Advising Notes:

Where it indicates "Any OT36 approved," students should work closely with their advisors.

(+) indicates that the courses chosen should be from two different areas within that category.

¹ Please note that some institutions may require College Algebra (TMM001). Check with your receiving institution.

² Introduction to Psychology (OSS015) also counts toward pre-major/beginning major requirements.

³ Only one natural sciences lab is required. In some cases, taking one Biological Science and one Physical Science is preferred. Check with your receiving institution.

⁴ One recommended course is OT36 approved Oral Communication.

SPECIAL NOTES

Students with plans of pursuing a pre-professional track such as pre-medicine or graduate studies in the future should work closely with their academic advisor and receiving institution starting in the first year of their program in order to adequately prepare themselves for those types of tracks.

OTHER RECOMMENDATIONS		Minimum Credit Hours
Foreign Language:	Demonstrate competencies through the intermediate level (Statewide guaranteed transfer courses available in American Sign Language, Arabic, Chinese, Japanese, French, German, Italian, and Spanish)	6-8
Electives:	It is recommended for students to use these elective hours to explore pursuing a double major or minor using TAG approved courses. These hours can also be used to complete prerequisite coursework.	3-6
OTHER RECOMMENDATIONS TOTAL:		8-18

Advising Notes:
A minimum of two semesters of foreign language should be taken if available. Additional foreign language courses may be needed as well – check with your receiving institution. If more foreign language courses are taken, then the number of elective hours will be lower.

Associate Degree	Total Credit Hours
ASSOCIATE DEGREE TOTAL:	60-65

SPECIAL NOTES

A minimum of two semesters of foreign language should be taken if available. Additional foreign language courses may be needed as well – check with your receiving institution. If more foreign language courses are taken, then the number of elective hours will be lower.
Some bachelor-degree granting institutions require additional general education courses outside of the Ohio Transfer Module and students may be required to take these courses in their junior or senior year. Students will still be able to follow this pathway and complete their bachelor's degree in approximately 60 additional credit hours.
