

OPEN SESSION: There was 1 member of the public present for the Grant Aid application.

MINUTES OF THE POLICY & FINANCE COMMITTEE

Held on 21st February 2018 at 7.00pm

PRESENT: Cllr Jeremy Heron (Chairman)
Cllr Steve Rippon-Swaine (Vice Chairman)
Cllr Andy Briers
Cllr Philip Day
Cllr Anne Murphy
Cllr Gloria O'Reilly
Cllr Michael Thierry
Cllr Chris Treleaven
Cllr Tim Ward
Cllr Angela Wiseman

IN ATTENDANCE: Chris Wilkins, Town Clerk
Rory Fitzgerald, Finance Manager
Nicola Vodden, Meetings Administrator
Sadie Chambers, Student Advisor

F/5532 APOLOGIES FOR ABSENCE

The Town Clerk reported that apologies for absence had been received from Cllr Ford and Joshua Kidd, Student Advisor.

F/5533 DECLARATIONS OF INTEREST

Cllr Thierry declared a pecuniary interest in payment 3002429 as he is the proprietor of Forest Newspapers.

F/5534 MINUTES OF THE PREVIOUS MEETING

RESOLVED: That the minutes of the meeting held on 17th January 2018, having been circulated, be approved and signed by the Chairman as a correct record.

F/5535 GRANT AID

Members considered a Grant Aid application from Home Start New Forest (*Annex A*).

Terry McNaught, Co-Ordinator for Home Start New Forest, presented the application explaining her role and the types of support offered to families in Ringwood (and other areas of the New Forest). There are many ways in which assistance is given and this is often tailored to complement other agencies, if they are involved.

She explained how the national organisation provides training, advice and policies to adopt, but that the local branch is registered as a charity and reliant on fundraising to secure sufficient funds to operate. Volunteers are trained and managed by the employed Co-Ordinator, who assists in identifying issues and the best way to support families through difficult times. She indicated that a number of families are dealing with mental health or

disability issues and are often referred by health care professionals. With the continuing reductions to funding available to local authorities to provide support services, the need for the service had increased.

Members agreed that Home Start New Forest was a good cause that should be supported in providing a service of this nature to families experiencing difficult times and, therefore, made an award of £300.

RESOLVED: That, in exercise of the general power of competence, a grant of £300 be awarded to Home Start New Forest towards running costs involved in the provision of its service to families in the Ringwood and the New Forest area.

ACTION A Greenfield

F/5536 MONTHLY FINANCIAL REPORTS

Members considered the Monthly Financial Reports, attached to these minutes as *Annex B*.

Cllr Thierry declared a pecuniary interest in payment 3002429 as he is the proprietor of Forest Newspapers.

The RFO made reference to payment 3002419 for installation of the lighting at Carvers and confirmed that this had been covered in its entirety by Section 106 funds..

The payment for parking clocks was noted and Members wished the issuing of staff clocks to be re-visited at a later date. It was also noted that although payment 3002360, for the balance of the firework event, was dated 16 January 18, that was the date it had been entered on the system and the payment had been made at an earlier stage. The RFO confirmed that the backlog of payments had been cleared.

Annex B(d), the inter account transfer authorisations report, would be reviewed by the RFO to provide Members with a more meaningful report to explain the figures presented.

ACTION R Fitzgerald

Referring to the budget monitoring report (*Annex B(e)*), the RFO indicated that income and expenditure was on track with the revised budget and that there was expected to be some underspend by the end of the financial year.

A separate report had been included for The Place, as requested, and in the future would appear in summary form each month. This would help to show costs of this facility, which it was hoped would reduce year on year, as the use of the building increases.

RESOLVED:

- 1) That of the list of payments on the Imprest account, included in *Annex B*, be authorised. Cllrs Heron and Rippon-Swaine signed the report.
- 2) That the list of Petty Cash payments for January be authorised. Cllrs Heron and Rippon-Swaine signed the report.
- 3) That the Statement of Town Council Balances be received and noted.
- 4) That the Inter Account Transfer be authorised. Cllrs Heron and Rippon-Swaine signed the report.
- 5) That the Finance Manager's report and budget monitoring report for Period 10 be received and noted.

ACTION R Fitzgerald

F/5537

SCHEDULE OF MEETINGS

Members were referred to *Annex C* and asked to approve the schedule of meetings for the period April 2018 – May 2019. It was noted that the Full Council meeting on 25th July would take place in the Gateway Square, weather permitting.

RESOLVED: That the schedule of meetings for the period April 2018 - May 2019 be approved.

ACTION N Vodden / C Wilkins

F/5538

REPLACEMENT OF FRONT DECK MOWER

The Town Clerk referred Members to *Annex D* and requested that the purchase of a new front deck mower be authorised. He commented that the Head Groundsman had secured a quote that would save the Council in the region of £5,000.

