

# What employers must do for you

**1** Decide what could harm you in your job,

and the precautions to stop it.

**This is risk assessment.**

**2** In a way you can understand, explain how risks will be controlled,

and tell you who is responsible for this.

**3** Consult and work with you and your health and safety representatives in protecting everyone from harm in the workplace.

## Health & Safety Training

**4** Free of charge, give you the health and safety training you need to do your job.

**5** Free of charge, provide you with any equipment and protective clothing you need,

and ensure it is properly looked after.

**6** Provide toilets, washing facilities and drinking water.

**7** Provide adequate first-aid facilities.

**8** Report major injuries and fatalities at work to our Incident Contact Centre:

**0845 300 9923**

Report other injuries, diseases and dangerous incidents online at

**[www.hse.gov.uk](http://www.hse.gov.uk)**

**9** Have insurance that covers you in case you get hurt at work or ill through work.

Display a hard copy or electronic copy of the current insurance certificate where you can easily read it.

**10** Work with any other employers or contractors sharing the workplace or providing employees (such as agency workers),

so that everyone's health and safety is protected.
