Model 20V1T / 20V2T:

The 20V1T is a thundering, 20HP warning siren that is a perfect fit for both large municipal applications and industrial clients with high ambient background noise. To make this siren an excellent choice in a wide range of applications, the 20V can be ordered in either a single tone (20V1T) or dual tone (20V2T) configuration. This is a monster!
