Details of Grant Request

Amount requested	£175.00
What is the purpose of the grant?	The Grant is to buy an Aerial Hoop to be used by Ringwood Operatic Society for their production of Barnum. The Hoop will then be used by Circus Wessex for use at a variety of community events by various circus groups in and around the Ringwood Area.

A

<p>How would the people of Ringwood benefit from your receiving this grant?</p>	<p>After the performance of Barnum by Ringwood Operatic Society, the hoop will become part of an equipment pool managed by Circus Wessex. Circus Wessex, Steamship Circus and Bournemouth Skill Up all have members who live in Ringwood. For community events there is a good will exchange of circus equipment.</p> <p>Buzz Action Foundation are loaning a large selection of equipment for this production and for the groups mentioned. We do however lack an aerial hoop and the Caribiner and strops which is an essential part of this performance.</p>	
<p>How many Ringwood people would benefit?</p>	<p>More than 1,000 people will benefit from this item.</p>	
<p>Total cost of project</p>	<p>£250.00</p>

Details of Grant Request

Amount requested	£ 500.00
What is the purpose of the grant?	<p>Fourteen Explorer Scouts (along with 9 Scout Leaders) from Ringwood will travel to Malawi for three weeks in the summer of 2020. They need to raise a total of £20000 to cover the costs of the projects and their in-country costs whilst they are there. They also need to individually contribute over a £1000 each towards the cost of their flights.</p> <p>What we will be hoping to achieve in 2020</p> <p>Whilst in Malawi, we will be living in local homes. During the visit we will be working with the Malawi Scouts on a number of community projects, including furniture building Desks and benches, shelving and doors (with locks), campsite enhancement works, school room building work (concreting and bricklaying) and lake-side store and composting toilets. We will also be building and installing simple hand pumps so there is an always supply of drinking water on site. The skills needed to do this will be learned by the Scouts over a number of weekends prior to the trip.</p>
How would the people of Ringwood benefit from your receiving this grant?	<p>On returning, the Scouts will have a greater awareness of other cultures and community, as well as gaining new skills. Additionally, there are a number of aims that the Ringwood Scouts are expected to benefit from :-</p> <ul style="list-style-type: none"> • To develop young people's knowledge, skills and attitudes in shared experiences. • To encourage and foster an ethos of volunteering and community self-help. • To train young leaders to do the same. To educate young people in the widest sense in order to make them effective and responsible citizens.

REPORT TO POLICY & FINANCE COMMITTEE – 19th FEBRUARY 2020
BUDGETARY CONTROL - 2019/20 PERIOD 10 (TO END JANUARY)

1. BACKGROUND

- 1.1 The purpose of this report is to inform Members of the actual income and expenditure for the first nine months of the year, April 2019 to January 2020. A summary budget comparison report is included as Appendix 1.
- 1.2 Income and expenditure to the end of December has been compared against the revised budget forecast which was first presented at the December meeting of this Committee. The outturn forecast which was presented at that meeting has been updated in light of these later budget performance figures.

2. INCOME & EXPENDITURE APRIL 2019 to JANUARY 2020

- 2.1 Expenditure to the end of January totalled £ 604,140, or 75.7% of the revised budget for the year which is slightly less than budget expectations. The underspend is due to three main factors
- large payments which typically fall due at year end, such as the Town Council contribution to the Ringwood Gateway building costs.
 - Capital projects for which expenditure might slip into next year. These include the proposed Neighbourhood Plan, the Boardwalk in the pocket park and the Carvers Workshop replacement feasibility study. These will not have any significant impact on the overall budget because they are mainly financed from reserves.
 - Budget underspends. As the year end approaches, there is more certainty that some budgets will not be fully expended in the current year. Notably, aggregate payroll costs are currently some £5,000 below expected levels at the end of January and the projection is that the payroll budget will be underspent by around £9,000 at year end. The other significant variance is on Recreation and Leisure maintenance budgets. This covers twelve discrete budgets for which total spend is currently some £7,000 below expected levels, although spend may increase towards year end.

