Greetings to you all – students, teachers, staff, parents and supporters of Manawa Tapu! We are immensely proud of the achievements of our students this year and thank all of you who have contributed to the rich educational offering at Sacred Heart Girls' College.

Our long-established tradition at Manawa Tapu is excellence in education while embracing gospel values. We are very proud of how our students are engaging in a broad range of subjects, extra and co-curricular opportunities and service to our community as a Catholic college. Our theme for 2024 has been "Kua tae mai ahau kia whiwhi ai te ora – te ora maha- I have come that you might have life and have it in abundance" So many of our students are making the most of their abundant opportunities for learning. I thank God for our many blessings as a college community.

We give thanks for our Mission Sisters and for the charism of Contemplation, Communion and Mission they have instilled in our college. We are so blessed to have them with us to guide us and support us on our journey. Thank you to Sisters Colleen, Mary, Veronica, Lidwina, Martha, Margaret Monaghan, Margaret Mullin and Anne for your involvement with our school. This year, we have also enjoyed reconnecting with Sister Mary Elizabeth Malloy who was the principal when Elizabeth House was established.

We continue to enjoy our connection with the other Catholic and RNDM schools and we are very proud of all our students who competed at both O'Shea Shield at Sacred Heart College, Napier and Mission Cup and Te Toa at Sacred Heart College, Hamilton. We came away with both the Mission Cup and Te Toa Shield – well done to our netball and hockey

teams! In 2024 some of our staff have had the privilege of attending Catholic Convention in Wellington and our Head Girl and Head Boarder teams attended the RNDM Retreat at Waikanae with Sister Anne.

We continue to work closely with the Parish of Ngāmotu and Sacred Heart Girls' College is very much part of the parish. We are blessed to have many of our rangatahi actively involved in the music ministry, regularly contributing as eucharistic ministers or scripture readers and involved with the confirmation programme and youth group at St Joseph's and in school.

Congratulations to all our students who have "had life to the full" this year through getting involved with music, Rockquest, Chamber music, BandQuest, Jazz festival, ShowQuest, Talent Quest, Interaction revolution, Kapahaka, Komiti Kaitiaki, an incredible uptake of TSSSA events, regular weekly sports teams, Aims games, Winter tournament and other regional and national sporting events.

Congratulations to our Year 13 cohort and student leaders for organising an incredible programme of events this year. From House competitions – swimming, athletics, singing and drama to our council led and special character events and your part in the interaction revolution and fundraisers such as Airbands and Mission Market Day. You make our school the exciting place it is! A massive thank you to our Year 13 Faith in Action class and all the student and staff volunteers capably led by Bernadette Forsyth, for running the school canteen this year. This has been an incredible service to our community. Arohanui!

Our PTFA has been active this year with several initiatives, and I would like to thank publicly the hard-working committee led by Sharyn Watson. The PTFA has supported the school and our students in many ways this year, including catering for and supporting the Year 13 Formal held at St Joseph's church hall, the native tree fundraiser in conjunction with 800 Trust, and our High Tea for Alumni (past students). We are planning to invite our Alumni back to the school each year, on the first Saturday of November. We value our connections with our former students and staff and would like to nourish this connection.

I would like to thank our School Board, Mission College New Plymouth Trust Board and Hostel Management Board members and in particular Catherine Grogan, Mark Butterworth and Helen Stokes for their roles as chairs. We are extremely well cared for as a school and faith community. We thank our Boards for their vision, manaakitanga and dedication to the school and hostel. A special thanks to the MCNPTB for our upgraded hostel and new roof this year.

Thank you to our wonderful staff who work tirelessly to provide the high-quality educational experience at Manawa Tapu. Thank you to the Senior Leadership Team: Holly Miller and Jeremy Taylor (Deputy Principals), Wendy Mulligan (DRS) and Kim Goodey (Assistant Principal) as well as Denise Stachurski (Executive Assistant), Claire Gyde (Business Manager) and Marina Walsh (Hostel Manager) for your help steering our Manawa Tapu waka.

In 2024 we welcomed a large team of new staff: Claire Hodson and

Charlotte Poffenroth (Science), Erika Maifea (PE & Health part-time), Jade Harrison (Year 7 & Year 8), Emma McIntosh (English and Social Science), Ria Cummings (Guidance Counsellor), Claire Southee (Librarian), Lyn Hoskin (Property Administrator), Tracey Brear and Lisa Southall (Teacher Aides) and Julia O'Neill (Food). We farewelled Helen Manning (Food) at mid-year. Amanda Brown (Geography) has been on refreshment leave and Richard MacCallum has taken her classes.

We give thanks to God for our many rich blessings.

# Mission College New Plymouth Trust Board

Mark Butterworth | Chairperson

*The completion of much needed external works to the schools boarding facility Elizabeth House was this year's biggest achievement for the Mission College New Plymouth Trust Board (MCNPTB).*

These extensive works included a re-pitch and re-roof the upper and lower levels, painting the building and fixing most of the external windows. A massive undertaking that now secures the future of the building and the much loved hostel. Elizabeth House is a very important part of the wider school community allowing families to access a catholic education from all around the region. This would not have been possible without the generous funding support of Toi Foundation. So, thank you to Toi

The only other build works completed during the year was another re roof, that of the Chapel.

We are just completing work on a new 10-year property plan in conjunction with the School Board. This has been led by Architect People and will provide both the MCNPTB and School Board with a clear list of property priorities over the medium to long term.

All going well, it is our plan to start the next upgrade of school property in the middle of next year.

During the year we farewelled Mrs Claire Lyon from our Trust Board, as she took retirement. Claire served on our board for 14 years and was a valuable member of our Trust. During the year we welcomed Mrs Catherine

Grogan, who as the new Presiding Member of the School Board also holds a position with us.

Thank you to Mrs Claire Gyde for the work you have done looking after our finance and administration. Thanks to Mrs Marina Walsh, for the great work she is doing in managing our Hostel, Elizabeth House. Thanks again to our principal Mrs Barb Costelloe for the outstanding job she does in leading the school. Finally thank you to all Trustees for your contribution to our Trust Board, you all contribute in your own way as and when required, and it is very much appreciated.

On behalf of the Mission College New Plymouth Trust Board, have a wonderful Christmas and a very happy and safe New Year.

EMILY WELHAM

# Board of Trustees

Catherine Grogan | Acting Presiding Member

## *Tēnā koutou katoa*

*As the end of 2024 draws closer it is my privilege to report to you on behalf of our Sacred Heart School Board as the Acting Presiding Member.*

The year started with some changes on the Board with Mark Butterworth joining us as the Proprietors Representative in place of Robyn Walker. We acknowledge the valuable years of service and dedication that Robyn gave to the School Board and we are lucky to still have the benefit of her experience as she remains on the Mission College New Plymouth Trust Board. Our Presiding Member Cathy Quigan has been on leave to focus on some health issues but we are hopeful that she will be back in the new year to continue the great work she has undertaken for the School.

One of the Board's primary areas of focus this year has been community consultation to assist with the preparation of the School's next strategic plan. Thank you to all those who have taken time to complete the consultation survey and/or shared your thoughts about our School with the Board. It is vital that the strategic goals of the School are a reflection of what is important to our School community. The Board will be reporting back about the information obtained from the consultation in the new year.

The Board was excited that Manawa Tapu became a participant with the Māori Achievement Collaborative for 2024. This will provide opportunities for mentoring, coaching and partnership to lift Māori achievement within our School and positively impact our students, staff and wider school community.

We are thankful to Barb Costelloe and the Senior Leadership Team for their commitment in providing a nurturing and inspiring learning environment for our children which is embedded with the special character of our school. We are blessed with amazing staff at our School who work extremely hard to reinforce the Manawa Mission through ako, manaakitanga and wāhine toa. Special acknowledgement to Denise Stachurski who goes above and beyond with her administrative support to the Board.

Appreciation should also be expressed for the PFTA and for all the wonderful work they do with fundraising efforts. We also appreciate the support of the Mission College New Plymouth Trust Board who all work hard to ensure our School has high quality and fit for purpose buildings and facilities.

During the year It has been a pleasure seeing and hearing about all the achievements of the students. We are grateful for the academic, sporting and cultural events that have been offered within the School in 2024. The diversity and uniqueness of all our children is a gift and the variety of opportunities on offer reflect this.

To the students who have completed their journey at Manawa Tapu we wish you all the very best on your next chapter. We are excited to see what 2025 brings for those who are returning to School.

The Board is looking forward to continuing our work next year for our Manawa Tapu community. In the meantime, we wish everyone a safe and restful Christmas break. May you all have time to do the things that 'fill your cup'.

Ngā manaakitanga

Olivia Perry | School Board Student Rep

# Head Girl Team

Hannah Montalla (Deputy Special Character), Florence Parker (Head Girl) and Livie Murray (Deputy Student Council)

*It seems like only yesterday we were called to the stage, one by one, and announced as the Head Girl Team for 2024. The time has passed too quickly. Already at the end of the year, we wish to reflect on the blessings we and Manawa Tapu have received, and the blessings we have given to others.*

Our school whakatauki this year was, "Kua tae mai ahau kia whiwhi ai te ora, te ora maha- I have come that you might have life and have it in abundance." With phones now out of the picture, it was refreshing to see so many wāhine getting involved in their community through lunchtime activities and school councils.

This year we were amazed to see hundreds of applications for councils, but were devastated that we could not offer every student a place. However, any disappointments were soon forgotten when the councils organised lunchtimes of Just Dance, bumper balls, Adoration, Ascend, and quizzes. These entertaining activities got everyone outside with their friends rather than inside online- no phones in sight!

An exciting new initiative called 'Bible and Biscuits' was introduced by the Special Character Council, which provided fortnightly lunchtime Bible study for girls to learn and embrace their faith. The council also helped run many liturgies throughout the year, such as Ash Wednesday, the Washing of the Feet, and Stations of the Cross during Holy Week. A highlight was Founder's Day Mass, where we were lucky enough to have Bishop John as our celebrant. His homily was particularly inspiring, as he talked about successful young Catholic women such as Lydia Ko,

Katie Ledecy, and Simone Biles, who are not afraid to express their faith and show how their beliefs have contributed to their success.

The Student Council ran dance sessions throughout the year to get our rangatahi active, and their big smiles were contagious. One of our projects was to design a school scarf, which we hope will be introduced next year. We also ran a bake sale to support one of our young wāhine, Annabelle Edwards, who is on the road to recovery after being away from school due to cancer. Our thoughts and prayers go out to the Edwards family during this difficult time.

Manawa Tapu student Ella Bartlett, and outstanding teachers Mrs Avery and Miss Scott, courageously supported Shave for a Cure this year by shaving their hair. To support them, we held a bake sale, contributing just under \$1,000 to raise a total of \$6,363 for the non-profit. Their amazing efforts will help find more effective treatments for leukaemia and blood cancer, saving lives and ensuring people with cancer get the support they need.

The annual Year 13 Formal was held in the St Joseph's Church Hall during Term 2. To thank and give back to our Catholic community for the use of the venue, Year 13 led a Youth Mass which was well supported. Our year group supported the Breast Cancer Foundation, raising \$200. We were blessed to have the wonderful PTFA fund, organise and prepare our food for the evening, massive shout out to them!! The theme was The Great Gatsby, with the checkered dance floor never empty and the chicken bites mysteriously vanishing after being on the table for only 2 seconds.

Ultimately, the event would not have been a success without the help of the Formal Committee, staff, and the PTFA- thank you.

The O'Shea Shield Competition was another highlight for us, as our team of 15 girls travelled to Sacred Heart Napier to compete in the annual event. Projectile vomiting and lost voices were not enough to dampen our spirits, and we all learnt the importance of resilience in the face of disappointment. However, we were so proud of the effort put in by the team and were extremely grateful for the teachers that supported us during this time, particularly Ms Koorey, Mrs Costelloe, Ms Rilkooff, Mrs Ashton, and Miss Mulligan. Thank you!

