

Inactive Business Accounts

As a follow-up to the notice that was made in 2016 about unclaimed accounts and the funds therein, some accounts have yet to be claimed. These are abandoned accounts that have been inactive for 5 years.

We therefore request that you submit the required documents to a consultant as soon as possible if your company name appears on the list in the branch:

1. Valid ID/Passport copy
2. Proof of residence e.g. not older than 3 months utility bill or chief's letter
3. Proof of where the business operates from e.g. lease/sublease or chief's letter

The submission of these documents is a compliance requirement. We highly appreciate your cooperation in making this process a success for the betterment of our services at your Bank.