A budget summary comparison report is included at Appendix 1. Note that the expenditure figures include a credit balance on the pay control account which represents outstanding pension liabilities of £10,318 which is due to be settled during February. This figure has been added back to the expenditure total.

- 3.2 Income received to date, excluding the precept and CIL receipts of £17,399 which are taken directly to reserves, stands at £190,995, or 85.2% of the revised budget. This is slightly ahead of budget and is explained by increased events income, interest receipts, and room hire at Carvers Clubhouse. The increased revenue is mitigated by lower than expected receipts from sport activities and a continuing reduction in cemeteries receipts.
- 3.2 A Cashbook summary to the end of December is included at Appendix 3 for information. This presents the financial information in an alternative format and helps to explain the movement on cash balances from the opening position to the present. As previously noted, the expenditure by committee is the cash expenditure and includes accruals from 2018/19 which are excluded from the current year budget comparison. It also includes expenditure incurred in the current year which will be accounted for in 2020/21.

3. PREDICTED OUTTURN 2019/20

- 3.1 It is likely that there will be an increased underspend on the revenue budget at year end. The outturn forecast now suggests a net underspend against the revised budget of around £15,000.
- 3.2 The balance of expenditure over income, after allowing for the precept, means that the transfer from the General Reserve, required in order to balance the budget, will reduce to around £23,500.
- 3.3 The opening balance on reserves was £493,535 at the 1st April 2019. Planned transfers to Earmarked Reserves total £51,300 whilst CIL receipts and other donations to date total £17,341. A further £9,000 is anticipated, but not yet received, in respect of the proposals to develop a Local Plan. (for which a further £3,000 is held in the General Reserve, carried over from 2018/19) Transfers from Earmarked Reserves and Provisions are now expected to total £85,770. The transfer from the General Fund will reduce total balances to £458,906 by the 31st March, a net reduction on the year of £34,629.

5. FINANCIAL IMPLICATIONS

- 4.1 The budget figures indicate that the Town Council is on track to spend according to the revised budget although a decrease in net expenditure of around £15,000 is likely.
- 4.2 Total reserves are expected to reduce by £34,629 to £458,906 by year end. A summary of the current position on reserves is included at Appendix 2.

4. RECOMMENDATION

It is **recommended** that:-

- 4.1 The budget position is noted.

REPORT TO POLICY & FINANCE COMMITTEE – 19th FEBRUARY 2020**FINANCIAL RISK ASSESSMENT****1. Background**

- 1.1 The Town Council is required to carry out an annual Financial Risk Assessment. The risk assessment identifies risks in a number of areas, together with controls that have been implemented to manage that risk. A number of these controls are covered by Financial Regulations which were adopted in July 2016 and subsequently reviewed in April 2018.
- 1.2 The risk assessment was last carried out as part of the overall risk assessment for the Town Council in March 2018.

2. Financial risk Assessment 2019/20

- 2.1 The Town council implemented a new Financial Management system in April 2019 and subsequently added modules to manage Cemeteries and Allotments. The introduction of these systems has meant that some of the financial control processes have had to be adjusted.
- 2.2 Most of the changes have been managed within the framework of Financial Regulations and as such, require no change to the risk assessment as the risks have previously been identified and managed. The most significant changes are around workflow processes contained within the finance system.
- 2.4 There are some other matters which arose and were dealt with during the last year and which also have a bearing on the risk assessment. These include the decision to adopt the CCLA as preferred investment house for council funds and the decision to transfer funding for some unplanned expenditure, such as vandalism repairs, from the revenue budget to reserves.
- 2.5 These matters have been addressed in the revised risk assessment, Appendix 1.

3. RECOMMENDATION

It is **recommended** that:-

- 3.1 The updated Financial Risk Assessment be noted.

POLICY & FINANCE COMMITTEE

19th February 2020

Town centre CCTV

1. Introduction and reason why decision required

- 1.1 As reported to this Committee in April last year, New Forest District Council has invited participating town and parish councils (which includes this Council) to enter into new “partnership agreements” in place of the previous “service level agreements”.
- 1.2 Members decided to defer the matter then so that Sgt. Mitchley of Hampshire Constabulary could be asked about the benefits of the system at her following quarterly attendance at a Town Council meeting. Members were also offered the opportunity to visit the monitoring centre and view the system in operation. That visit took place on 22nd January.