We wrapped up the year with our well-loved Mission Market Day. The Mission Sisters had tea in the Quad, while our girls ran food stalls and games, raising a significant amount of money for the Sisters. The funds will support a nutrition programme in Senegal, Africa, by improving the autonomy of women so they and their children will have better health, as well as education opportunities for children in Odisha, India.

We are so grateful to all those who have walked alongside us this year, especially our parents and the staff of our college. Your unwavering support is the reason we haven't gone crazy, and the invaluable skills you have added to our kete of knowledge have helped us get through 2024 with the minimum amount of stress.

To Mrs Costelloe, though our Thursday morning meetings cost precious beauty sleep, it was always worth it to have a giggle with you. Breakfast on you, which consisted of an Eggs Bennie or a mean chicken

burger with fries, plus the offer of no-questions-asked schoolwork extensions, would not usually be offered by most mothers, but you were our school mum, so the normal rules didn't apply.

To Shin, because of your strict attendance policies and that massive binder, we were able to graduATE. We owe you one.

To our wāhine toa, Pope Francis says, "Cast out the fears that paralyse you... Live! Give yourselves over to the best of life! Open the door or the cage, go out and fly!" Remember to always live your life to the full and dream big, and nothing will be impossible.

To the future leaders of the college, "If anyone is in Christ, the new creation has come: The old has gone, the new is here! (2 Corinthians)" We welcome the 2025 leaders of Manawa Tapu. You all have the potential to lead and are here for a special reason- to bring life and your unique spark of creativity to others through your leadership. Step forward with confidence and make a difference!

And finally, to the Class of 2024, thank you all for sharing this wild ride with us. Year 13 has been a blast, from the 5am wakeups for synchronised swimming practice, to the Friday mufti-days that never failed to provide

a laugh. Nothing can beat seeing Kaitlyn driving to class on a motorised chilly bin, or Trump as a Year 13! We have been so blessed to serve you this past year! May God bless you as you explore new horizons, we know Manawa Tapu will always hold a special place in all of our hearts.

# Head Boarder Team

Kaitlyn Haigh (Deputy Events), Kate Beckett (Head Border) and Alika Hunn (Deputy Special Character)

*The last five years at Elizabeth House has been filled with countless of stories, memories and lessons that no day girl could top! Our year nines selves in 2020 could never have imagined how much of an influence the hostel would have towards our high school experience. We could not be more grateful for our time spent amongst the sisterhood at Lizzy House as we like to call it.*

We kick started the year with our opening Mass with Fr Vui, a time to embrace old faces but most importantly welcome the new year nines into hostel life. Big sister little sister occasions continued to foster the relationships between seniors and juniors, the year 9 and 13s had their annual fish n chip outing at the beach and movie nights too. Boarders BBQ at Francis Douglas was back and better than ever, with games, swimming and a social, the perfect time to introduce the year nines and party on the dance floor with our 'boyfriends'. Our hostel experienced a full-blown makeover, with a fresh lick of paint and new roof! Again, we thank all of those who contributed to the succession of the renovations, we're so blessed and fortunate.

The boarders killed it on the House Singing stage, entertaining SHGC with our hostel parody to the song 'Eenie Meenie'. Check out the full vid on our Instagram account and press follow to keep up to date with hostel life!! (@elizabeth.house.hostel) We hosted a quiz and social with FDMC, testing who's the smartest. A highlight of the year was Hostel Feast Day. We introduced 'Sisters on the couch' where the girls could ask questions to the beloved Sisters. Our hostel namesake, Sister Mary Elizabeth Molloy, was even able to attend. This time was so sacred and still talked about today!

We had a dinner swap with our neighbours at Girls' High and Dancing with the Boarders continued to spark entertainment. Congratulations to this year's winners, year 11s Francie and Tula. Following we had a 'talent concert', showcasing the wide variety of hostel talent between each year group, from dancing and singing to a Pitch Perfect remake, guitar and wearable art, the girls put on a show. Our friends at Adele Senior Living and the Sisters came to watch and we treasured sharing this time with them. We held our first ever 'Hostel House Singing'. Mokau and Kaupokonui blamed their win on the boogie. Year

13 Hostel Grad was always a time to look forward too. The juniors, alongside the FDMC juniors, raced around Fitzroy for a Hostel Amazing Race. This was followed with dinner and a full hostel social. Hostel House Netball was a hit!! End of year festivities included a celebration at the Bungalow, where all the girls got glammed and looked back on the year. The celebrations didn't stop there. We returned to a decorated study, gifted secret Santa, watched year group music videos and topped the night with shenanigans.

2024 has flown by with record speed and as the Head Boarders we have had the biggest privilege to be leaders within the hostel. No words can describe the experience of boarding life and we would like to thank everyone who has played a part, the matrons and boarders, both past and present. Year 13s, we may have closed this chapter, but we do walk away with sisters for life. As the saying goes, 'You can take the girl out of the hostel, but not the hostel out of the girl'. To the girls, all the best for what's next to come in all future endeavours. Before you know it, it will be your turn. God bless this mess.

# Academic Leaders

Frankie Blackbourn and Abigail Churches

*Kia ora, everyone!*

*What a year it has been!*

The year started early for us as Excellence Assembly took place on 19th of March. This was a wonderful opportunity to celebrate our students demonstrating Ako – taking every opportunity to learn, whether that be inside or outside the classroom.

Shortly after this we announced our spectacular council which has been a source of support, new ideas, and student voice. Throughout the year the Academic Council have been involved in the schoolwide Interaction Revolution. In which, groups of seniors and juniors have worked together to put on fun activities at lunchtime to incentivize sociability. Highlight events included mini chess tournaments, charades, various kahoots, and impromptu speeches. This was an excellent opportunity for students to connect with each other and be entertained following this year's phone ban.

One of our main priorities this year was to reinvent the Peer Tutoring programme at Manawa Tapu. We spent a lot of time working on updating the programme with the desire to make tutoring available to everyone who needs it. Peer Tutoring is a one-on-one tutoring service run through school. Our incredible senior volunteers took time out of their busy schedules to help other students to succeed. This programme is rewarding, not only for the tutee's growth in confidence and subsequent success, but also for our senior tutors who truly enjoy helping other and watching them blossom in their learning journey. This creates a really safe and nurturing environment for both students and ensures they continue to reach out for help in the future. We hope that this programme will continue to help support more students in the coming years.

Our fabulous senior peer tutor team includes: Aeriz Alay-Ay, Sienna Asi, Sofia Asi, Frankie Blackbourn, Sahara Cameron, Abigail Churches, Shannon Doyle, Ellie Edgecombe, Sophie Fowler, Sophie Kerr, Georgie McVey, Brianna Mitchell, Gabrielle Rios, Lara Smith, Callie Visser, and Olivia Williams.

The annual Academic Week took place in Week Three of Term Three. We kicked off with a bang with the annual House Quiz on Monday lunchtime. Congratulations to Vianney for taking first, Lourdes came in second, Barbier in third, and finally Chanel in fourth.

Tuesday lunch was the beginning of the heated house debate competition with Vianney facing Chanel and Lourdes facing Barbier, to debate the moot 'This House believes Artificial Intelligence should be prohibited in schools'. Vianney and Barbier came out on top of their respective debates to verse each other on Wednesday lunch to the moot 'This House believes cats should be banned in New Zealand'. Both sides put forward an impressive rebuttal but in the end Vianney came out on top with their team of Lucy Forsyth (Year 12), Ivy Forster (Year 7), Macy Stuck (Year 9) and Holly Joyce (Year 11, researcher).

Other events during the week included a study tips session with a panel of amazing guest teachers. This session ran during a morning tea time and invited students to come listen to tips and tricks on studying and note taking from various teachers. We also had the annual Year 7 and 8 Math Quiz, run by our amazing Year 12 Academic Council member, Ellie Edgcombe and her group of helpers. The winners of this event were 7T and 8W.

Lastly, to leave it on a personal note, we wanted discuss a little bit about what this role has meant for us and our future as we step out of high school.

Frankie – I have had such an amazing time as Academic Leader of Manawa Tapu this year. It is a position that I have long wanted to take on, so having the opportunity to do so this

year was an exciting new challenge. Of course, balancing the responsibilities of a leadership role with my academic workload wasn't always easy, but it has been one of the most rewarding parts of my final year at Sacred Heart. I have been lucky enough to have both an incredible co-leader, Abigail, and an amazingly dedicated Academic Council. I really feel we've been able to support the school in so many ways and helping to create a school environment in which academics are not solely limited to the classroom is a legacy I am proud to be leaving behind. This role has pushed me to develop my leadership skills in ways I haven't had to before, especially during the pressures of Academic Week. Next year, I will be heading down to Canterbury University to study Law and History, and I know that the skills and experiences I've gained as Academic Leader this year will continue to be invaluable in my future studies.

Abigail – Getting the role of Academic Leader was not something I really expected. Sure, I do alright in class but my medical condition meant frequent absences and I really wasn't sure I would be able to manage the both. Thankfully, I was lucky enough to have the most amazing Academic co-leader in Frankie. When I wasn't able to make it to events, she would always step up (alongside the other year 13 representative, Olivia) without complaint. I truly couldn't have led the council to the success we have achieved this year without her! Aside from my fabulous co-leader, the Academic Leader role has grown my confidence exponentially. I have put myself out there, whether that was becoming a United Nations Wellington Highschool ambassador, or entering the Taranaki Science Fair again. Next year, I plan to study a Bachelor in Science majoring in Physics (or Mathematics, I haven't decided yet) and a Certificate of Languages at the University of Auckland in 2025.

Your Academic Leaders for 2024 signing out, Abigail and Frankie .

# Stellar Navigation

by Florence Parker

*Can you imagine a world without Google Maps? How would you navigate to your destination, how would you stay on the right path?*

*Whether our ancestors arrived by waka, or European sailing ships, or in more modern times, by airplane, these methods of travel all required navigation. Before technology, people had to use paper maps, and ask strangers for directions, and in extreme cases, navigate by the stars.*

*There were no planes when my Māori and Pakehā ancestors set out on voyages to Aotearoa in search of new lands. Venturing into the unknown would have been, well, frightening, but their drive for discovery was greater. They were explorers, pioneers, navigating by the ocean currents, winds, and the stars. To them, staring at the night sky was more than just a hobby; the stars were pointers, road-markers, guardian angels. Without the stars, my ancestors would have been lost, unsure of their direction and destination.*

*When you arrived at Manawa Tapu, you too left the comfort of the things you knew. You stepped into our Sacred Heart waka. This journey of navigating high school has often felt like steering a ship through uncharted waters - we couldn't get anywhere if we had nothing to guide us. At Manawa Tapu, we have three stars to align our waka, all equally important and working together to help navigate our journey.*

*Our star Ako, taking every opportunity to learn, guides us to do everything to the best of our ability. It's not enough to just pick up our oar and paddle, we need to row hard - this means participating in our lives, listening and being active in our communities. Whether this is finding success on the stage, predicting a play in a game of football, or even getting good grades, if we navigate with Ako, every opportunity we take will bring us closer to achieving our dreams.*

*The second star, Manaakitanga, is our warm heart. At Manawa Tapu, ideally our motivations are Christ-centred as we act to serve others, being generous, kind, and welcoming. In following Manaakitanga, we are all sisters in Christ, called to lift others up and put their needs before our own. You can do this when you support Mission Market Day, give generously to Food Bank appeals, and take inspiration from former students like Gabby Devine. Her random acts of kindness are still a good model for how we should navigate our lives today. Showing manaakitanga isn't always easy, but it's part of who we are.*

*And the glittering star, Wāhine Toa. This courageous star guides us to be strong young women. Think of this when you're struggling on the netball court, hitting the wrong notes at a band competition, or getting pummeled out in the surf. It's the turbulent times, when the biggest wins come from the losses, that are the origins of our growth. Reaching for Wāhine Toa, every day you have to make a choice whether you will let the light from the stars in. In this way we aim to be the best versions of ourselves, whatever that looks like. Whoever you choose to be.*

