Introduction

The Road Safety Authority (RSA) is recognised as the leading voice for road safety nationally and a leading voice internationally, driving change in attitudes and behaviours in road users, collaborating with key stakeholders to save lives. The RSA works to improve road safety in Ireland by:

- developing and implementing public awareness and education campaigns to increase awareness of road safety and promote safer road use
- improving vehicle standards and oversight of the vehicle roadworthiness tests for private and commercial vehicles
- establishing and monitoring a standard for driving instruction
- overseeing the system of driver licensing and undertaking certain enforcement activities
- having responsibility for testing of drivers through the driving test
- working with stakeholders to ensure a co-ordinated response and ensure our collective resources are used wisely and efficiently
- coordinating the development and monitor the implementation of the Government Road Safety Strategy 2021–2030