2. Background information, options, impact assessment and risks

- 2.1 The proposed new agreement is attached in draft form as Appendix 1.
- 2.2 The proposed cost to this Council for 2019-20 will be calculated at the rate of £732 per camera per annum; the same as previous years. This will be invoiced six-monthly in advance with the first invoice expected shortly.
- 2.3 It has now been clarified that there is no “tie-in”; this Council could decide to withdraw upon giving three months’ notice.
- 2.4 The aspiration to improve the reporting of outcomes remains but is not an immediate prospect.

3. Issues for decision and any recommendations

- 3.1 *Are members content to extend the service under the proposed new partnership and therefore to authorize the Town Clerk to enter into the proposed agreement in the attached form?***

Name of Partnership **New Forest CCTV Partnership**

1. Details of partners

- *New Forest District Council*
- *Hampshire Constabulary*
- *Town / Parish Council*

2. Context

Town & Parish Councils, NFDC and Hampshire Police all have a 'Community Safety' responsibility along with being key stakeholders in CCTV Service delivery. Since the CCTV system was introduced, each partner has seen the benefits for their communities and shown commitment to CCTV as a significant collaborative aid in preventing and detecting crime

2.1 Purpose

This partnership is set up to acknowledge the individual contributions of Partners towards Public Space CCTV in the New Forest area, providing a clear understanding of roles and responsibilities, communication and alignment with overarching Community Safety responsibilities.

2.2 Objectives

The objectives of the New Forest District Council CCTV System (recognised by partners) as determined by the New Forest Community Safety Partnership which forms the lawful basis for the processing of data are:-

- To help reduce the fear of crime.
- To help deter crime.
- To help detect crime and provide evidential material for court proceedings.
- To assist in the overall management of Lymington, Totton, Ringwood, New Milton, Hythe and Lyndhurst
- To enhance community safety, assist in developing the economic well-being of the New Forest area and encourage greater use of the Town Centres, shops, car parks, and community and tourist facilities.
- To assist the Local Authority in its enforcement and regulatory functions within Lymington, Totton, Ringwood, New Milton, Hythe and Lyndhurst.
- To assist in Traffic Management.

D

- To assist in supporting civil proceedings - which will help detect crime.
- To reduce incidents of public disorder and anti-social behaviour.

2.3 Background

Section 17 of the Crime and Disorder Act 1998 states that all relevant authorities, which include Town and Parish Councils, have a duty to consider the impact of all their functions and decisions on crime and disorder in their local area. The Act also introduced a partnership approach to local crime reduction and platforms should be established to ensure local issues are not ignored.

The already established 'Safer New Forest Partnership' brings together partners in accordance with the Act, with an annual Strategic Plan directing focus yearly on clear objectives.

Since 2002, Public Space CCTV has been in operation, funded by New Forest District Council with contributions made from those Town and Parish Councils who directly benefit from it. The CCTV system continues to meet the objectives for which it was installed, as clarified in regular Privacy Impact Assessments and incident statistics.

The presence of Public Space CCTV should be recognised as a partnership approach to tackling Crime and Disorder in the New Forest. This agreement serves to document this approach and provide additional clarity aiming to improve the effectiveness of the partnership.

3. Period covered

This agreement commences on *1st October 2019* and will continue indefinitely or until terminated by mutual consent or in accordance with section 6. A review of this agreement will take place at each CCTV Partnership meeting.

4. Relationships

4.1 Principles of partnership

All members are expected to agree to our principles of partnership. These are set out at Annex A.

4.2 Membership

The partnership consists of the organisations listed above under *details of partners*.

4.3 Communications

The CCTV partnership will formally convene on a Bi-Annual basis and this meeting will be chaired by New Forest District Council. Monthly statistic reports will be sent out by New Forest District Council summarising the performance of the CCTV cameras in each location.