*Mrs Costello, our Tumuaki. You are the compass that guides our navigation here at Manawa Tapu. As our principal, you point our waka towards living like the Mission Sisters, supporting us in the charisms of Contemplation, Communion, and Mission. You're our school mum. You have consistently eased the pressure on our leadership team. Those chicken burgers and pink biscuits, on you, kept us well fed and will forever be our favourites.*

*To our teachers, the navigators of our waka. You gave us the skills we need to be independent and shape our futures. Because of you, we will know what stars to follow and when. To my teachers this year. Thank you for making my last year more, difficult. Though you knew I had extra responsibilities, you made sure this wasn't an excuse for me to relax in class. Thank you for keeping me on course.*

*To the parents of the Year 13 Leavers. You are the brightest stars in our sky. Thank you for being there for us from day one. When enormous swells threaten to swamp our waka as four internals are due in the last week of term, you help us stay afloat and on course - making our school lunches, paying for our fuel and phone plans, or driving us if we haven't got our license yet... We hope we have made you proud.*

*To the leadership team, this year has been more hectic, but more fulfilling than we ever imagined. Thank you to the leaders, whatever you were doing; running interaction revolution, helping organise the formal, or bringing baking for Annabelle's fundraiser. A ship cannot sail itself, nor can one sailor do everything on their own. House and council leaders alike, the support we have shown collectively has allowed others to have life to the full.*

*Hannah, your selflessness is as inspiring as your insane taekwondo abilities. You have an inner joy that flows into the people around you, and this light you have shared has not only grown the faith of the school, but also in myself. Liv, on our boat, you're the seasick sailor. Bold and always authentically yourself, your organisational skills, dedication to getting things done, and ability to always have a laugh, are the reasons why I always have a smile on my face. Thank you both for navigating this year with me.*

*To our students. Do not be afraid to dream bigger and aim higher. Pope Francis says to us, "Cast out the fears that paralyse you... Live! Give yourselves over to the best of life. Open the door to the cage, go out and fly!" At Sacred Heart you have the compass, the navigators, and the stars. If you allow them to guide you on your journey, the sky will never be the limit.*

*Class of 2024, it is now the end of our Sacred Heart story, our time to step off the waka. From touring trout farms in Taupo, to facing months isolated from one another due to COVID, our journey has been tumultuous. It's funny, we always used to ask, "are we there yet," never imagining we would make it to this day. This is it; we are finally at the moment we have been waiting for. My Sacred Heart sisters, we have reached the shores of a new land, the real world. But this time when we venture into the unknown, we are now able to navigate this new land because we carry Manawa Tapu in our hearts.*

*And if we're ever unsure of where we're going, and the sky is beginning to get dark, remember - the stars are always there, you just have to look up to see them.*

# Mary Phelan Chapel

Brian Phelan | Husband of Mary Phelan

**MARY PHELAN**  
**INTERMEDIATE DEAN**  
**1985-2005**

**R I P**

*As told by her husband Brian Phelan-  
how the chapel was brought  
to Sacred Heart College.*

Mary was diagnosed with a cancerous prognosis early in 2004.

Eventually Mary required radiation treatment and chemotherapy in Palmerston North.

Over a period of 6 weeks travelling back and forth through September, I remember Mary saying to me that our school could do with a place of worship, a chapel, being the fine catholic college it is.

This started a train of thought and conversation between us and we kept an eye open for a church that could be for sale and uplifted

Amazingly, one morning in March 2005 we read in our local paper a church was for sale in Govett Avenue. This started a round of negotiation and how or if we could buy it. Mary and I chatted about this piece of news, and she commented to me that her brother John was a wealthy farmer who may be able to offer assistance.

Maybe he may be able to assist in the purchase along with Mary & I?

Yes was the answer and a deal was done. The purchase was made about May 5, 2005.

Mary received the keys to the church, 4 days before she died on May 19. A tearful acceptance that someone had heard a prayer.

So now the work really started, how to get a church to Fitzroy from Frankleigh Park...Grounds had to be prepared and levelled for the church to sit on, and the church needed to be divided as it also had a supper room adjoining it.

The removal of the church went well, and no damage was done, then began the task to prepare it and make it a church again. We were very fortunate in having a fellow Geoge Tamati, Father of a staff member who was prepared to do a remarkable job in

**Original Chapel**

restoring it painting and making it look like what it is today (along with our help and a few working bees).

The chapel was finally blessed and opened nearly 12 months later April 2006.

Mary & I had 5 children, and youngest Kelly was married there in 2006 as well as grandchildren being baptised in the chapel over ensuing years.

It is lovely to see that this year my 3 grandchildren are attending Sacred Heart, Alex Carr, Ally & Madi Fleming and I am sure they will appreciate and love the efforts that went into making our dream work.

# Religious Studies Faculty

Pauline Koorey | Leader of Learning Religious Studies

*SHGC is blessed to have a team of teachers who are strong and skilled in lived faith formation and who support families in helping students bring a Catholic lens to their lives. Thank you all for your commitment – Mrs Nicola Hill, Mrs Andrea Taylor, Mrs Sheree Rangiwahia, Miss Jade Harrison, Mrs Joan Hodson, Miss Wendy Mulligan, Mrs Carly Avery, Miss Emily Scott, Mrs Helen Basile and Ms Pauline Koorey.*

The annual gathering for the O’Shea Shield competition is a great opportunity to make friends with students from Catholic Colleges in the Palmerston North and Wellington dioceses. This year the event was hosted by Sacred Heart College, Napier. While there were no trophies won, we reached a respectable combined total for the eight events contested, doing our best to bring those hours of practice, learning and performance together.

## *A Glimpse into Our Stained Glass Window Project*

Mrs Hodson’s Year 10 RSt class took on an ambitious, creative challenge. Inspired by "Jesus and His Teachings," students retold a parable in their own words and drew a visual representation of its message. From this they recreated a stained-glass window using cellophane and black paper, making something unique, colourful, and—ideally—recognisable.

While some looked as though they belonged in a cathedral (or at least on the school chapel door), others took a more interpretive approach. Still, everyone approached the project with great heart, and the windows now bring a bit of colour (and humour) to our classroom.

Overall, the project wasn’t about creating perfect art but about connecting with the teachings of Jesus in new, sometimes surprising ways. Next year... maybe mosaics?

Sister Colleen Edgecombe, RNDM, regularly helps in the Religious Studies classrooms. We appreciate being able to draw on her wisdom, knowledge and experience as a teacher, and we appreciate this “real-time” connection with the Mission Sisters.

Special acknowledgement must go to our Year 11 cohort who successfully navigated the world of Religious Studies within the new NCEA Level One format. Your learning journey has helped shape the future of learning and assessment in Religious Studies. A special highlight was the Catholic Couch where we welcomed Father Tom Lawn, Mrs Catherine Landrigan and Mrs Ireen Crossan who talked to the students about the history of Te Pārihi Katorika ki Ngāmotu, our Catholic Parish of New Plymouth. It was a privilege to be able to tap into the knowledge and rich experiences of these tāonga in our community.

Faith In Action was a new flavour this year in the Religious Studies Faculty. This class put into action the teachings of Jesus, a journey lived through serving the wider Sacred Heart community. Students gained the tools to live out our Catholic Social Teachings through the student led canteen, and enriching the lives of the residents of Tainui Rest Home through weekly visits.

# Chaplain

Amelia Luke | Chaplain

*It has been an exciting and faith filled 2024 for Special Character at Sacred Heart Girls' College. We've had 4 Girls Baptised, 17 making their First Reconciliation, 18 their First Holy Communion, and 19 Eucharistic Ministers commissioned, including 2 girls who were invited and happily joined us from the parish youth group.*

Through Eucharistic Ministry this year, we had the need and opportunity to introduce gluten free communion. A special Pyx was bought especially for the gluten free Hosts, so we are now able to have a Eucharistic Minister offering gluten free communion at our masses, allowing full participation as able. It has been beautiful to see the Special Character of the College flowing through all we do, from prayer tables, class masses, sacramental

programs, retreats, to feast days, mission market, sports events, founders' day and thanksgiving Mass. Retreats were full of prayer, reflection, contemplation and fun! We were blessed with lovely weather for our mission market day again this year, and was enjoyed by staff and students alike, with our Mission Sisters having a wonderful afternoon at the VIP table complete with handmade bracelets for them! To the class of 2024, all the very best for your next chapter! My special thanks to the 2024 Deputy Head Special Character Hannah Montalla and 2024 Liturgy Leader Danielle Evaristo, for all your wonderful ideas, support, and our regular meetings. So grateful to you for getting 'Bible and Biscuits' and Adoration started-extra

wonderful opportunities for students to engage in their faith with friends in a relaxed environment. Lastly, an extra special thank you to Sister Colleen for her wisdom, conversation and support this year, always a pleasure.

May the Hope, Peace, Joy and Love of Jesus the Christ Child be with you this Advent, Christmas and throughout the New Year. I wish you all a relaxing, enjoyable and safe holiday.

Manaaki te Atua.

# Liturgy Leader

Danielle Evaristo

*Truly, what an honor it has been to be your Liturgy Leader for 2024. If I were to look back on the past seven years of being at this school, never in a million years would I imagine myself to be standing in this position. Now I must say, this year has been so crazy, yet so fulfilling!*

Being able to go back to the way things were and come together as a school community to celebrate four whole school liturgies is incredible! This year, we celebrated with Ash Wednesday Liturgy, followed by the Washing of the Feet Liturgy, Resurrection Liturgy, ANZAC Liturgy and the Visitation Liturgy. Each liturgy was particularly special, and that wouldn't have been possible without the collective work of our Director of Religious Studies Wendy Mulligan, Deputy Head Girl Special Character Hannah Montalla, Chaplain Amelia Luke and the Religious Studies Faculty teachers.

Reflecting on some of the highlights of the year, we were blessed to have a lot of our Sacred Heart students prepare for the Sacrament of Confirmation and our student leaders who served alongside them earlier this year. Following on, seeking the importance of Contemplation, Communion and Mission, we had a lot of amazing opportunities for our students to grow deeper in their faith, such as our Ascend group, Adoration, and Bible and Biscuits that were supported by our 2024 Special Character Council.

In the last week of Term 3, Social Justice Week focused on Caritas's overarching theme "Imagine Peace for All", which consisted of a fun and reflective week for our Sacred

Heart students, with activities such as Adoration & Bible and Biscuits, arts and crafts and a movie! Alongside this, our annual Mission Market Day was a successful event where we were able to raise money to support the RNDM Mission Appeal for 2024, through a wide variety of stalls, activities and music performances. It was a beautiful day for our students, staff and our Mission Sisters who were able to celebrate with us and we are extremely thankful for all the support we had on Mission Market Day.

I want to send my utmost gratitude to the 2024 Special Character Council for all their efforts and dedication into uplifting the Special Character of our school. I truly see the gift of God in each and every one of you, and I am leaving fully knowing that the Special Character of our school is left in great hands!

I also personally want to thank all those who have supported me throughout the year. I came into

this role hoping to be as diverse and authentic in everything I do and say, leading the liturgies with the hope of guiding our students to be more open to their faith. This role was definitely a learning experience and an opportunity that I will forever be proud to fulfill.

To the upcoming Liturgy Leader and future student leaders, if I were to give one piece of advice, it would be to stay true to yourself, and most importantly stay true to your faith. Being the Liturgy Leader is not just about leading liturgies, but it is about lending a hand to the sisters around us as we navigate through our faith journeys together. Faith guides every action, and I hope that everyone takes every opportunity to serve, to uplift, and to remind each other of how special we are in God's plan.

Your liturgy leader for 2024, signing out!

