Brand it with Speedy

We understand the importance of your brand to your business. Simply send us your company logo and we will waive the bespoke embroidery set up fee of £25+Vat as long as at least 1 trade pack or 8 individual garments are ordered. The embroidery will be based upon using up to 3,500 stitches. We will then keep your logo on our database so you are able to order again in the future. Once you have approved your logo proof we aim to supply your garments within 7 to 10 working days.

All garments in this catalogue can be embroidered apart from codes HP7400 (Helmets can be stickered), HV2194 and HV5336 (Hi Viz items will be heat sealed logos) and TR4020 (trousers).

Contact your local Speedy representative to discuss your requirements. We can also offer a central Speedy Workwear contact point by calling 0345-609-9997 or emailing buy@speedyservices.com. Ask about our volume discounts when ordering 30 individual garments or more.

Prices are correct at time of print (23-03-17) and subject to change without notice. Version1 Apr-17

*Terms and conditions - All prices shown are excluding VAT which will be charged as the prevailing rate. Inclusive embroidery is based upon 3,500 stitches. Offer is based on items listed above only and can not be swapped with other items.
