MEDICAL LIEN

I, the undersigned patient (or Legal guardian of minor), grant to The Spine Center (hereafter “medical facility”) a lien upon the recovery of any and all proceeds from any source obtained through settlement, judgment, for any medical services rendered to me or the minor, for treatment of injuries sustained or the exacerbation of any medical condition(s) (hereafter “treatment”) that I or the minor have indicated, believe or did in fact arise out of an incident that occurred on or about the date set forth below (hereafter “incident”). I further authorize the medical facility to furnish my attorney with a full report of the examinations, diagnoses, treatments, prognoses, as well as billings for treatment from this incident. I hereby notify and authorize you, my attorney, to pay directly to the medical facility to the unpaid amount due for services rendered.

I understand that apart from this lien, I am directly and fully responsible to the medical facility for all medical bills submitted by it for services rendered, even for bills incurred for the minor (as indicated below) who may reach the age of majority, for which I may be required to make a lump sum or periodic payments, at the election of the medical facility. This lien is made solely for said medical facility’s additional protection, and in consideration of its awaiting payment. Except as otherwise provided below, I intend for this lien to continue until all charges have been satisfied. I agree that the statute of Limitations of my obligation to pay is tolled and does not begin to run while the medical facility is awaiting payment by way of this lien. I further understand that the payment of services is not contingent upon any settlement, judgment, or verdict that the minor or I may eventually recover.

Except as provided below I agree never to rescind this lien, and I do not grant any attorney that may represent the minor or me the right to rescind it. However, if my first attorney does not promptly sign, acknowledge and return this lien to the medical facility within 10 (ten) days of receipt of this lien, or if the first attorney for any reason (e.g., withdraws, resigns, is released by me, or substituted by another attorney) no longer represents me or the minor child for injuries arising from this incident, then the Irrevocable Assignment of Proceeds that I have signed with this medical facility supersedes this lien and takes immediate effect when the modification occurs. I agree to promptly notify medical facility of any change of my address or change or addition of attorney(s).

To my attorney: Please acknowledge this medical lien by signing below and returning it to the medical facility’s office.

Date of Incident: _____ **Print Name** _____

I, the undersigned attorney, state that I am the attorney of record for the this patient; I acknowledge that I am in receipt of this lien; and I agree to observe its terms by withholding the sums from any settlement, judgment or verdict that are owed to the medical facility, for their compensation or benefit. I also agree to promptly (1) notify the medical facility if I discontinue representation of this patient/client, and to (2) provide any subsequent attorney of the patient for this incident a copy of this lien, along with all of the medical facility’s records and billings in my or my law firm’s possession. In the event this lien is litigated, the prevailing party will be awarded attorney’s fees and costs.

ASSIGNMENT OF PROCEEDS

I, the undersigned Patient (or as legal guardian of the minor Patient), (also referred to below as "Patient") of The Spine Center ("Medical Provider"), without assigning any cause of action to this Medical Provider, unconditionally and irrevocably assign the proceeds of any settlement, judgment or verdict, up to the full amount of the unpaid medical services rendered by Medical Provider to Patient relating to the Date of Incident. I authorize these proceeds to be paid directly to the Medical Provider's attorney, the law firm of CRAIG K. PERRY & ASSOCIATES, located at 3450 W. Cheyenne Ave., Suite 400, North Las Vegas, Nevada 89032. I understand and agree that said law firm is authorized to contact the Insurance Company and me on behalf of the Medical Provider, to obtain information concerning the facts and status of Patient's case (e.g., completion of care, settlement status, insurance company information, etc.). Payment to a Patient, if a minor, shall be made by way of a minor's compromise, as required by law. The total amount owed, when it becomes a sum certain, will be provided to Insurance Company from one or more of the following sources: Patient, Medical Provider or attorney.

Upon execution of this agreement, I authorize and direct the Medical Provider or its attorney, to furnish the Insurance Company with all reports, findings, interpretations, impressions, treatments, diagnoses, and/or diagnostic studies that Medical Provider may perform or order for Patient received relating to the Date of Incident.

I fully understand that this assignment of proceeds is contingent upon the outcome of my claim or case, and if there is no recovery from the Insurance Company, or if less than the full amount is assignable to the Medical Provider then this assignment will not satisfy my obligation to pay the Medical Provider in full for services rendered. I fully understand that I remain directly and fully responsible to Medical Provider for all unpaid balances of medical bills associated with the services rendered to Patient, whether or not there is any financial recovery from the Insurance Company or other source. I agree that the statute of limitations for the Medical Provider to take action for the collection of any unpaid balance commences (1) six years after it is determined that this assignment of proceeds will not satisfy the amount owed or (2) six years after day of Patient's or Patient's parent/legal guardian's last payment towards the amount owed, whichever is later. The balance owed will accrue interest at the rate of 18 percent per annum from the date of the statute of limitations begins to run. Collection fees shall be the responsibility of the Patient.

If Patient does not initially retain an attorney, but later decides to retain one, then I agree to promptly (1) furnish Medical Provider with the attorney's contact information, and (2) notify Patient's attorney concerning existence of this Assignment of Proceeds. In the event that the Patient is paid by way of settlement, judgment or verdict, Patient agrees not to accept any money from either the Insurance Company or Patient's attorney from any of the proceeds that have been assigned to the Medical Provider. HEALTH INSURANCE WAIVER

I hereby direct you, as my medical provider, not to bill or utilize my personal health insurance for any of the treatment rendered by you and your office for injuries sustained in the incident for which I am now seeking treatment.

I believe, and have told you as my provider, that the incident was not my fault. I do not wish to be penalized in any manner for someone else's wrongdoing. My health insurance rights may be adversely affected, such as limiting my total number of office visits to a yearly maximum and if I use them for the injuries from this incident, I will lose that insurance entitlement for future office visits. Or, I do not wish to be responsible for any co-pays, deductibles or non-covered services for these same reasons. I desire, and choose, to preserve my health insurance visits and co-pays or deductibles for any similar future medical care where I can then choose to use my healthcare coverage.

Consequently, while you are allowed to bill my auto med-pay policy if med-pay is available, you are instructed not to bill my healthcare insurance. This directive is effective immediately and covers me from the date of my first visit with your office related to this incident, and continues until the conclusion of my treatment for these injuries. I make this directive voluntarily, of my own preference and without any coercion or duress of any kind by you or your staff members.

I understand that by choosing this option, I agree that I shall not rescind this directive once given unless that rescission is given in writing by me within fourteen (14) calendar days of signing this directive. Otherwise, you, as my medical provider, would likely be past the time deadline for the submission of my bills for payment to my health insurer, or I would be creating other problems for the payment of your services under my healthcare plan. I will be solely responsible to notify any attorney I now or later retain of this directive. In the event of any litigation arising under this directive, the prevailing party shall be entitled to recover their reasonable attorney's fees and costs. Venue for any litigation arising out of this incident shall be where the medical services were provided.

LATE ARRIVAL POLICY

Dear Valued Spine Center Patients,

At The Spine Center, we pride ourselves in offering you personalized care and reserve appointment times to accommodate your needs. Late arrivals to your appointment without sufficient notice, create a gap in our providers' schedule. These are appointments that could have been utilized to offer care to another patient.

If a patient is more than **10 minutes late** for an appointment, the appointment may need to be rescheduled. This is to ensure that the patients who arrive on time do not wait longer than necessary to see the provider. You may be given an option to only see the provider and miss the therapy services we offer.

*We ask for your consideration and cooperation in scheduling your next appointment.
Please understand that we are partners in your health care and we are committed to offering you
appropriate care when you need it.*