# Barbier House Leaders

Bella Neale and Lily Fergus

## HEY GIRLS!!

*What a year it's been! Barbier has had its fair share of downs, however when we were up, we were up. As we reflect on our time as house leaders for Barbier this year, we can't help but feel a mix of pride and gratitude. Although we didn't clinch the trophy this time, the experiences we shared were worth their weight in gold.*

This year has been a whirlwind of energy, creativity, and camaraderie. From the get-go, we set out to make every house event not just a competition, but a chance to create lasting memories. Swimming Sports was a splash-tacular success, with Barbier team diving into the pool with so much enthusiasm. Watching everyone rally together, cheering on our swimmers, was a sight to behold. Who knew synchronized swimming could be so athletic?

Then came Athletics Day, where we saw Barbier spirit at its peak! Our

highlight? Bella running the relay in an inflatable shark costume. Let's just say, it was both impressive and hilariously impractical. The enthusiasm was contagious, and every member of our house gave their all, showcasing their talent and determination.

Our House Singing competition was another highlight, where we discovered some hidden talents. Let's just say, we won't be making any plans for a Barbier album just yet, let's leave that one unwritten! But it was heartwarming to see everyone come together, harmonizing like a choir of slightly-off-key angels. The support and patience during practices made it one of our most stressful but cherished events.

Through it all, we've learned so much about leadership, resilience, and the importance of laughter. We've grown not only as leaders but also as friends. This experience has taught us that winning isn't everything; it's about the journey and the people

you share it with. Every Barbier member brought their unique spark to our house, and for that, we are eternally grateful.

As we prepare to pass the baton to the next generation of talented young women, we can't wait to see where Barbier goes in the future. We know it's in good hands, and we're excited to watch you all soar to new heights—hopefully out of third place.

Thank you to everyone who participated, cheered, and chanted with us this year. You made our time as house leaders an unforgettable adventure, and we are so proud of each and every one of you. Here's to Barbier, the house of blue girls. Let us know if we ever make it out of third place!

Lots of love, Bella and Lily xoxo

# Chanel House Leaders

Cinnamon Danger and Jana Tauwhare George

*From the splash of our swims to the sprints on the track, we tackled each challenge with energy packed.*

In the pool we made waves – some graceful, some not. Let’s just say our diving skills... were not top notch. Nevertheless, with a smile on our face we took out second place for the competition race.

Athletics? Oh please, we ran with style and celebrated another second place with a smile.

House singing came next, which was quite a journey, countless practices stretching everyone to the limit. Even so, we sang with pride which led us to continue our second-place ride.

House Drama was chaos, our lines all a mess, but a last-minute piece got us second best!

Manaaki quizzes... who are we kidding we sucked, our second-place luck went straight in the bin.

This loss streak continued as we came to house quizzes. Let’s be real we barely survived, “Who’s that in the picture?” – we just guessed and didn’t thrive.

However, it was not over and our efforts in the Seedlings fundraiser came out on top. For most it was rough however some chanelians carried us through the tough.

So here’s to the memories, the laughs... and tears. To our fabulous house, cheers, you guys were the best. Thanks for the chaos and best of luck next year!

# Lourdes House Leaders

Louise Blyde and Patricia Malapit

What a year we have had with our crowd of green, very proud to be a part of such a cool team.

Started the year off with swimming races, didn't go our way but we kept a smile on our faces.

On the track and field, we were put to the test. Maybe next year we'll be back at our best.

In singing and drama, we placed number one, all that effort paid off and we got the job done.

From singing to chanting and wearing all green, nothing beats being part of the Lourdes house team!

To our Lourdes house, what a year it's been!

It has been a huge pleasure to lead you all; you are a great bunch of girls. You have showed us your competitiveness and commitment to our brilliant house. We hope you've enjoyed being part of Lourdes in 2024 as much as we have. Thank you for stepping up and all the hard work and determination you have put in. You have truly made us both so proud. We can't wait to see how our house carries on in the years to come, so make sure to go hard, give it your all, and wear the green with pride! Our time has now come to an end, but next year is still unwritten.

Patricia and Louise, signing out!

# Vianney House Leaders

Kate Sousa and Gabriella Gonouya

Vianney started high and continued to soar, we had good fun, which kept us wanting more.

We may have tripped, but we didn't fall, kept moving forward, we rose through it all.

First was Swimming Sports, and aren't we blessed, we won with no stress showing everyone who's best.

Though synchro slipped, Vianney stood tall, kept their focus and gave it their all.

Athletics was next, where our sprinters knew how to represent.

We smashed Cross Country, yet we were still hungry, but then that's when things got quite ugly.

Then came House Singing, we faced quite a test.

We tried to dodge the bullets but ended up getting hit, however, it didn't make us quit.

We got humbled at house singing but that didn't stop us from winning.

Next was debate, and yes, we ate; we showed them whose boss and silenced the hate.

House drama was a lot, though we flopped, everyone knows what we should've got.

Then there were trees, which didn't put us at ease.

Thank you girls for the memories made, for every cheer, every challenge and the fun that won't fade.

Thank you Vianney for all you might, by showing the other houses we know how to fight.

It's time for us to say goodbye, don't forget us Kate and Gabby for life.

# Hauora Leaders

Ava Carswell and Milla Croy

*This year the Hauora Council set out with the intent to fulfill the Te Whare Tapa Wha (Mental and Emotional, Social, Spiritual and Physical Wellbeing) of all the students here at Manawa Tapu. The role as Hauora leaders has allowed us to grow our leadership skills which will be taken with us into our future ventures. It has been incredibly rewarding to be able to work with a wide range of people in our school community. In 2024, we have had the opportunity to be involved in many successful initiatives.*

Our big event was Airbands, the annual lip-syncing and dancing competition held on the 26th of March in which we raised money for the Catholic charity, Caritas.

Airbands was a success with so much creativity being present in the school. Congratulations again to Gabriella Gonouya and Kate Beckett who won the brand-new trophy and performed their memorable piece in assembly.

Pink Shirt Day was on the 17th of May raising donations for the Mental Health Foundation. This was a designated day to wear pink and celebrate diversity and inclusion advocating against bullying. Stickers were also given out to promote being an upstander and creating a safe school community. We held a t-shirt design competition to highlight the message of 'Speak Up, Stand Together, Stop Bullying!' with over 70 entries within the junior school. Fabulous work!

This year we also had the privilege to be connected with the junior school through Interaction Revolution activities as well as the Fresh Air Challenge. Every second Thursday, the Hauora Council came up with new activities. Some activities we ran included colouring competitions,

rubbish clean-ups and rainy-day board games. It was great to see everyone join in and see the dedication to having some screen free time. The Fresh Air Challenge is an initiative by the NPDC to promote sustainable transport to and from school every day. The Hauora Council loved being a part of this through the recording of the Year 8s information for the two weeks.

We also got the chance to attend a workshop with Sir John Kirwan, a huge contributor to the conversation around mental health in New Zealand. It was great to gain new insight into how we can be more open and support one another especially at Sacred Heart.

Overall, we had a very successful year on the 2024 Hauora Council in our wide range of endeavours and school participation. A special shout out to Claire Southee, our school's librarian for allowing the library to be a venue for fun activities and to Mrs Basile for her work as our Hauora Council teacher.

Good luck to the 2025 council, enjoy your time and we look forward to seeing what you achieve.

*This year has been an incredible one for Culture and Arts here at Manawa Tapu, with so much happening right from the very start. Our feast day was energetically concluded by House Singing, with the compulsory song being 'Unwritten'. Each house put its own unique spin on the song and paired with beautiful waiata, the judges' jobs became 10 times harder. In the end Lourdes managed to take the win by only half a point!*

This year we had a few changes with House Drama, specifically the comedies. The serious theme was 'Life in Abundance', while the Year 12s were given the prompt "YOLO" and had to include an umbrella. Unfortunately, due to the business of Term 3 the house comedies did not go ahead this year, but we're sure they'll be back and better than ever in 2025!

We felt so blessed to be organising Cultural and Arts week alongside an amazing crew of council members and supportive teachers. We're still recovering from all the excitement! The week started off with a colouring competition that showcased the rainbow of creativity we have at SHGC. With other events such as a cosy movie lunchtime watching 'The Book of Life' and world culture kahoots, it was great to see students from all year levels getting involved. We had the pleasure of sharing the week with Tongan language week and were treated to a beautiful showcase of Tongan clothing and history from year 7 student Angina 'Ahio. On Thursday our staff surprised us with an extra special kapa haka performance in preparation for Te Kāhui Whetū. Friday concluded the week in the best way imaginable, with students arriving in their respective cultural garments to

enjoy the council's prepared activities. The school was treated once again to the ever-vibrant Indian dance group while enjoying delicious kai from the food trucks.

Our annual SHGC Talentquest was bigger than ever with over 14 acts entered! It was a true display of the talent our students possess. It was quite the variety show, with dancing, singing, and even magic! It's always inspiring to see the students of Manawa Tapu getting up and showing off their God-given talents.

It has been an absolute pleasure being your Cultural and Arts leaders for 2024, and we wish everyone the very best for next year! You have all been so supportive and we appreciate each one of you. Our last little reminder to you all is to shoot for the stars, and don't let anyone rain on your parade! Much love Manawa Tapu, we won't forget you.

# Rainbow Youth Leader

*The fact that a student can be in this role just shows the school's progressive thinking,*

*I find it quite prudent, we've moved past the old, diversity blooms, never shrinking.*

*And now three years on, RYLs can be found, a testament to the community,*

*I'm grateful the role has indeed stuck around, so lucky for this opportunity.*

*So, we leave the door open for frank conversation, for rainbow youth here in this space,*

*We're wishing and hoping for actualisation for those who might feel out of place.*

*We love to celebrate, sometimes a little too loud, unafraid to be who we are,*

*We remain ever strong and endlessly proud, just look; we have come so far.*

*It's so bittersweet, to say my goodbyes to something that's been such a blessing,*

*After a year of the role being mine and witnessing our youth progressing.*

*So, thank you, Sacred Heart, and especially QSA, for allowing me to have this honour,*

*I love you yesterday, tomorrow, every day, and continue to grow ever fonder.*

Always be yourself, through hardships or strife, and promise to live by this line:

"Accept no one else's definition of your life; define yourself" -Harvey Fierstein

This year has brought so many blessings in the Manawa Tapu LGBTQ+ community. Throughout this year's pride events, I have been lucky enough to meet and connect with so many of you. Being your Rainbow Youth leader has been an absolute honour. Pride is so important to celebrate, and it has been a blessing nurturing this within the school.

Always remember you are worthy, you are loved, you are enough, and you should always be so proud to be the human you are.

# Māori Leaders

Madison Hook and Maia Toss

*Ehara tāku toa i te toa takitahi, engari he toa takitini.*

*My strength is not as an individual but as a collective.*

Kia Ora Manawa Tapu Wahine and Whānau

Komiti Māori is the council within Manawa Tapu that reflects the Māori students voice and a group that allows for connection in culture.

Komiti Māori runs differently than other councils, we have our select members but almost every hui or group event we have extra individuals joining us which is what we are all about. We wanted our council to be a space where we all feel like whānau and a safe space for others to come join and express their passion for Te Reo.

We have had many exciting opportunities this year, but a major one was taking 10 students to Whanganui to attend Manu Kōrero. There the younger year levels were given the opportunity to watch peers their age engage in a speech competition with the intention of inspiring them to compete in 2025. This allowed some of the younger year levels to see the cool opportunities out there for them.

Kapa Haka has been running all year and has been wonderfully led by Whaea Puna. The Kapa Haka group have done many performances showcasing their raw talent each time bringing people in the crowd to goosebumps. These Wahine represent Manawa Tapu with absolute mana and every time we see them preform there is nothing other than proudness and admiration for their strength.

