## **Malone University Transfer Notes:**

Residency Requirement: To graduate, a student must complete at least 30 semester hours at Malone University. The 30 hours cannot be comprised in any part by Credit-for-Life Experience or credit by examination. At least 12 hours of one's major must be completed at Malone. With the permission of the appropirate Department Chair/Program Director, and the Provost, proficiency may be established by examination and the hour requirement modified. Not more that 10 semester hours of transient study may be incorporated as part of the last 30 hours of a degree program, except in clinical laboratory science.
