PUBLIC PARTICIPATION

There were 5 members of the public present.

A resident requested a meeting with the Town Mayor and Chairman of Recreation, Leisure & Open Spaces Committee to discuss the issue of illegal parking on Bickerley village green, which had resulted in some erosion and creation of a ditch, noting that it was a criminal offence to damage a village green.

Two residents of Riverside explained that it was often difficult to find parking near to their properties and said that an area that they had been accustomed to parking in had recently been blocked with heavy traffic cones by a resident. They were also concerned that the position of the cones might limit access for emergency vehicles. They asked for clarification on the ownership of the land, which they believed to be in public ownership, and felt it was unfair to impede residents in such a way.

Another resident confirmed that he had sold the village green land to the Council, and also said that the issue of parking had been raised almost two years ago, but no action appeared to have been taken.

It was noted that it was not possible to enter into a debate during the public open session, but the points made were noted and the Town Mayor agreed to keep residents informed of any discussion on the subject.

C/6659

C/6652 – The Town Mayor reported that a Christmas tree had been ordered at a cost of £2,850, to be funded from the £6,000 budget approved at the last meeting.

FINANCIAL REGULATIONS**

Members considered a recommendation from the Policy and Finance Committee to adopt amended Financial Regulations (*F/5950 refers*).

The Town Clerk explained that the review had been prompted by the internal auditor, and the main reason for the changes was to align the regulations to what happens in practice. The two biggest changes related to tightening procurement, ordering and payment processing, outlining a clear role for budget managers, and establishing an approved suppliers list. Members thanked the Town Clerk and Finance Manager for their work on updating the regulations.

RESOLVED: That the amended Financial Regulations, as set out in *Annex A*, be adopted.

**C/6666
ARRANGEMENTS FOR FUTURE MEETINGS**

The Town Clerk updated Members on arrangements for future meetings of the Council and its committees and working parties.

He explained that the temporary delegation arrangements agreed by the Council in May 2021 (*C/6603 refers*) had now come to an end and in-person meetings had resumed for the purposes of the Local Government Act 1972. Council and Committee meetings could not now be held remotely and, if the position changed over the winter, a Council decision would be needed to revert to the scheme of delegation. It was noted that working parties and sub-committees could continue to meet remotely if required.

Members were reminded of the risk of disqualification if they did not attend an in-person meeting for a period of 6 months.

Some Councils had introduced hybrid meetings, and it was felt there was some merit in doing this to allow greater public participation, however there was no legislation currently in place to allow councillors to participate in this way. The Town Clerk had carried out some initial investigation in to the technology required to facilitate hybrid meetings and would be able to report on this at a later date.

In order to limit the number of people in the Forest Suite, it was noted that the allotment competition prizegiving, that would usually have been incorporated into a Council meeting, had been held as a separate event this year in the Gateway Courtyard. It was agreed that cheque presentations should also be held as separate events for the time being.

Cllr Deboos left the meeting at 7.42pm.

RESOLVED: That the verbal report be noted.

SPORTS DEVELOPMENT PROJECT AT LONG LANE

Cllr Loose reported that a meeting with the surveyor had highlighted the significant increase in the cost of materials and a concern that a reputable company might not be able to quote for a job that wouldn't be built for another 8 months. He flagged up the risk that additional funds might be required, and that this could result in the Council being asked to reduce ground rent for a longer period.

It was noted that the planning application had attracted 160 comments, with only two being objections to the scheme, and that the application had still to be determined by NFDC.

RESOLVED: That the verbal report be noted.

REPORTS FROM TOWN COUNCILLORS

Cllr Frederick – asked for recommendations for a Landscape Architect to assist Carvers Working Party. She also reported that she had carried out her first Speedwatch in Highfield Drive. C/6671

REPORTS FROM COUNTY AND DISTRICT COUNCILLORS

County Cllr Thierry presented a written report (*Annex B*). District Cllr Rippon-Swaine reported that the adoption of a new waste strategy had been held up by a number of government consultations and was not now expected to be implemented until autumn 2022. In the meantime, a Joint Municipal Waste Management Strategy would be considered by Cabinet on 6 October, and this embodies many of the public comments made during the recent consultation.

District Cllr Heron reported that Cabinet on 6 October would consider a motion to declare a climate emergency. He commented on NFDC's plans to build out the Crow Lane industrial estate, saying that it was important to provide work close to where houses are being built and the site would deliver new employment opportunities to the area. In cases of extreme urgency and risk to the delivery of council services or to the reputation of the Council, the Clerk may authorise expenditure on behalf of the Council which in the Clerk's judgement it is necessary to carry out. Such expenditure includes repair, replacement or other work, whether or not there is any budgetary provision for the expenditure, subject to a limit of £5,000 The Clerk shall report such action to the chairman as soon as possible and to the Council as soon as practicable thereafter.

- 4.8. The RFO shall regularly provide the council with a statement of receipts and payments to date under each head of the budgets, comparing actual expenditure to the appropriate date against that planned as shown in the budget. These statements are to be prepared monthly with effect from the third month of the financial year (except in August) and shall be supplemented with a narrative report from the RFO on the overall budget position, explanations of material variances and, where practicable, comment on the expected out-turn at year-end. County Council September 2021 Report

Councillor Michael Thierry - Ringwood Division

Hampshire County Council.

An announcement is expected soon on retaining the School Crossing Service.

An announcement is expected soon on changes to the administration of the recycling site at Somerley. More 'slots' and being able to book more than once. Booking system is likely to remain.

I have written to the Leader of Hampshire County Council, Cllr Keith Mans and the Executive Member of Highways Operations Russell Oppenheimer concerning local traffic management during the extended period of works on the A31.

Communication from the Chief Executive Carolyn Williamson on the fuel situation.

While there have, and continue to be issues with filling up at some petrol station forecourts in the county, there is no actual shortage of fuel. Refineries and terminals have ample stocks, and this has been further confirmed by Exxon Mobil, the operator of Fawley, and BP Hamble. However, public concerns over availability have resulted in deliveries of fuel unable to keep up with demand. We expect this to settle down over the next 48 hours through a combination of measures the Government is introducing and a natural plateau once everyone has a 'full tank'.

Local issues.

The County casework continues.

A Local Speed Watch has been organised. Cllr Ring will have fuller details.

Monthly Councillors' Surgery.

Next surgery is on Saturday October 11th, commencing at 10.00am at the Scout Hut, Southampton Road.