This year we have tried to make the Komiti more sustainable in terms of although we have leaders making sure everyone is getting a turn to lead;

this is shown through interaction revaluation. This meant some of our younger girls hosting and creating ideas for the lunchtime activities we have every fortnight which they have done spectacularly.

Although Te Wiki O Te Reo Māori was recognized by Aotearoa in week 9 of term 3, Komiti Māori decided to host ours during week 8. Throughout the week we held many different activities to allow students within the kura to engage in Māori knowledge and activities. One of our biggest activities was hosting a game of Ki-A-Rahi. The turnout was spectacular, and all party's involved had truck loads of fun. We also hosted a sausage sizzle to go towards Kapa Haka uniforms and it was awesome to see much support and all our girls wanting to help out.

We as Māori leaders have had a few more opportunities this year as we now lead all waiata for assemblies. This has had a positive response by our girls seeing what they may be working towards for their future. Although this has pushed both of us out of comfort zone by singing in front of the school, we are pleased to know that we are fortunate to represent our culture.

This year has been incredibly rewarding for the both of us and the bonds we made with every single person we come across is something we value. It is hard to part ways with them, but we are satisfied knowing that these wahine below us will continue to make a difference.

And to all wahine, Kia Maumahara ki tōu mana āhua ake

Cherish your absolute uniqueness.

For one final time,

Nga Mihi Nui.

# International Students

Hazel Wong

PHOTOGRAPHY: HAZEL WONG | BOARD 2

*I, one of the last three international students, finally graduated in November 2024. In early March 2023, I came to New Zealand, alone from Hong Kong, for studying abroad.*

As my time at Sacred Heart Girls' College draws to a close, I find myself reflecting on the incredible journey that has shaped me into the person I am today. From the first day I stepped onto campus, to the final moments spent in the classrooms and corridors, SHGC has been much more than just a school — it's been a place of growth, friendship, and discovery.

My first day started with the usual nerves: where would I sit in class, would I make new friends, and how would I cope with the fast pace of high school? As I walked through the front doors, I was greeted by the warm smiles of the staff and my fellow schoolmates. It felt comforting to know that everyone was in the same boat, facing a new chapter in their lives. The feeling of uncertainty began to fade as I was introduced to my classmates and found myself talking to people who, like me, were eager to get started on this new adventure.

First and foremost, I want to thank the teachers. Their kindness and patience made all the difference. I was initially overwhelmed by the workload and the fast pace of lessons, but the teachers were always there to lend a helping hand. They took the time to explain things more clearly when I didn't understand, and they encouraged me to ask questions without hesitation. Whether it was providing additional resources, or just offering a word of encouragement when I needed it most, their support was invaluable.

I can honestly say that the friendships I have made here are some of the most important and valuable parts of my SHGC experience. Therefore, I would also like to thank those classmates who did not regard me as an "international student" but regarded me as a friend. Their patience and willingness to help me settle in allowed me to adapt as quickly as possible. Thanks also to those who helped me cope with the cultural differences I encountered. Whether it was helping me understand local slang, showing me around town, or introducing me to new traditions and foods, you made the experience of living in this country that much richer and more enjoyable.

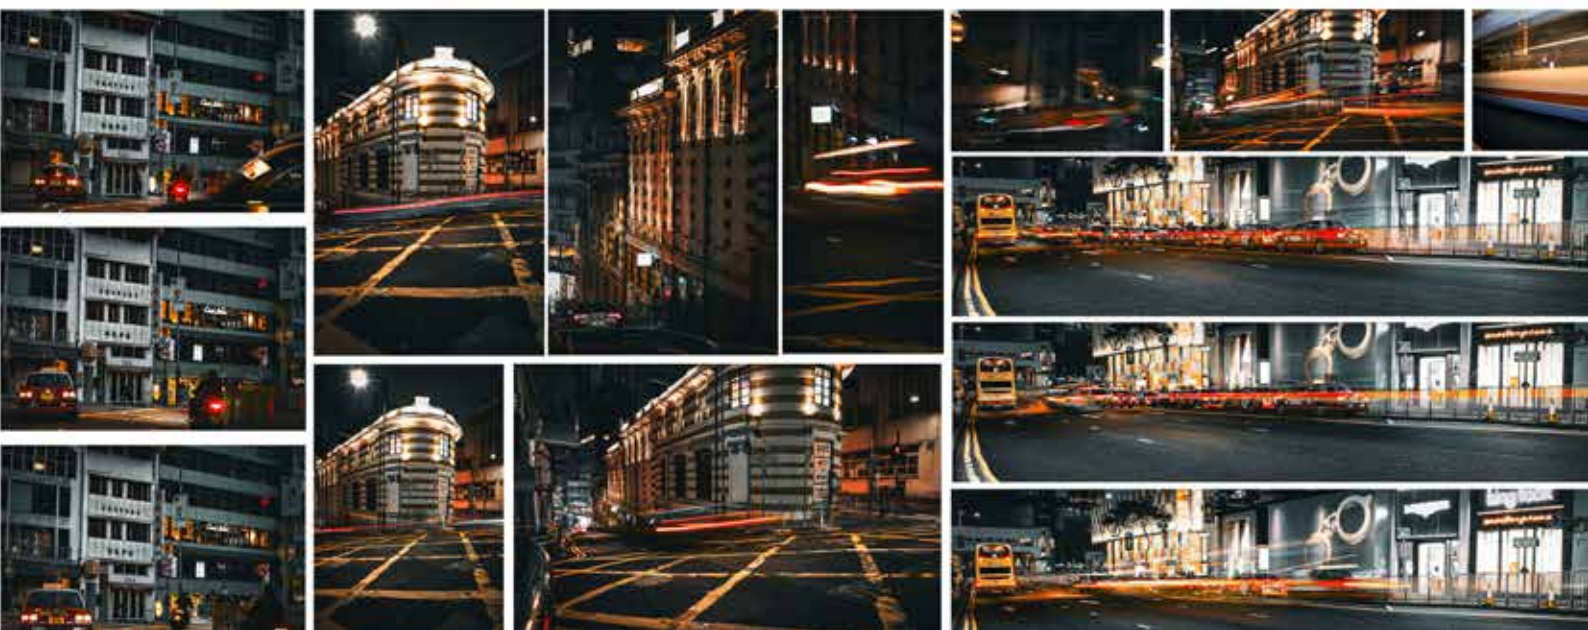

In addition, I was very fortunate to be able to participate in different music competitions and performances like the Chamber Music competition. I still remember how hard we practiced. At first, because everyone was not familiar with the tempo of the song, the sound effect was not very good. But then everyone showed up to every music class and practiced on their own at home, so we progressed very quickly. Due to our efforts, we successfully won the award. I'm so proud!

School life in New Zealand is really wonderful and amazing. New Zealand's curriculum emphasises a broader range of subjects than Hong Kong, including arts, health, and physical education which shows a well-regarded education system that is known for its innovative and student centred approach. Therefore, for me, I felt more comfortable to choose what subjects I could take instead of fixed list of subjects in Hong Kong. Here, I felt more free and

I could find my interests from among these subjects. In comparison with New Zealand, since Hong Kong ranks fifth in the world's "most stressful" city, students have heaps of workload every single day. So, being at school in New Zealand was less stress and pressure for me.

I am grateful for every moment spent at SHGC — the challenges, the triumphs, the friendships, and the lessons. As I prepare to leave and step into the next chapter of my life, I carry with me the values and experiences that will guide me forward. SHGC has not only been a school; it has been a home, a place where I've grown, learned, and become the person I am today.

Abigail Rilkoﬀ | Leader of Learning

*2024 has seen some exciting changes, and remarkable creativity in the English department. We welcomed Emma McIntosh to our faculty, whose passion for fostering strong relationships and advancing literacy skills has brought fresh energy to our team.*

We navigated the newly implemented Level 1 NCEA changes this year, and—as always—our skilled team of teachers rolled with the punches to keep the process seamless. Of course, none of this would be possible without the support and hard work of the entire team. A huge thank you to Jenny Brown, Pauline Koorey, Emily Scott, Preeta Menon, Holly Miller, Carly Avery, Linda Wichman, Sandra Titchener and Emma McIntosh.

This year marked the success of our inaugural Humanities trip to Wellington. Our Year 13 students visited Te Tiriti o Waitangi, explored Parliament, the Supreme Court, and Te Papa, and attended a lecture at Victoria University. It’s safe to say we’re excited to make this enriching experience a lasting tradition!

The annual Ronald Hugh Morrieson Literary Awards brought three writers into the school to run workshops with our students. David Hill, Tracey Slaughter and Matt Rilkoﬀ challenged our students in a range of writing genres. This year we had one finalist in the True Story category, Monique

Hayes, who won a highly commended award for her amusing story of a childhood biking mishap. We hope to see more students being acknowledged like this in the future.

A quick flashback to 2023: our team’s legendary victory in the annual Christmas Costume contest deserves a shout-out for posterity. We know the Social Sciences department is itching to reclaim that trophy for their own mantelpiece, but we’ll just say—2024’s competition better be ready for us. We’ve got a few surprises up our sleeves!

# Writing Hub

Preeti Menon | English Teacher

## *Building a community of confident writers*

This year, we started a writing group that meets fortnightly to discuss writing, competitions and develop a sense of community where akonga can share their writing.

Our group name is **The Writing Hub**. We met every second Wednesday, at lunchtime. We have around 14 students from Year 7-11 in our group, and we would love to have more!

The focus this year was on poetry, and picture books as writing projects. We plan to explore publishing the picture books. That is a work in progress, and we hope to have more to share on this, next year.

We sent in entries to multiple competitions, mainly poems. We got a placing at the **Write On Lyric Writing** competition, with **Marley Baldwin (Year 7)** being one of the two placegetters in her year group, which is very commendable! Her lyric was published in the latest issue of Write On.

**Madison Knowles' (Year 11)** haiku, sent in for the New Zealand Poetry Society International Poetry Competition, was selected for publication on the **NZPS 2024 Anthology**. This is a huge honour!

As a group, we sent in a few entries to Toitōi and to the Ronald Hugh Morrieson Competitions. I am very proud of the efforts of all the students as it takes a lot of courage to put your work out there.

We were very fortunate to have renowned writers **David Hill and Elizabeth Smither** run a writing workshop for the group in Term 3. It was an enriching experience for the akonga to be mentored by and interact with the two acclaimed authors.

We look forward to building on this in the coming years!

