Roscommon Golf Club wishes to acknowledge and express its gratitude for the generous contribution of all our sponsors who make this fixture list possible. We ask all our members to support our many generous sponsors who continue to support us throughout the golfing year.

Please also encourage new members to join and particularly lapsed members to rejoin our club and persuade societies and groups to use our excellent facilities.

We look forward to a safe and enjoyable participation by all members in club competitions. We extend a very warm welcome to all societies and green fee golfers to Roscommon Golf Club and finally good luck to all our teams representing the club in 2024.

We wish everyone enjoyable golf in 2024

Rosemary O'Brien, Honorary Secretary

Tom Costello, President

Phil Murray O'Brien, Lady Captain

Seamus Duke, Captain

All Members

Competitions: When entering a competition you must enter your name on BRS, enter your card number prior to playing on the computer system in the locker rooms and again when returning your score. All competitors must return Score Cards. All prizewinning scores in partnership golf must be reported for handicap evaluation. Timesheets must be used properly at all times. Timesheets can be accessed through BRS. Notice of presentation of prizes will be posted through BRS and prize winners should attend. Failure to attend or be represented may result in forfeiture of your prize.

Online Booking

The introduction of online booking in 2016 has been generally accepted as a tremendous advance on the old system of timesheets on notice boards. It enables members and visitors to book their time from the comfort of their home. We would urge any members who have not registered to do so this year using their Golf Ireland number. Please note that you must book a tee time online even if you only playing casual golf.

TEE TIME TIPS

1. Please ensure you are on-time for your pre-booked tee-time
2. Be ready to play when it is your turn and play "Ready-Golf" where possible
3. Move swiftly to the next tee when you and your group are finished putting
4. If the group behind has caught you, please allow them through on the next tee-box or wherever appropriate
5. Enjoy your game!

GOOD COURSE PRACTICE - DO YOUR PART

1. On the green, repair your own pitchmark plus one other you can see.
REASON: This helps our course have consistently good greens all year round
2. After you have played your bunker shot, please rake all footprints and any disturbance to the sand from your shot.
REASON: This allows the groups behind you to play the course as you did and helps to have playable bunkers all year round
3. Keep all Trolleys and Electric-Trolleys at least 5 metres back from greens.
REASON: Especially after wet weather, this stops Track marks developing on the green surrounds which is damaging to the grass and will take a long time to recover, which impacts all members.
4. When weather allows Buggies to be used, keep all Buggies at least 10-15 metres back from greens
REASON: Especially after wet weather, and due to the weight of golf buggies, this will stop track marks developing on the green surrounds and run-ups which are damaging to the grass and will take a long time to recover, which impacts all members."
