

Authorized & Direct Lines

Adam Tech

Offering a wide range of world class connectors and cable assemblies. Innovative connector designs and manufacturing capabilities that reduce cost and improve performance in a broad range of applications.

FioX

High quality cabling and connectivity solutions including, USB, HDMI, DVI, Power Cords and more at the most competitive prices. Custom lengths and configurations are available based on volumes.

Geyer Electronic

A leading manufacturer of frequency products, quartz crystals, oscillators, and ceramic resonators. Great for long life cycle applications, they will support for 20 years!

Lumineq

The most transparent displays in the world. Beneq's Lumineq displays add value and functionality that improves information flow, safety, ergonomics, situational awareness and overall user experience.

STOCKO

A leading European manufacturer of electro-mechanical components for more than 100 years, including connector systems, crimp contacts, solderless terminals, stamping parts and termination technology.

REFLEX CES

A leading manufacturer of high-speed boards and rugged system solutions based on high-density FPGAs and processors. Hardware solutions that reduce engineering time enabling go to market faster.

Wall Industries

A leading manufacturer of power products for more than 50 years offering a full line of DC/DC converters and AC/DC power supplies with an emphasis on customized solutions made in the US.

ZEUS Battery Products

Custom and standard battery solutions for a broad range of products and applications, in both rechargeable and non-rechargeable chemistries.