## Taranaki Tragedy

*In the heart of Aotearoa-emerald land,  
Where rivers flow and forests stand,  
Among the ancient trees, a legend says,*

*Here stands Aotearoa's Te Ika-a-Māui, carrying four mountains.  
Circled by 'The stars and the windswept sea.'*

*Once the gods walked the earth;  
Born of fire and passion, their stature was strong.  
Their mana stood proudly, tall and free:  
Commander of the earth and the sky.*

*One, Taranaki, roared and set off a blazing fire,  
His burning heart lit day and night,  
But love was unshakable, it was stirred up;  
The mountain maiden, covered with the life of nature,*

*Pihanga, in green grace robes,  
She caught the savior's eyes with soft lips,  
But the stubborn lord of upper Tongariro,  
Had his heart captured, and he wanted her to himself.*

*Thus arose a fierce contest, the gods fought,  
In fierce battles, thunder and flames clashed.  
Tongariro energy and Taranaki flames,  
A bitter struggle, no peace to be regained.*

*Taranaki failed, was cast aside,  
His heart in anguish, and no place to hide,  
Pihanga turned away, spurning his love.  
Across the land, defeated, he roamed.  
Searching for comfort and a new home.*

*He went west in darkness and rain.  
He wanted peace to ease his heart filled with deep pain.  
And as Taranaki left, he carried a scar,  
No longer worthy, his pride torn apart.*

*Now he rests in solitude, and his height is silent,  
The lone watchman, the invisible watchman,  
The beauty of Pihanga still adorns the landscape.  
Where Taranaki stands, the legend endures.*

*So, I see the snow-capped crown of the mountain,  
And remember the love story and the battles below;  
The tears of Taranaki turned to a cloak of snow,  
Pihanga lost forever,  
The timeless legend nearly forgotten*

*Aya Sophia Ash Mendoza (Year 10)*

## My Famous Lightning Bolt

*It was a delicate balancing act, a comedic masterpiece of coordination and love. Dad, a master of the absurd, navigated the chaos with a grace that only a loving father could muster.*

*A bleeding faced child with rivers coming out of her eyes clutched in one arm, a bike perched awkwardly on the other, and a dog running circles around him, dad was a modern-day circus act. I was a less-than-ideal passenger, but his mission was clear: transport me safely without looking like he'd abducted a wounded alien. We quickly became the starring act of the show. However, he maintained impeccable balance that impressed our audience of cars driving along Hori Street. His expression, a mix of concern and fear were winning the war against laughter. Afterall, I did just make the impossible, possible.*

*This perfectly organised chaos came to a dramatic halt when he returned home and assessed the damage. A crimson tide painted my chubby face, a stark contrast to my usual freckled cheeks. The stinging sensation pulsed through every nerve as he carefully wiped my cheek. My once clear skin was now a canvas of angry lines. Dirt and small pebbles clung to the wetness, making my face appear rough and uncomfortable. He winced at the sight. This happened on his watch, and Mum was never going to let him live that down.*

*"Her face! What the hell happened!"*

*An unforgettable adventure is what had happened.*

*To this day I walk around carrying a reminder. It resides in the space between my nostrils and my top lip, my version of the famous lightning bolt.*

*The warm sun was shining through the trees, fighting to strike our skin. Birdsong filled the air along with the laughter that bubbled out of my mouth, a sweet melody that accompanied our footsteps.*

*I, a fearless four-year old, wobbled along the bumpy footpath on my Wishbone bike, daring to see everything there was to see. Whether it was a tiny ladybug on a leaf or a painted rock hiding in the bushes, I was determined to experience it all. My world was a simple but exciting playground, and my bike was my trusty steed. With each bump and turn, I discovered something new, my eyes were forever wide with wonder as I took in the world around me.*

*We had made it through the big red gates and had just made it past the stretch of cluttered yards and weathered exteriors that lined Somerset Street. Now we were about to reach the Great Decline. A mischievous grin appeared across my immature face as I spotted the hill looming ahead. A hill I had become quite familiar with. Its steep slope, a thrilling challenge. The grassy edges were etched into my memory like my favourite page of 'The Wonky Donkey'. Every pothole, every curve was a known quantity to me at this point. It was my personal racetrack. That driveway to the New Plymouth Bowling Club was where I felt like the queen of the world. Until It happened.*

*My little legs pumped with a newfound energy as I gripped the handlebars tighter. My eyes knew exactly where to lead me. My heart was pounding with anticipation, each beat a promise of the rush to come. I stopped. Right at the top of the hill. The most daunting hill.*

*Gracie, now a distant memory of a bundle of joy that was covered in fur, barked excitedly, her tail a blur of encouragement. Dad's supportive words, words that I can still rely on when I'm about to do something adventurous. His eyes, sparkling with shared excitement, urged me to lift my feet off the ground. With dad's unwavering belief in me and Gracie's eternal enthusiasm, I was as ready as I would ever be.*

*This was it. The hill was calling. I was answering. One foot pushed off. The other followed.*

*The world was a blur of green and blue. Wind was whipping through my hair and pushing against me, urging me faster. My grip tightened once more as the ground seemed to be racing away, a dizzying carpet of green and grey. That beloved wishbone bike hummed beneath me. My mission was accomplished as soon as I felt that steady vibration travel through my body. Fear flicked for a moment but was quickly overrun by the exhilarating rush of speed.*

*A tiny human-being hurtling down that worn out driveway off Brooklands Road on a very small bike. That was surely the act to watch.*

*I was flying. Literally.*

*Right over the handlebars.*

*The ground seemed to come up to meet me faster and faster and faster. My eyes squeezed shut, bracing for impact. Then, with a sickening thud, my face connected with the unforgiving earth.*

*My lower lip quivered as tears began to well up in my eyes, threatening to spill over. I tried to hold them back, but the dam collapsed.*

*Suddenly, I was airborne once again, however I was more constricted than before. The warmth clued me in as to why.*

*Dad came to rescue me.*

**Monique Hayes' writing from the Ronald Hugh Morrieson Literary awards. She recieved a Highly Commended Award in the True Story category**

## An Autumn morning

*An Autumn morning begins...with leaves of rainbow blended floating so low; dancing and prancing to the sound of the wind, as they twirl and twirl in their gowns of no downs.*

*An Autumn morning is...a sunrise betting a good day, the light is so bright that even the stars must look away; that's when they go as the sky starts changing to all the colors: red to orange to yellow.*

*An Autumn morning ends...as the people wake, the birds start singing to sounds like dings and chings; two Piwakawaka on one branch, a Tui on the other catching the choruses with no time on their watches; but this is just the beginning, as other birds fly in and soon no one can hear a thing except the Tui and the two Piwakawaka calling and making sure nobody's failing in song.*

**Caitlin Bishop (Year 7)**

## Where the Morepork flies

*Morepork goes out hunting,  
and there you may find,  
she glides on silent wings,  
hushed more than butterflies.*

*She remembers as a chick,  
she thought flying was bizarre,  
but when she took off  
it really wasn't hard.*

*She would always remember  
the day that she stood on the ledge,  
the day she finally realised,  
she was fully ready to fledge.*

*She would always miss her parents,  
the ones that brought her up,  
but now she was leading a new life,  
with her own chicks being enough.*

*And till the day she sees her parents again  
she'll wish for luck and love,  
but for now, she'll just rest,  
and hope for all of the above.*

**Marley Baldwin (Year 7)**

## Haiku

*The door is shut  
my hand  
hits it hard*

**Madison Knowles**

## Friends

*In the tapestry of life, where colors blend,  
Friendship is a cherished thread,  
A bond without an end.*

*In every twist of fate, we find each other,  
Becoming inseparable friends,  
In whom our spirits take flight.*

*Through laughter's dance and tears' embrace,  
In every trial, they find their place.*

*A hand to hold, a heart to share,  
In joyous moments or in despair.*

*They're whispers of courage in the silent night,  
The warmth of morning's first sunlight,*

*In their laughter, the melody of our days,  
In their presence, our worries sway.*

*For in their company, we find our song,  
A harmony that forever belongs.*

*In the tapestry of life, where journeys blend,  
Friends, the treasure, from start to end.*

# Mathematics

Spencer Page | Leader of Learning

*The year started with all the mathematics teachers now being set up in the new Mathematics Block. The new classrooms providing a much nicer environment for our students to learn in. With the new Level 1 NCEA Achievement Standards beginning this year we anticipated it being busy, and we were not disappointed.*

2024 also saw the return of the regional math quiz competition and we had eleven teams enter over the four year levels. We also had several girls enter in the Otago Mathematics Competition with Molly Stevenson and Milah Topping gaining Merit awards, and Catriona Thomson gaining a Distinction award. A big thank you to Mr Shintaro Kirkcaldie for organising these events.

“This year has been really memorable for me, as Stats spoke to me”

“The after-school tutorials have been really helpful”

I would like to take this opportunity to thank Ms. Kim Goodey, Mrs. Jan Carnachan, Mr. Stephen Brown, Mr. Shintaro Kirkcaldie, Mr Richard MacCallum and Mrs Nicola Hill for all their support with our ākongā this year.

Ngā mihi nui.

# Science

Linda Dickson | Leader of Learning

*Tena koutou katoa. 2024 has been a busy and productive year in the Science Department.*

We have welcomed a number of new staff. Miss Poffenroth was a student teacher at SHGC in 2022 and we are privileged to have her back as a full-time permanent faculty member. Ms Hodson moved to SHGC from NPGHS and we are delighted she made the shift. Both are passionate Biology teachers and apply the same enthusiasm to junior Science. Rumour has it both can add superb bakers of cakes/cookies to their resumé! Mr Cayzer wasn't put off after a stint as long term reliever in 2023 and has joined the staff permanently. He has strengths in Chemistry and Physics but has also been a keen junior Science teacher – as well as an ability to jump into lakes and rescue students! We have been blessed to have staff so committed to running a practical and engaging junior Science course. Mr McLellan continues to be the jedi of the Physics department – may the force always be with him.

Our Year 11 programme has received a lot of effort this year with the nationwide NCEA changes. We have worked hard to demonstrate that Science IS everyday life – the topics covered have included health and disease, antacids and energy systems in our homes. The changes have been meaningful and here's hoping the government doesn't go and change the standards again in the foreseeable future.

Outside of the classroom we have had girls participate in the WITT Science and Technology Fair (see elsewhere). Well done to all the girls who put effort into entering the fair, and congratulations to those who won prizes! Mr McLellan was again the driving force behind our school contributions. Abigail Churches, Patricia Malapit and Olivia Williams all attended the National Rotary Science Forum in January, in Auckland. All three attest to the fact it was a life changing event over two weeks and helped guide them into the area they wish to study at a tertiary level.

Many thanks to Rotary clubs in New Plymouth and Waitara who helped sponsor these girls to participate in two weeks of science fun! Callie Visser will attend this forum in January 2025.

“The important thing is not to stop questioning. Curiosity has its own reason for existing. One cannot help but be in awe when one contemplates the mysteries of eternity, of life, of the marvellous structure of reality. It is enough if one tries to comprehend only a little of this mystery every day.”  
Albert Einstein

Our aim in Science is to open the eyes of our akonga into the wonderful mysteries of Science. Our prayer is that they continue to have curiosity about our world and ask questions as they go through life. Job12:7-10

# Technology

Emma Cronin | Acting Leader of Learning

*And that's a wrap—another year done and dusted!*

2024 brought significant changes to the Technology department. At the end of Term Two, we said goodbye to Ms. Helen Manning. Her passion for food will be greatly missed, and we wish her all the best in her retirement. I'd like to extend my gratitude to Mrs. Felicity Patterson, who stepped in during our search for a new Food teacher. The students really enjoyed having her in the classroom. Finally, we welcomed Mrs. Julia McNeil as our new Food teacher. Although she's only been here a short time, she has already made a lasting impact, and we're excited to see what she has planned for her classes next year.

Once again, we've been amazed by the creativity and talent of our Technology students. From pavilions to wearable art, sleepouts to nutritious salads, digital pets to fake-aways, and pyjamas to cafes—our students have designed and created it all. We couldn't be prouder.

To the graduating class of 2024, we will truly miss you. Thank you for your hard work, your smiles, and for laughing at our jokes. It has been a privilege to be part of your journey and to witness you grow into the strong wahine toa you are today.

As you move forward, here's some parting advice: cherish this "Golden" time. As cliché as it may sound, your school days might be some of the best years of your life.

As you embark on new adventures, remember that while you may encounter challenges, "Falling" doesn't equate to failure; it's simply part of learning to rise again.

"Keep driving" towards your goals and even when the road gets tough, look for the "Watermelon sugar" moments.

Ultimately, life is a journey where we learn to "Cherry" pick the good from the bad, cherishing the moments that truly matter.

