21 December 2015

Dear Sisters

Greetings from Rome. It is with real pleasure that I write these few words of introduction to our Congregation Mission Plan. There has been much conversation, discussion and brain storming over the last year to bring the Congregation Mission Plan (CMP) into being. In provinces and regions you carried out an analysis of the strengths, weaknesses, opportunities and threats (SWOT) and looked at what your priorities were for the next five years.

In the early stages we wondered how we could achieve such a plan and now with your collaboration and the dedicated work of the members of the EGC, the CMP has become a reality. After the EGC, the leaders of each province and region confirmed some final details which were submitted to the CLT and the final document has been produced.

At the EGC, there was a real sense of satisfaction and excitement when we had a ritual to accept the CMP and commit ourselves to its implementation over the next five years. I would like to thank Denise Kuyp and Catherine Brabender, who through their skilled facilitation, enabled the CMP to be realized at the EGC. It is a document containing new mission projects, summaries of the missionary activities of the congregation and a building plan. This plan gives us a comprehensive understanding of our priorities and commitment to mission for the years ahead. It will be reviewed and evaluated regularly. I thank each one of you for your participation in bringing it to fruition.

May God's spirit of wisdom, creativity and hope guide and direct us in our lives as contemplative missionaries.

With blessings of peace

Josephine Kane RNDM
Congregation Leader

4 February 2017

Dear Sisters

Greetings from Rome. At the Enlarged General Council in Bangalore in September 2015 we were able to bring the Congregation Mission Plan (CMP) into being. This document is extremely helpful in giving direction and priority to our energy for mission and ministry in provinces and regions across the congregation. Like any plan, there needs to be regular review and evaluation.

At the Leaders' Meeting held at St Rambert in November 2016, we took time to review and evaluate the CMP. The work of review and sharing enabled leaders to see what progress has been made, what needs to continue, what is not proceeding and what new projects were added to the CMP.

Many revisions were made while we were together at St Rambert and in the last weeks, you have been asked to confirm what you have written in your plan. We are pleased to be able to send you a revised copy of the CMP and hope that you will share it in your provinces and regions as we commit ourselves to its implementation over the next four years. When we look at the whole plan we can see the great energy, service and dedication that is being given in life and mission across the congregation, Church and society on five continents. "The common good, the life of the whole is our prime concern...." We are One, We are Love. p.12

I would like to thank Catherine Brabender, who through her skilled facilitation, enabled us to evaluate the CMP and to be realistic in its proposed outcomes. This CMP is a working document. It is a document containing new mission projects, summaries of the missionary activities of the congregation and a building plan. This plan gives us a comprehensive understanding of our priorities and commitment to mission for the years ahead. It will continue to be reviewed and evaluated regularly. I thank each one of you for your participation in implementing it as a useful tool to give us focus and direction in mission.

May God's spirit of wisdom, creativity and hope guide and direct us in our lives as contemplative missionaries.

With blessings of peace

Congregation Mission Plan

2015-2025

Vision-Mission Statement

Vision

“I am doing something New”, living in unity for the Mission of God-Trinity.

Mission

As RNDM contemplative missionaries we are drawn into an incredible mystery of Divine relationship where we recognize ourselves called not “servants but friends,” partners, co-creators with God!

(We Are One, We Are Love, pg. 9)

Our priority as RNDMs is to be present to and work with those who are vulnerable and neglected, those marginalised in our world today, with particular regard to women, children, youth, indigenous peoples, migrants and victims of human trafficking.

(I Am Doing Something New, pg. 12)

Prologue

The 2014 Congregation Chapter put forward the following recommendation:

“The CLT in consultation with PLTs/RLTs/New Foundations and members, develop a Congregation Mission Plan for 2014-2020...”

After inviting all areas of the Congregation to submit their Province/Region mission plans, the CLT called the leaders to an EGC gathering in Bangalore, India (August 30 – September 18, 2015) to work together to develop a Mission Plan for the Congregation.

This CMP is approved by the CLT (October 15, 2015) for implementation and is comprehensive of the following:

- New mission projects when particular conditions have been met according to the criteria outlined in Directive 27
- Present missionary activities in the Congregation (all data accurate as of October 15, 2015)
- Building Plans to facilitate the ongoing mission activity in various parts of the Congregation
- Long term possibilities for new missionary involvement.

Effective implementation of the CMP requires the ongoing collaboration at all levels of the congregation together with all our partners in mission. Annual review and evaluation are essential. While the CLT with the EGC were mandated to develop a CMP for 2014-2020 it is understood that this CMP forms the basis for ongoing implementation well beyond.

This CMP is a step toward greater collaborative sharing of personnel, finance and planning. It is evident that effective implementation will impact the living out of our charism – Contemplation, Communion and Mission. “The common good, the life of the whole is our prime concern.” (*We Are One We Are Love* p. 12)

NEW MISSION PRIORITIES 2015-2020

Name of Province: Canada

Objective 1: To work in collaboration with Canadian Oblates in establishing a new mission with indigenous people in Winnipeg, Canada				
Action Steps	Timeline	Finance	Personnel	Possible Personnel
