7. TRADING POLICIES AND PROCEDURES

Placing of instructions

Instructions may be given in electronic form through the Vstar& Soho Markets Limited Online Trading System. Instructions received from your side by telephone, computer or other medium we may ask you to confirm such instructions in writing. We shall be authorized to follow instructions notwithstanding your failure to confirm them in writing. In this Agreement "instructions" and "orders" have the same meaning.

Types of Orders Accepted

Some of the types of orders the Company accepts include, but are not limited to:

- a) **Good till Cancelled** (“GTC”) - An order (other than a market order), that by its terms is effective until filled or cancelled by Client. GTC Orders are not automatically canceled at the end of the Business Day on which they are placed.
- b) **Limit** - An order (other than a market order) to buy or sell the identified market at a specified price. A limit order to buy generally will be executed when the ask price equals or falls below the bid price that you specify in the limit order. A limit order to sell generally will be executed when the bid price equals or exceeds the ask price that you specify in the limit order.
- c) **Market**- An order to buy or sell the identified market at the current market price that the Company provides via the Online Trading System. An order to buy is executed at the current market ask price and an order to sell is executed at the current market bid price.
- d) **One Cancels the Other** (“OCO”) - An order that is linked to another order. If one of the orders is executed, the other will be automatically cancelled.
- e) **Stop Loss** - A stop loss order is an instruction to buy or sell a market at a price which is worse than the opening price of an open position (or worse than the prevailing price when applying the stop loss order to an already open position). It can be used to help protect against losses. Please note that because of market gapping, the best available price that may be achieved could be materially different to the price set on the stop loss order and as such, stop loss orders are not guaranteed to take effect at the price for which they are set.
- f) **Trailing Stop** - A trailing stop is the same as a stop loss order with the only difference being that, instead of setting a price at which the order is activated, the trailing stop order is activated at a fixed distance from the market price. For example, if Client has purchased a long open position and the market ask price increases, the trailing stop price will also increase and will trail behind the market ask price at the fixed distance set by Client. If the market ask price then decreases, the trailing stop price will remain fixed at its last position and if the market ask price reaches the trailing stop price, the order will be executed. Please note that because of market gapping, the best available price that may be achieved could be materially different to the price set on the trailing stop order and as such, trailing stop orders are not guaranteed to take effect at the fixed distance for which they are set.

Following submission of an order, it is your sole responsibility to remain available for order and fill confirmations, and other communications regarding your Account until all open orders are completed. Thereafter, you must monitor your Account frequently when you have open positions in the Account.

Your order shall be valid in accordance with the type and time of the given order, as specified. If the time of validity or expiration date/time of the order is not specified, it shall be valid for an indefinite period.

Trade Adjustments

Clients must be aware that Forex transactions carry a high degree of risk. The amount of initial margin may be small relative to the value of the foreign currency so that transactions are 'leveraged' or 'geared'. A relatively small market movement may have a proportionately larger impact on the funds that the Client has deposited or will have to deposit. This may work against as well as for the client.

The Company exclusively reserves the right to widen its variable spreads, adjust leverage, change its rollover rates and/or increase the margin requirements without notice under certain market conditions including, but not limited to, when the trading desk is closed, around fundamental announcements, as a result of changes in credit markets and/or at times of extreme market volatility. In such circumstances, the Client agrees to indemnify the Company for any and all losses that may occur due the widening of spreads and the adjustment of leverage.

13. NETTING

Rights on Default

On the occurrence of an Event of Default, we may exercise our rights under this clause, except that in the case of the occurrence of any Event of Default the automatic termination provision of this clause shall apply.

Liquidation Date

Subject to the following sub-clause, at any time following the occurrence of an Event of Default, we may, by notice to you, specify a date (the "Liquidation Date") for the termination and liquidation of Transactions in accordance with this clause.

Automatic termination

The date of the occurrence of any Bankruptcy Default shall automatically constitute a Liquidation Date, without the need for any notice by us and the provisions of the following sub-clause shall then apply.

Calculation of Liquidation Amount

Upon the occurrence of a Liquidation Date:

- a) neither of us shall be obliged to make any further payments or deliveries under any Transactions which would, but for this clause, have fallen due for performance on or after the Liquidation Date and such obligations shall be satisfied by settlement (whether by payment, set-off or otherwise) of the Liquidation Amount (as defined below);
- b) we shall (on, or as soon as reasonably practicable after, the Liquidation Date) determine (discounting if appropriate), in respect of each Transaction the total cost, loss or, as the case may be, gain, in each case expressed in the Base Currency specified by us in writing or, failing any such specification, the lawful currency of the United States (and, if appropriate, including any loss of bargain, cost of funding or, without duplication, cost, loss or, as the case may be, gain as a result of the termination, liquidation, obtaining, performing or re-establishing of any hedge or related trading position) as a result of the termination, pursuant to this Agreement, of each payment or delivery which would otherwise have been required to be made under such Transaction (assuming satisfaction of each applicable condition precedent and having due regard, if appropriate, to such market quotations published on, or official settlement prices set by the relevant exchange as may be available on, or immediately preceding, the date of calculation); and

c) we shall treat each cost or loss to us, determined as above, as a positive amount and each gain by us, so determined, as a negative amount and aggregate all of such amounts to produce a single, net positive or negative amount, denominated in the Base Currency (the "Liquidation Amount").