Enquiries had been made to determine the ongoing maintenance costs of the flail deck proposed, in comparison to the rotary mechanism. The costs for servicing and replacement blades for either mower would be similar, at around £350 + VAT per annum.

Members were assured that the new machine was a similar size to the old equipment and that it was fit for purpose, with the ability to cope with rough areas, along with ornamental lawns.

RESOLVED: That the purchase of the Kubota F3890 in part-exchange for the Kubota F3680 be authorised, at a net cost of £11,526, as early practicable in the next financial year.

ACTION C Wilkins

F/5539

PROJECT OVERSIGHT

The Town Clerk referred Members to the current projects report and the new projects planner (*Annex E*).

Current projects

B1 Gateway – heating and cooling upgrade – The Town Clerk reported that a contractor had been selected following NFDC's tender process but that the proposed start date had been postponed. He expected works to commence late March. The Town Clerk and RFO would find out the exact cost of the contract, so that the Council's proportion of the cost could be established.

ACTION C Wilkins / R Fitzgerald

C1 Post-audit action plan – The RFO indicated that there were two areas of work that were being progressed. He was due to conduct a review of the Asset Register in the next week or so and he hoped that an updated version of the Financial Regulations would be available to present to Committee at the March meeting.

New projects

A1 Millennium Clock (Furlong Car Park) – The Town Clerk indicated that the budget had been agreed and an order would be placed early in the new financial year, so that this project could be progressed.

RESOLVED: That the update to current and new projects be received.

ACTION C Wilkins

There being no further business, the Chairman closed the meeting at 7.49pm.

Note: The text in the Action Boxes above does not form part of these minutes.

Details of Grant Request

Amount requested	We will be guided by the Parish Council, but any amount including small amounts of a few pounds would be gratefully received as we try to reach our £30,000 target for running costs. £
------------------	--

A

<p>What is the purpose of the grant?</p>	<p>To enable Home-Start New Forest to continue to support families with children aged five years or under in the New Forest area who are experiencing difficulties. Continuing reductions in funding available mean that demand for Home-Start New Forest's help is greater than ever. However, Home-Start New Forest is completely reliant on securing sufficient funds through its own fundraising efforts in order to maintain its services. All volunteers are required to be trained and supervised, for which we rely on our employed co-ordinator. Funding is needed, too, for volunteer travel costs, co-ordinator travel costs and the small amount of administrative support that enables HSNF to fulfil its obligations. We urgently need to secure funding for the coming financial year to ensure that our volunteers can continue to provide the much-needed help that they give.</p>
--	---

<p>How would the people of Ringwood benefit from your receiving this grant?</p>	<p>Home-Start New Forest, affiliated to Home-Start UK, provides support to vulnerable families with young children across the local area who are struggling to cope owing to a wide range of difficulties. These include dealing with the impact of mental and physical ill-health in the family, housing and financial management problems, social isolation and issues relating to children's behaviour. Providing support in the home during the early years of a child's life is known to be particularly valuable in helping to off-set the long term effects of early disadvantage, making it a cost-effective and humane means of intervention (Evangelou et al. 2008; Heckman 2006). Support for families through Home-Start New Forest is delivered by our team of trained volunteers, who are managed and supervised by our part-time staff. Support of this kind has distinct long-term benefits (Hermanns et al. 2013).</p> <p>Families are referred to us by health visitors, GPs and children's and family services, amongst others. Our current referrals continue to illustrate the necessity of Home-Start New Forest's service to local families. Feedback from the families we help evidences their appreciation of the work of our volunteers, who are the charity's greatest strength. However, their work is dependent on having funding available for the training, supervision and co-ordination that make it of such a high quality. There remains no comparable service across the New Forest. Continuing reductions in funding available to local authorities and services provided by local authorities mean that demand for Home-Start New Forest's help is greater than ever.</p> <p>Although Home-Start New Forest comes under the umbrella of Home-Start UK, it is solely responsible for securing its own funding in order to continue to operate and to provide much needed services to local families with young children.</p>
<p>How many Ringwood people would benefit?</p>	<p>However many families with young children who are deemed to be in need of support and are referred by other agencies or who self-refer.</p>
<p>Total cost of project</p>	<p>The attached document titled HOME-START NEW FOREST BUDGET APRIL 2017 – MARCH 2018</p>

REPORT TO POLICY & FINANCE COMMITTEE – 14th FEBRUARY 2018
BUDGETARY CONTROL - 2017/18 PERIOD 10 (TO END JANUARY) & REVISED
OUTTURN FORECAST 2017/18

1. BACKGROUND

- 1.1 The purpose of this report is to inform Members of the actual income and expenditure for the first ten months of the year, April 2017 to January 2018. The report also includes an updated budget outturn forecast, which includes known and unavoidable budget variations.

