

End-Use Statement (EUS) Form

http://www.SatelliteDish.com 954-941-8883

ATTN: _____
FROM: _____

REF: Customer PO Number: _____
Program/Project Name: _____

In support of U.S. Export laws and as required for SatelliteDish.com acceptance of the order, the following End Use information is provided.

I. End User: Full Legal Name and Street Address (no P.O. Boxes)¹

NOTE: If the End User/Ultimate Consignee is located in an Office of Foreign Assets Control (OFAC) sanctioned country or is identified on OFAC's Specially Designated Nationals and Blocked Persons List, additional information will be required prior to acceptance of the Order.

II. End-Use Location:

(a) If the permanent installation location of the end item(s)² is (are) the same as the End User address noted above, please state "**Same as End User address above**". Otherwise, please identify the address (or addresses if more than one site) where the end item is intended to be permanently installed:

(b) If the end item installation address is **not** fully known or is one of various site possibilities, please describe the possible intended location(s) of the end item(s) in as much detail as known at this time (e.g. site or facility name, nearest main street, town, etc.):

(c) Describe the **nature** of the facility or site where the end item is intended to be located ³ If the end item is **transportable** or **mobile** in nature, please identify the **inventory storage location** and/or **deployment** or **field location** in as much detail as known at this time:

III. End Item Description/Specific Purpose of End Item:

(a) If the order is exclusively for parts, components, or subsystems of a communications or antenna system, please describe the nature of the **end item(s)** that these items will be installed on or incorporated within:

¹ If the End-User is a government or military user, please identify the applicable division, branch or agency that the end-user is associated with. For certain Middle East customers, if street address is N/A, give a GPS coordinate or building location landmark, unless a P.O. Box is all that can be given.

² End item is defined as the product or system that the SatelliteDish.com product will be incorporated within.

(b) Describe **how** the end item is intended to be used by the **end user**. In other words, please describe the **operational use context or purpose** for which the end item will be used, including the type of information to be exchanged:

(c) If the intended end-use is for stock, then please state **"End use is for stock"** (Note – this response cannot be used if the end customer or end user is known):

IV. End-Use Beneficiaries:

Describe **who** will benefit from the operation of the end item. In other words, please describe the primary **beneficiaries** and/or **users** of the services provided from the **end item**? This can include the operator of an item and type of customers or clients to whom services are to be provided.

V. Other Parties: Identify any other known parties involved in transporting, delivering, brokering, integrating, and/or reselling the ordered item(s) to the End User:

1. Freight Forwarder Name and Street Address (no P.O. Boxes):

2. Customs Broker Name and Street Address (no P.O. Boxes):

3. Systems Integrator name and Address (no P.O. Boxes):

VI. Is one or more of the entities or items shown in the Order involved in or intended for use in the design, development, distribution, manufacture or sale of:

- 1. Nuclear power or weapons, biological or chemical weapons of any type? Yes No
- 2. Missiles (including Unmanned Aerial Vehicles or UAVs) or rockets of any type? Yes No