Payer

If the Liquidation Amount determined pursuant to this clause is a positive amount, you shall pay it to us and if it is a negative amount, we shall pay it to you. We shall notify you of the Liquidation Amount, and by whom it is payable, immediately after the calculation of such amount.

Other transactions

Where termination and liquidation occurs in accordance with this clause, we shall also be entitled, at our discretion, to terminate and liquidate, in accordance with the provisions of this clause, any other transactions entered into between us which are then outstanding.

Payment

The Liquidation Amount shall be paid in the Base Currency by the close of business on the Business Day following the completion of the termination and liquidation under this clause (converted as required by applicable law into any other currency, any costs of such conversion to be borne by you, and (if applicable) deducted from any payment to you). Any Liquidation Amount not paid on the due date shall be treated as an unpaid such amount and bear interest, at the average rate at which overnight deposits in the currency of such payment are offered by major banks in the London interbank market as of 11.00 am (London time) (or, if no such rate is available, at such reasonable rate as we may select) plus one (1%) per annum for each day for which such amount remains unpaid.

Base Currency

For the purposes of any calculation hereunder, we may convert amounts denominated in any other currency into the Base Currency at such rate prevailing at the time of the calculation as we shall reasonably select.

Payments

Unless a Liquidation Date has occurred or has been effectively set, we shall not be obliged to make any payment or delivery scheduled to be made by us under a Transaction for as long as an Event of Default or any event which may become (with the passage of time, the giving of notice, the making of any determination hereunder, or any combination thereof) an Event of Default with respect to you has occurred and is continuing.

Additional rights

Our rights under this clause shall be in addition to, and not in limitation or exclusion of, any other rights which we may have (whether by agreement, operation of law or otherwise).

Application of netting to Transactions

This clause applies to each Transaction entered into or outstanding between us on or after the date this Agreement takes effect.

Single agreement

This Agreement, the terms applicable to each Transaction entered into under this Agreement, and all amendments to any of them shall together constitute a single agreement between us. We both acknowledge that all Transactions entered into on or after the date this Agreement takes effect are entered into in reliance upon the fact that the Agreement and all such terms constitute a single agreement between us.

14. RIGHTS ON DEFAULT

Default

On an Event of Default or at any time after we have determined, in our absolute discretion, that you have not performed (or we reasonably believe that you will not be able or willing in the future to perform) any of your obligations to us, in addition to any rights under the Clause 13 (Netting) we shall be entitled, without prior notice to you:

- a) instead of returning to you investments equivalent to those credited to your account, to pay to you the fair market value of such investments at the time we exercise such right;
- b) to sell such of your investments as are in our possession or in the possession of any nominee or third party appointed under or pursuant to this Agreement, in each case as we may in our absolute discretion select or and upon such terms as we may in our absolute discretion think fit (without being responsible for any loss or diminution in price) in order to realise funds sufficient to cover any amount due by you hereunder;
- c) to close out, replace or reverse any Transaction, buy, sell, borrow or lend or enter into any other Transaction or take, or refrain from taking, such other action at such time or times and in such manner as, at our sole discretion, we consider necessary or appropriate to cover, reduce or eliminate our loss or liability under or in respect of any of your contracts, positions or commitments; and/or

In the case of such termination, all pending Transactions on behalf of the Client shall be cancelled and any open positions shall be closed.

Upon termination of this Agreement, all amounts payable by the Client to the Company will become immediately due and payable including (but without limitation) all outstanding costs and any other amounts payable to the Company, any charges and additional expenses incurred or to be incurred by the Company as a result of the termination of the Agreement.

Once notice of termination of this Agreement is sent and before the termination date:

- c) the Company will be entitled to refuse to accept new Orders from the Client;

- b) The Company has the right to close the Client Account(s);
- c) The Company has the right to convert any currency;
- d) The Company has the right to close out the Client's Open Positions at current prices;

Such funds shall be delivered in accordance to the Client's Instructions to the Client. It is understood that the Company will effect payments only to an account in the name of the Client. The Company has the right to refuse, at its discretion, to effect payments to third parties.

Termination shall not affect then outstanding rights and obligations and Transactions which shall continue to be governed by this Agreement and the clauses agreed between us in relation to such Transactions until all obligations have been fully performed.

16. EXCLUSIONS, LIMITATIONS AND INDEMNITY

General Exclusion

Neither we nor our directors, officers, employees, or agents shall be liable for any losses, damages, costs or expenses, whether arising out of negligence, breach of contract, misrepresentation or otherwise, incurred or suffered by you under this Agreement (including any Transaction or where we have declined to enter into a proposed Transaction) unless such loss is a reasonably foreseeable consequence or arises directly from our or their respective gross negligence, willful default or fraud. Waiver of immunity and consent to enforcement