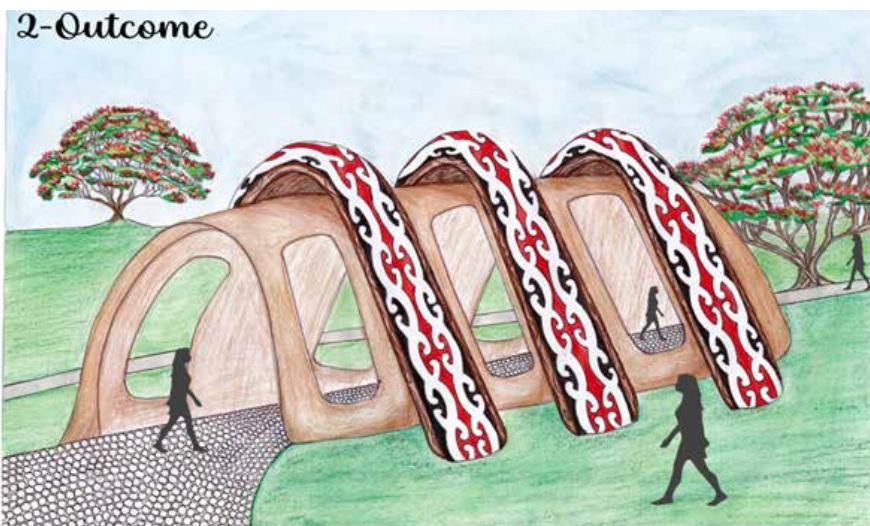

Farewell year 13's, class isn't going to be the "same as it was".

Liz Churches | Acting Leader of Learning

*We've had another fabulous year in the Social Science department in 2024. There was learning, laughter, boats, seals, hotel visits, court visits, a trip to Wellington, markets and even the added mystery of digital assessments to decipher. We welcomed the Te Reo Māori and Spanish subjects into the Social Sciences faculty this year as well.*

Our Geography teacher, Amanda Brown, took leave for terms 2, 3 and 4 and Richard MacCallum stepped in flawlessly to keep her classes on track. We thank him very much for

his help and knowledge this year and wish him well in the future.

A big thank you to all our other wonderful teachers within the Social Sciences, Katie Coleman, Taryn Gadsby, Deborah Jordan, Christine Moffitt and Puna Wharehoka. They strive to give our students the best possible learning experience and opportunities to make authentic connections within the world around them. Helping to prepare them with the skills and understanding to navigate our ever increasingly complex world.

While it is impossible to mention everything that we've done within the Social Science department during 2024, some of the fantastic highlights can be seen the photos below.

## Unknown Woman

In the land of the long white cloud, she dwells,  
A housewife in the 1930s, her story tells.  
Living with no more than a cold embrace,  
Her day unfolds with a sorrowful trace.  
At the crack of dawn, Agatha wakes,  
But in her heart, a heavy ache.  
The hot kettle whistles, and she cleans down low,  
Dreams of plenty are now a distant echo.  
Children's hungry cries, she cannot deny,  
With little food to supply.  
Rationed crumbs to eat,  
No work, no pay, the struggles repeat.  
The pile of laundry high, the washboard sings,  
Scrubbing hands tire as the school bell rings.  
Husbands footsteps, heavy with defeat,  
Wake, work, sleep, repeat.  
During the Great Depression's plight,  
A housewife dreams through the quiet of the night.  
Yearning for a life beyond gender's bind,  
Where her ambitions and talents are defined.  
She longs to step into the world of laws and rights,  
Where her voice and intellect take rightful flights.  
Through hardships and trials, she holds her ground,  
Unyielding, determined, in silence profound.

*Is it that time of year again? Each year seems to melt into the next, but one thing remains constant: the extraordinarily talented young people in our Art Department, each leaving their mark as if they're part of the very fabric here. Through their art, they express pieces of themselves—their stories, dreams, ideas, and sometimes even their fears. Ms. Tate and I feel incredibly privileged to witness their growth and to play a small role in their creative journey.*

This year has been busy as I wrapped my head around the new NCEA Level One curriculum, and I must say the Year 11s of 2024 took it in stride, working with grace and enthusiasm. I couldn't be prouder of the impressive work they've created.

Our painters and photographers have been particularly inspiring, bringing their creative visions to life with remarkable skill and insight. From hyper-realistic painters to photographers capturing the world's nuances, these students are making sense of our world in profoundly expressive ways.

Well done to all our students.

*In February, three students from Colegio de La Salle Buenos Aires visited New Plymouth and were hosted by the Marinovich, Byelich and Bennett families.*

The Argentinian girls, Bianca, Emma and Zoe, made the most of their time here at Sacred Heart and the hospitality of the host families was much appreciated! Thank you to Ana, Daisy and Arla for the warm welcome that you gave to your visitors.

# Drama & Performing Arts

Heather Ashton

Albert Einstein said that *“imagination is more important than knowledge”* which seems a boldly sweeping statement. But think again. Consider that knowledge can be gleaned from books and internet sites, but imagination cannot be indexed from any book. Rather it is something that must be fostered and nurtured and allowed to grow. I count myself privileged to be in a field of learning that has imagination at its very heart. Drama is about imagination. Drama is imagination. Drama demands imagination. Sometimes it will be found in a simple task of having

to grapple with how a group of 3 students can create an alphabetical letter with their bodies. Sometimes it may be in an individual considering how to show that they are an inanimate object through body shape, sound and movement. Perhaps it is a group of learners constructing a choreography to a piece of music. No matter what the situation, a crucial maxim in the teaching of imagination is to follow this sentiment from George Smith Patton: “Never tell people how to do things. Tell them what to do and they will surprise you with their ingenuity.” I am continually

amazed and delighted with the work that my students come up with given the right guidance and framework. What a joy to work with students who are willing to extend themselves, to experiment, to playfully explore the endless possibilities of the imagination.

Thank you to all the students who out their hands up to share their talents and celebrate the performing arts together in 2024. It has been my pleasure to journey with you.

*'Without music, life would be a mistake.'* – Friedrich Nietzsche

The Music Department at SHGC has been a busy place this year, with students taking every opportunity to learn, and live life to the full. These students have also served the school throughout the year in multiple Masses, Assemblies, Liturgies, and Fundraisers. I am so proud of the commitment shown, the co-operation within groups, the huge progress made in so many areas, and of course the enjoyment of making music.

## Taranaki Secondary Schools Orchestra Day

On Thursday 28th March, 15 of our students joined with over 100 students from around Taranaki at Inglewood High School. It was a valuable experience playing in a large orchestra, with the day starting with rehearsals, and ending with a concert for a very appreciative audience.

## Music- Womad workshop

Bilingual rapper, producer, songwriter and dancer Rei has taken budding musicians and dancers from around Taranaki through their performance paces at a workshop at Spotswood College on the Thursday before Womad.

Rei, who performed at Womad on Saturday night, also brought along his dance crew and fellow Aotearoa artist Huia for the Toi Foundation Community Programme event.

SHGC students Maeve Quinn, Czeska Cottam, Aya Mendoza and Catriona Thomson thoroughly enjoyed the experience.

## Liturgy and Mass Music

A huge thanks to the large group of students who help lead our Music in Assemblies, Liturgies and Masses. These events involve, practice, setting up and packing down, as well as singing and playing instruments during the School special events.

## Kids Sing 2024

The Trebles, our Year 7 and 8 Choir, were this year lead jointly by Philippa Drinkwater, and Year 13 student Ella Bartlett. The girls rehearsed weekly, giving up their lunchtimes once or twice a week, as they prepared for this

annual Competition organised by the NZ Choral Federation. The Trebles were the only Primary or Intermediate Choir to be awarded a Gold Award by the Adjudicator. They also won the trophy for Best NZ Song, singing a song written especially for them by Mr Julian Raphael – who is also the Guitar Teacher at SHGC. A Huge achievement.

## Concert and Jazz bands:

This year has seen the SHGC/FDMC Concert band Fusion performing at both the Waikato Festival and the FDMC Senior Prize giving. They have worked all year and have gone from strength to strength in their musical collaboration.

In 2024 SHGC has had 3 committed Jazz bands who have practiced all year to stretch and develop their musical skills. They were well received by large, appreciative audiences whenever they performed, including The Waikato Festival, The Taranaki Jazz Club, The SHGC Musical Showcase and School events. Congratulations on making fabulous music look so easy!

## Tosca – the Opera

A group of senior Music students travelled to Wellington to attend a live performance of this popular Opera in the newly renovated St James Theatre. Wow!

## Chamber Music Competition

This event has been running for well over 50 years and encourages students to play in small groups. This year there were over 30 groups in Taranaki, of which 10 were from SHGC.

Our senior Guitar Quartet – Chitarre Armoniche – tutored by Mr Julian Raphael, won the Adjudicator's Choice award. Our year 7 group of Violinists with Piano won the Newcomers award. All of the groups had prepared well and played to the best of their ability.

## Smoke-Free RockQuest

This was held in the RSB Showplace, featuring our year 9 band Klueless. This was their first experience on the big stage, performing the first song they have written together as a group. The judges comments were outstanding. Well done girls!

## Band Quest

Band Quest is the Year 7 and 8 Rock

Quest, held in Palmerston North. This year we had 2 bands performing – The Rockettes – a group of year 8 students who have been together for a while. Plus The Angels! A group of super keen year 7 students who practiced regularly to be able to perform together. The girls were very grateful to Year 11 student Georgia Jeffrey who offered tips, tricks and guidance to our young band members. They can be super proud of their performances, with a special mention of Lucie Pellicer who won the Rock Solid Bass Award.

The Caritas Sing Out 4 Justice Competition in 2024 was outstanding for Sacred Heart.

Mrs Hills' Year 8 classes won the year 7 – 10 Original Song Category with 'Kia Tau te Rangimārie'.

A group of students from the Trebles won Best Cover Song year 7 – 10, singing The Peace Song by Dorothy Buchanan.

Arabella Thomson and Ruth Hagenson were both finalists in this category with their solo performances.

In the Senior Original song – Georgia Jeffrey was placed in the Top 3 for NZ. An excellent result for our 5 entries.

## Play it Strange

This annual Secondary School Song Writing Competition always attracts a lot of entries from around NZ. In the Peace Song Category this year Georgia Jeffrey was selected as a finalist. As part of her prize she spent a day in the LAB Recording Studio in Auckland, and you can find her song Precious Peace on Spotify.

## Congratulations

Georgia Jeffrey (Y 11) a finalist in both the NZ Play it Strange Peace Song Competition, and also in the Caritas Sing Out for Justice Peace Song. A very successful year for our Songwriter!

Nancy Chen – winner of the Junior Section of the Taranaki Concerto Competition – winning a Piano performance accompanied by the Taranaki Symphony Orchestra.

Taranaki Young Musician of the Year is Year 11 student – Cassie Colbourne on Piano. 3rd Place was Ella Bartlett – singer.

# Sacred Heart Angels

Warwick Foy

## Honouring our Sacred Heart Angels

*“Wrapped with respect and the love of the Holy Spirit”*

Warwick Foy has been leading a project to honour our Angels – three girls who passed away, during their time at Sacred Heart Girls’ College, Manawa Tapu. The idea for the project came about when Warwick found out that the memory of Jessie, amongst the school community, had been lost.

Tributes and memorials for the Angels have not had consistent maintenance over the years. The cross which was made for Karen decayed and is now gone.

Two project goals were agreed with the families:

1. To develop a process where memorial stones/tributes are maintained
2. To annually acknowledge our Angels on or around All Souls Day

Warwick said to Gabby’s father, Roland that this project was “wrapped with respect” and he added, “and the love of the Holy Spirit”.

Goal 1 will be met with the help of the new RST Environment class. Karen’s brother Russell has started work on a new cross for her tribute space.

Goal 2 will be met with a display and blessing which will take place on November 11 at 3.30pm at school. The families will be in attendance. Interested members of the school community, friends and relatives are welcome to attend.

We have lost staff and other old-girls as well but to keep the project manageable, the initial focus is on the girls who died while attending – our Angels. We hope to include other students and staff in the future.

Thank you to Amelia Luke and Wendy Mulligan who have been a huge

support. Thank you to our “Angel Aides” who made up the boards; Seethal Manu, Amelia Fowell, Millie Elliott, Sylvie Hucker, Aya Sophia Ash Mendoza, Louis Domingo, Sophia Dollesin, Katie Brophy, Sophie Huntley and Elena Jager.