5. Membership roles and responsibilities

5.1 Individual Partner Responsibilities

Partner: New Forest District Council

<p>Delivery of a 24 hour Public Space CCTV Service to include staffing, operation and maintenance of the control room and the network of cameras around the district.</p>

<p>Produce statistics on a monthly basis relating to the performance of each camera and incidents recorded for each Town/Parish</p>

Partner: Hampshire Constabulary
--

<p>To provide resources, by way of a Policing response to crime in the New Forest area. This includes a response if deemed appropriate to incidents monitored on the NFDC CCTV System.</p>
--

Partner: Town and Parish Councils
--

<p>To financially contribute towards the operation of the CCTV Service as part of the local Community Safety strategy.</p>
--

5.2 Collective Partner Responsibilities

Each partner will collectively deliver the services as set out in Annex B

5.3 Attendance at partnership meetings & sub groups

All partners are expected to attend partnership meetings (or an update in their absence) and where possible send the same representative each time to ensure continuity

D

6 Financial arrangements

6.1 Details of funding

NFDC will operate the CCTV system, Town and Parish Councils will agree to an annual contribution per camera towards transmission and maintenance of cameras in their area to be agreed annually between partners. Termination of this arrangement can be made by either party and must be given in writing 3 months prior.

Signed on behalf of:

New Forest District Council

Town/Parish Council

Annex A

Partnership Guiding Principles

As a partnership we agree individually and collectively to adopt the following guiding principles which we believe will improve our services.

Openness and transparency

We will adopt the principles of openness and transparency in all aspects of its operation and communication. This means that we will share information in a timely and accurate manner; that we will raise issues and problems as soon as possible and work creatively and constructively to find a resolution and that we will raise questions and queries promptly and share knowledge and expertise.

Sharing good and best practice

We recognise that each of us has something to give to the partnership and that equally we have something to get from it. We will share learning through identifying good and best practice. Each partner will be encouraged to adopt best practice that they see elsewhere and to share examples widely within the partnership for the benefit of everyone.

Commitment to high standards and continuous quality improvement

We are committed to delivering high quality services and will work to ensure continuous quality improvement of our service provision. This means that we will set and expect high standards which we will monitor. We will support each other to develop our collective standards

Operate sound business practices.

Partners will work as a collective, ensuring efficiency in our shared service delivery, using best practice to meet our Community Safety responsibilities. Partners will maintain appropriate records in accordance with General Data Protection Regulations 2018 and the Data Protection Act 2018.

Commitment to flexibility

As a new partnership we acknowledge that we have much to learn from each other and that there may be times when things do not go according to plan or to expectation. We will therefore be flexible in terms of how we operate and be prepared to make changes, often at short notice. We will also demonstrate our commitment to flexibility in terms of our relationships with each other and will endeavour to learn about the different constraints placed on each of our organisations and how these affect how we operate.

Annex B

Collective Partner Responsibilities

Partners will meet their Section 17 (Crime and Disorder Act 1998) objectives through the below actions

- B1. The Partnership will adopt a cohesive approach to the investigation of ASB in areas covered by CCTV. The CCTV and Community Alarms management team will support Town and Parish Clerks with reviews of recorded incidents in their areas. Evidential material will only be shared with the Police for action in accordance with Operational Procedures for Data Release.
- B2. The Partnership will share and communicate relevant intelligence or information that may inform the setup of CCTV cameras and therefore assist in the prevention and detection of crime.

D

- B3. Partnership organisations will endeavour to make members of their management team available at the request of other Partners to discuss issues concerning the provision of CCTV.
- B4. Partners will adopt a shared risk approach to CCTV, with experience and resources being shared for mutual benefit. For example, the CCTV Manager at NFDC may offer assistance to Town / Parish Council's with regard to their own stand-alone camera system and requirements.
- B5. The 'Safer New Forest Partnership' co-ordinates the strategic response to new or ongoing issues in the New Forest area. They will therefore highlight potential locations where a re-deployable camera would be suitable. This recommendation would be based on a 'pressing need' with clear evidence of on-going issues having exhausted other interventions at prevention/detection. All Partners can provide information or intelligence to inform the strategic response with the CCTV System Manager making the final decision in accordance with current legislation and guidance. See Annex C for Re-deployable CCTV Camera procedure (to follow).
