Why Choose Sale Conservative Club

All weddings and civil ceremonies can be expensive but if you want to maximise your budget then come to Sale Conservative Club where we can offer you real value for money on your special day.

We can offer an alternative to going to the Registry Office for your ceremony or to the other extreme of hiring an expensive grand venue.

Our function rooms are the perfect place for your Ceremony. We can offer two rooms depending on your requirements The Priory Wood and the Priory Garden or even both for the greatest flexibility. If you opt to hire both rooms the ceremony could be held in one room whilst the other room is set ready for your wedding breakfast. No need to hang around whilst the room furniture is repositioned. As the day proceeds the smaller of the rooms can be used as a room for guest preferring a quieter setting or for other activities that you may decide you would like.

Both rooms have temperature-controlled air conditioning for either heating of the rooms or cooling .

Priory Wood function room has two sets of double doors that can be opened up to our covered terrace on those days when we have extremely hot weather.

Yes, this can be done in several ways: If you just want to pay for the first drink then inform the Steward and when everybody has had a drink, he will let you know and you can settle up.

If you want to set a limit this can also be done by informing the Steward.

A Personal Emergency Evacuation Plan (PEEP) will need to be completed and submitted.

Yes, there is a large free car park set within our grounds which can hold over 50 Cars.

There is ample room for the Wedding Car to park

The car park is large enough that a Bus or Coach can easily drive in and drop off and pick up as required.

By prior arrangement the larger vehicles may be able to stay until ready to leave . A section of the car park would be cordoned off for this purpose.

Car security is important to us and while cars are left entirely at the owners own risk this is minimised by the very high walls around the Club . During the darker evening the car park is well illuminated.

These areas are also covered by CCTV.

If you wish to leave your car overnight, speak to the Steward as the gates are locked until morning. He will inform you from what time cars can be picked up

There is a Travel Lodge 1.1 miles from the Club and a Premier Inn 3.9 miles away.

16) Is the use of Confetti allowed ?

We do not allow the use of man made confetti at our venue due to the harmful effect to the environment. This also applies to indoor poppers and man-made table confetti.

We do allow biodegradable confetti providing it is used outside.

17) Can we come in early and Dress the Room ?

During your period of hire it is yours to come in when you want but it may be hired by others outside of this time so it may not be possible. We would try to accommodate this if we could but you would need to confirm to find out if the room is in use or not. We offer the option of all Day Hire which may be more suitable for your needs.