# Pathways

Warwick Foy | Leader of Learning

*Pathways demonstrates how school learning and achievement links to employment and further training. Education is not just about employment but employment is always about education.*

Our most prestigious Pathways achievement is the awarding of The Prime Minister's Award for Vocational Excellence, valued at \$2000. Unfortunately, the new coalition government scrapped the award this year but most schools around New Zealand are keeping it going and at our school, it will now be known as the Sacred Heart Girls' College Award for Excellence in Education to Employment.

This year's winner is Alika Hunn, Year 13. Alika visited the Taranaki Careers Expo with her year level in 2023. One of the stands was an exhibit about flying. Alika was interested in the display, she watched a video and quite liked the thought of becoming a pilot. After the expo, she starting flying lessons and built up enough hours to eventually gain her solo wings. Alika used her Pathways lessons to work on her aviation papers and started researching flight schools and connecting with old-girl Ella Barrett who began flight school at the beginning of 2023.

In late 2023, Alika was nominated for the prestigious Pauwels Flying Scholarship. Alika was awarded the scholarship and Captain John Pauwels and her mentor, retired 747 pilot Captain David Meale, flew to New Plymouth to present the award at school assembly in April.

Alika has found her aviation papers difficult at times but she is determined and focused and displays all of the character required to be a worthy winner of the Award for Excellence in Education to Employment. Congratulations Alika and all the best as you head to flight school in Christchurch in 2025.

Our WITT students had an excellent year. Sylvia-Hunter O'Brien came top

of Cookery and Lexie Scott was most improved student for Trades Academy Engineering. Our TOPEC students thrived as well. Michelle Hurley and Maddy Drought were stars on the NZ Certificate of Outdoor Leadership course.

Our barista courses were as popular as ever and our school cafe, Cafe Foi (The Faith Cafe) remains a hit with staff and students. This year, Sister Colleen joined our roster proving the mantra of life-long learning! We had many students through Redshirts this year and as always, they returned with new found confidence, self-esteem and some handy employability skills.

We lost some passengers along the way. These girls got what they needed from school, had a solid plan and stepped out into the next stage of their education. If you have what you need and a plan, for some students, leaving is a good choice. Well done to those who moved into employment or further training.

Thank you to staff who are flexible in supporting our students as they come and go and the employers who made a massive contribution in working with us and our students. Thank you to our other Pathways teachers, Ms Tate, Ms McNeil, Mrs Hodson, Mrs Rilkoﬀ, Mrs Churches, and Ms O'Byrne. Our Teacher Aide team also made a valuable contribution with our high number of Year 11 Pathways girls this year. I would also like to thank Jilly who works really hard for us, has a big heart for our girls and a huge knowledge of placement offerings. We also had a great crew of volunteers this year. Thanks to Christine, Sister Colleen, and Lynda for your kind mahi. Most of all, I congratulate each and every student who made the best of the experiences that we organised for you.

Keep up with all the action on our SHGC Pathways Facebook Page.

Narelle O'Byrne | Leader of Learning

*As we close the door on 2024, we reflect on what has been yet another crazily hectic year in the PE & Health Faculty. We welcomed back Erika Maifea after having had nearly a decade off to have her babies. She successfully took on the Junior health project lead role, and as a result we now have our first ever NCEA Level 1 Health Studies class for 2025!*

Once again, we have asked some of our Senior students to summarise their experiences and most memorable moments in PE & Health, over the duration of their time here at Manawa Tapu. Best of luck to our amazing "Thirqueens" who are leaving us to pursue bigger and brighter things, we will miss you immensely. Here are some of their final words of wisdom for our younger year groups to aspire and look forward to...

*"PE is so much fun and so versatile, it was also an alternative way to get some training and exercise in"*

*"I really enjoyed it and would highly recommend taking it"*

*"Mountain biking the 84km Timber Trail was definitely a highlight"*

*"I've learnt how to push my body both mentally and physically far beyond what I ever thought possible"*

*"Fun, so many new experiences, challenging"*

*"Everything – Timber Trail, golf, Taranaki 6-hour Adventure Race"*

*"It's waaaaaaay better than just sitting in classes. Make the most of it"*

*"It's taught me how to be resilient"*

*"It was so much fun, great*

*experience and awesome variety of activities"*

*"Playing golf at Fitzroy Golf Course"*

*"Good to get out and be active rather than sitting in class. Also, you get to go offsite which is always fun"*

*"It's taught me how to push through hard activities and tough times"*

*"Enjoyable, adventurous, fun, friendships"*

*"You get loads of opportunities to do things you would otherwise never do in your own time"*

*"It's taught me that you can do anything if you put your mind to it"*

*"Amazing friendships and bonds are built"*

*"Too many favourite/memorable moments in PE to choose just one"*

*"It taught me how to train properly for events"*

*"Everything was perfect"*

*"It was adventurous and gave me new opportunities"*

*"Be active and take PE to get out of class"*

*"It teaches you how to push through challenges which is an essential life skill"*

*"I loved the practical aspect of the assessments"*

*"I loved how much running around you got to do and how you got to try so many different sports"*

*"I loved working together with*

*new people. I especially enjoyed our stay at TOPEC and getting to know my group"*

*"I really enjoyed the huge variety of different activities, they catered to a wide range of our interests"*

*"100% recommend taking PE, especially if you enjoy getting outside and being active. It's a great break from other classes"*

*"Such an awesome course if you give it your all and participate in everything fully"*

*"The teachers are awesome, and I feel like I got a lot out of senior PE"*

*"I enjoyed how we got to do a variety of activities and how we had team challenges"*

*"I enjoyed having a variety of activities to do each week during the assessment. I loved how you can improve each week and how there is a wide range of different activities, so everyone got to do something they enjoyed"*

*"I loved how we got to do practicals, as they helped me understand the bodies systems better and gave me a deeper understanding of what is actually happening to my body during physical activity and why"*

*"I would highly recommend taking PE as it is a great break from the classroom and you get a variety of activities throughout the year. The whole course is very fun and enjoyable, and the teachers are great too"*

*"I liked how we were able to learn the skills of a game and then expand our knowledge around game plays and strategies. It*

*helped me relate to strategies which could be beneficial in other sports”*

*“I really enjoyed the competitive element, and the assessments were fairly straight forward”*

*“The Kotahitanga assessment was eye opening as to how important teamwork really is”*

*“I really enjoyed the camp, it helped me become more familiar with multiple classmates”*

*“I would definitely recommend taking PE as it is obviously a subject which gets you active and out of the class, it also provides many life skills which are beneficial, in a fun situation/ environment”*

*“The class was a very supportive environment, and camp is a good experience with lots of teamwork. The assessments are fairly easy, and you get to know people in your year so much better”*

*“I like how I learnt to play loads of new games, the activities were fun”*

*“It was nice going outside and doing different outdoor activities”*

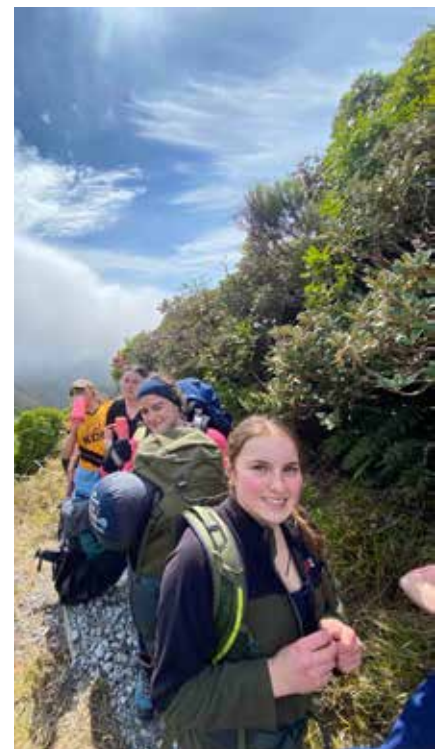

*“You will never regret taking this course. Aside from just learning things or playing and earning credits, if you are a sporty or adventurous person this is the right course for you”*

*“This course is good to breath some fresh air and take a break from the classroom. It is nice working with other people, and it is very fun going outside on a sunny day”*

*“Camp at TOPEC was great fun, another way to get fit”*

*“You would 100% love this course because they have very nice and fun teachers who are very approachable if you have any problems. Just always bring your PE gear”*

*““Thanks for a very fun year”*

## Lily Bishop and Eva Martin

*What a year it has been for sport in the college! 2024 has been a year to remember, with an action-packed calendar. We have seen huge growth in participation, with students competing in over 19 different sporting codes. There have been many success stories, highlights and memories that have been made for a lifetime.*

To kick the year off with a bang, we had the annual Swimming Sport Competition. It was awesome to have everyone back at the pools enjoying the sun, with sunblock being in high demand. The competitive energy filled the atmosphere both in and out of the pool. The day was truly full of laughter, and fun, a core memory for most. The year 13's provided the entertainment for the day in the traditional synchronize swimming competition. Lourdes taking the crown for the third consecutive year. However, when it came down to it, their fierce competitiveness out in the water and in the stands meant that Vianney took home gold for Swimming Sport 2024.

Athletics was next, and man, what a day it was. The sun was on full display, with many girls going home with red faces. This year, we bused the whole school to the TET Stadium in Inglewood, as school spirit was one of our major goals. You would have been able to hear us right around the region. Many voices were certainly lost by the end of the day, including our own. It was an action-packed timetable, with many things to accomplish, but we did it in the end. We decided to start some traditions, with mascots run and a house parade. There was nothing short of competition, as all houses tried to bring Vianney down a peg or two, but again, they rose to the occasion and took home yet another gold for Athletics 2024.

Just around the corner, it was time for Cross Country. This event came around faster than ever with some amazing runners and some happy walkers smashing the course! Unlike most years, the weather threatened to ruin the day with temperatures not even reaching 10 degrees, but that wasn't going to stop us. With some quick problem solving, cross country took a new look. The event was brought into the event centre, where before and after the girls raced, they would dance their hearts out in a battle of just dance. As sports leaders, our mission is to see everyone participating, and to say we were overcome with joy when we saw everyone giving it their best shot is definitely an understatement! It was an absolute pleasure, and we hope we started a new tradition. At the end of the day, everyone danced, boogied, and raced their hearts out, but there could only be one winner. Yet again, Vianney sprinted away with the gold for Cross Country 2024.

In between all the school wide events, Interaction Revolution has been in full swing. This year every Friday the Sports Council put on an activity at lunch, to get all year groups involved and active. From dodgeball and multisport to the much-awaited Zorb Balls it has been awesome to see everyone participating. We created a slogan, "Let's be proactive & get active", that we thought suited our goal. It's been great to see different year levels connect, relationships formed, and memories made for all involved.

Finally, the highly important Year 13 vs Teacher competition. A much-anticipated event by all. We packed out the event centre, competing in several sporting codes including futsal, basketball, rowing and volleyball. There was nothing short of entertainment and a good laugh, with the competitive spirit coming into full force. Who

knew that the teaching staff at the college had so much sporting talent. Battle upon battle, the teacher took the competition out, reminding the year 13's just who's boss.

Sport could not be made possible without all the support. We want to thank the sports coordinators, coaches, managers, parents, volunteers, game officials and everyone else that has made all this possible. We know how much work goes into getting students to all their sporting endeavors, and all your hard work is much appreciated. We also want to say a big thank you to our Sports Council. All your hard work has not gone unnoticed, and we hope you keep inspiring other athletes to be their best possible selves.

This year has been filled with memorable moments and plenty of lesson have been learnt by the both of us. We are so grateful for the opportunity to lead and represent the college with pride. We thank everyone that has been by our sides and helped us through the twists and turns that are brought with the job. Being in this role has been so fulfilling and to be able to put so many smiles on the girl's face makes our job so much more rewarding. You girls have been nothing but amazing, and we wish you the best for all your sporting endeavors to come. You all have the potential to be amazing athletes. Keep representing the college with pride and give it your all. We are so proud of each and every one of you. Eva and Lily, signing off!
