 Members are required to consider the budget proposals for 2022/23 for this Committee and to make recommendations to the Policy and Finance Committee.

1.2 To assist Members, the following draft documents are attached:-

**Appendix A:** Shows the progress made on the new expenditure items approved for inclusion in the 2021/22 budget. Proposals for new items or growth have been taken from the project plan.

**Appendix B:** Shows the approved original budget 2021/22 of £201,578 (including non-recurring growth of £54,550, which is all funded from reserves), the draft revised budget 2021/22 of £221,919 which reflects the forecast outturn for 2021/22 together with the first draft budget for 2022/23 of £225,006 which excludes any new bids. The increase for 2022/23 is entirely due to reductions in predicted income together with increases in payroll costs. The revised budget 2021/22 includes residual investment in open spaces security measures which were approved during 2020/21, and some elements of growth approved during the year which is mainly funded from reserves.

For comparison, actual net expenditure in 2020/21 was £198,963 before transfers to and from provisions and £205,979 after transfers.

**Appendix C:** Shows the current fees and charges for 2021/22.

**2. REVISED BUDGET 2021/22**

2.1 The revised budget (column 7 Appendix B) shows a net increase of £20,341 over the original budget (column 6). The main reasons for this are:-

Details	£
1. Additional Tree safety work (P&F September F/5949)	4,500
2. Repairs to Cemetery gates (largely funded through insurance)	5,000
3. Additional Cemetery gates surfacing repairs (OS/6078; F/5932)	4,926
4. Additional Play Area resurfacing (OS/6089; F/5941)	4,540
5. Reduced sports and recreation income	1,071
6. Reduced Cemeteries Income	7,576
7. Capital spend slippage from 2020/21 (Open Space Security measures)	2,078
8. Less additional transfers from reserves	-9,466
9. Other minor budget adjustments	116
<b>Total</b>	<b>20,341</b>

2.2 The most significant budget increase is caused by the lower than expected value of cemetery receipts which, whilst recovering in the second quarter of the year, remain well below the originally predicted levels. The pandemic has also resulted in a modest fall in sports and recreation income which is now expected to drop by £1,071.

2.3 Members have approved a number of one off additional projects for inclusion in the current year. These include resurfacing work at the cemetery following accidental damage to the cemetery gateway the repair for which was covered by insurance and additional play area re-surfacing of £4,540, both of which will be covered by a

transfer from reserves. Members also approved additional spend on tree safety work of £4,500.

- 2.4** Expenditure and income are otherwise generally on track to meet the original budget estimates, however, it remains possible that some of the revised budgets may not be fully utilised in the current year.

### **3. FIRST DRAFT BUDGET 2022/23**

- 3.1** The base budget for 2022/23 has been prepared on an incremental basis by rolling forward the 2021/22 original budget and adjusting for non recurring expenditure and any known changes. At this stage, other than an estimate of 2% inflation on pay costs, no decision has been taken on the application of other inflationary cost changes.
- 3.2** Pay cost inflation of 2.0% has been assumed for the 2021/22 budget but the pay award has not yet been settled. It is, however, unlikely to be much more, or less than this figure. Staff costs for 2022/23 have been built from scratch rather than rolled over from 2021/22, because of the significant changes to staffing which have taken place in the current year. The opportunity has also been taken to review the allocations of staff costs across the Committees and this has resulted in some increased costs to this committee. Overall payroll budgets for this Committee will increase by approximately £18,600. Of this around £4,000 is the result of pay inflation, assumed for the moment to be 2%, an increase in employer's National insurance contributions of £2,300 and increases following a review of payroll allocations of £12,300.
- 3.3** The only other significant budget increase is due to a re-assessment of likely cemeteries receipts which have, for the last few years, fallen short of budget expectations. The income budget has been adjusted in line with actual receipts over the last two years and this has increased the net expenditure budget by just over £6,800.
- 3.4** Page 1 of Appendix B shows the summary budget figures for the Committee, whilst Pages 2-5 show the detailed budgets for each area. The draft budget excludes any new expenditure bids. New bids that are being brought forward for consideration are set out in Appendix A.
- 3.4** The current fees and charges for all the other activities within this Committee are shown in Appendix C together with draft proposals for 2022/23. Fees and charges were not increased last year and some charges haven't been increased for several years. Note that, because of the large increments necessary to retain a simple pricing structure, it is not desirable to raise all prices every year. The proposed increases this year therefore cover more than a single year. Members are asked to consider the charges and whether such increases should be applied across the board, or a more targeted approach be taken. In September, the Retail Price Index rate of the United Kingdom was 4.8 percent, an increase of 3.7% from the same period a year ago. The inflation rate has increased rapidly following the easing of lockdown restrictions. Cemetery fees and charges are also due to be reviewed this year.
- 3.5** The Committee is asked to consider the new bids in Appendix A, the draft budget proposals in Appendix B, and the proposed fees and charges in Appendix C. These will then go forward to the Policy & Finance Committee later this month for consideration as part of the Council's total budget. As last year, Members will also

receive a copy of a budget "model", by email and are encouraged to model different options and feed any resulting budget suggestions for consideration and possible inclusion in the final budget proposals.

- 3.6** There will be a further opportunity to review all of the budget proposals and fees and charges for 2022/23 at the next meeting of this Committee and again before the budget is finalised in January 2022.

#### **4. NEW BIDS 2022/23**

- 4.1** There are no new recurring bids.

- 4.2** However, there is likely to be some residual spend from programmes approved from the current year. These will have little impact on the revenue budget because they are funded for the most part from reserves which will not be drawn down until the expenditure is incurred.

#### **5. RECOMMENDATIONS**

It is recommended that, subject to amendments made at this meeting:

- i) the budgets and proposals in Appendices A and B be approved,
- ii) Consideration be given to any additional proposals for inclusion in Appendix A,
- iii) Consideration be given as to whether fees and charges for 2022/23 be adjusted as proposed and if not, what approach should be taken.