2. INCOME & EXPENDITURE APRIL 2017 TO JANUARY 2018

- 2.1 Page 1 of Appendix 1 attached to this report shows that the Council's total Committee expenditure for the first ten months of the year is £508,988, or 74.7% of revised planned expenditure for the year. Excluding capital expenditure the figures are £503,739 and 76.4%. Income receipts at the end of January stand at £186,384 or 82.4% of the revised budget estimate.
- 2.2 Members previously requested that the Place be separately identified within the budget reports. This has now been done and the detailed budget analysis is also appended to this report (Appendix 2) together with the regular budget monitoring analysis (Appendix 1) which is summarised to Committee level. An analysis of income is included at Appendix 3.
- 2.3 Both spend and income remain generally on target to meet the revised budget. There are, however, some modest variances, the most significant of which include:
- Maintenance, including buildings maintenance is generally underspent. Much of this is due to the outstanding shared costs of the Gateway Building which is invoiced at year end, but excluding that item, maintenance budgets are only 48% spent.
 - Employee costs have reduced following staffing changes at the Place and are currently running some £8,500 per month below the revised estimate. This position will change now that the management post at the Place has been filled, but there will be a saving against employee budgets at year end.
 - There have been some small increases in activities expenses, totalling £1,200, but these are more than offset by higher than anticipated receipts for recreational activities which have increased by £1,500, mainly due to additional revenue from the football club.
 - Cemeteries income is still likely to be below the revised budget figure, but the outlook is not now as pessimistic as previously reported.
- 2.4 The only other area where there is any notable variance between actual spend and the revised budget is within Planning, Town and Environment Committee. This is almost entirely due to the slippage of additional schemes which were added to the 2017/18 budget. The additional schemes were expected to add £11,500 to the budget in the current year, but only the Butler Lane footpath enhancements work is likely to proceed and at a reduced cost of £2,500.

3. OUTTURN FORECAST

- 3.1 The revised budget was approved at the November meeting of this Committee. However, the outturn forecast will continue to be refined up to year end as actual spend and income is realised.
- 3.2 A line by line analysis of actual spend and likely activity between now and year end suggests that outturn expenditure will be some £18,485 below the revised

B

budget, whilst revenue income will be some £1,652 below the revised plans. The net reduction is therefore £16,833 which will be added to reserves. This is largely explained by the slippage of projects within the Planning, Town and Environment Committee, as noted above and provision will need to be made in reserves to allow these projects to progress in 2018/19. There also remains uncertainty on the timing of some significant expenditure such as the upgrading of the heating systems at the Gateway for which the Town Council contribution is expected to be £13,500. At present it is assumed that this expenditure will be incurred in the current year.

- 3.3 Total reserves are now expected to increase by £29,475 with transfers to and from the revenue account. In addition, CIL receipts of £ 12,047 have been received during the year. Total reserves are now predicted to be £464,718 at the end of March 2018. Earmarked reserves will increase by £30,059 including the CIL receipts, to £200,325 whilst the General Reserve is predicted to increase by £11,463 to £ 264,392.

Replacement of front-deck mower

1. Introduction and reason for report

1.1 The council has included provision in its 2018-19 budget for replacement of its ride-on front-deck mower. The Grounds Foreman recommends making the replacement in April to reduce servicing costs. Further information has been obtained and a final decision is therefore being sought now.

2. Background information, options, impact assessment and risks

2.1 The machine to be replaced is the Kubota F3680 ride-on mower registration number HF11 AOZ bought in 2011 for £13,600 (see Figure 1 below).

2.2 The proposal is to buy a replacement which is substantially identical save that trials have shown that a “flail” type deck would be an improvement on the “rotary” type fitted to the current machine (it is more versatile yet produces a similar quality of cut). Quotations have been obtained as follows from suppliers operating locally as follows:

Supplier	Machine	Net cost after trade-in (ex. VAT)
“A”	John Deere 1570 front mower c/w Trimax FX155 flail deck, road lighting and registration	£17,800
“A”	John Deere 1580 front mower c/w Trimax FX155 flail deck, road lighting and registration	£18,900
“B”	Kubota F3890 front mower c/w Trimax FX155 flail deck, brackets for strimmers, road lighting and registration	£11,526

Supplier names have been with-held for commercial reasons; councillors may apply to the Town Clerk to be told them if desired.

2.3 Officers seek authority to proceed with the purchase of the Kubota machine (see Figure 2 below) from Supplier “B” giving the existing machine in part-exchange.

Figure 1 - Kubota F3680

Figure 2 - Kubota F3890

3. Issues for decision and any recommendations

- 3.1 ***Whether to authorize the purchase of the Kubota F3890 in part-exchange for the Kubota F3680 at a net cost of £11,526 as early as practicable in the next financial year. (RECOMMENDATION: Authorize the purchase and disposal)***
