The request should be submitted at least ten (10) working days in advance of travel to the activity or event. Failure to comply will result in immediate cancellation of the trip/activity/event at the club/organization and/or individual member's expense.
 - (2) Travel requests for any travel outside the continental United States must be submitted ninety (90) days prior to the travel date to the proper department administrator to deem appropriate. According to the Fair Labor Standards Act (FLSA), all time spent while on an overnight trip attending to students and/or performing other work (even while traveling to and from activity and meals) should be counted as club advisor duty hours. Time spent not working (resting, sleeping, duty free meal, etc.) is not trackable. A part-time employee accompanying the group shall limit his/her total weekly work hours to no more than twenty-nine (29) hours per week. If the travel will require the part-time employee to work more than twenty-nine (29) hours in a given week, the employee shall consult with Stark State College (immediate supervisor or the next level up in the chain of command) first and receive permission to work such additional hours. Failure to do so may result in termination or non-reappointment.

- (1) Use of commercial bus, train, or plane may be a necessary means of transportation for most out-of-state travel. Researching the most efficient and affordable arrangements is highly recommended. The most cost-effective rate

should always be used for student travel so research. It is preferred with any group travel that all participants take the same bus, train, or flight(s).

- (2) Any out-of-state travel will require an Application for Professional Development form (found on **mySSC >resources>employee forms and documents>human resources>professional development**) to be completed prior to incurring any travel expenses. Actual expenses are to be submitted for reimbursement on the College's standard Report of Business Expenses form within three (3) days after completion of travel. The above forms may be obtained from the Office of Student Life, Equity and Leadership Programs.

(F) Reimbursement after Traveling

- (1) Student organizations are encouraged to expect their students who are traveling to show ownership for their participation in the event/activity. Normal expenses that should be incurred by the student include, but are not limited to, hotel accommodations, food, taxi, parking, etc. Some of these expenses may require the use of the student's personal credit card.
- (2) Each student group should save all original receipts paid during the trip. This will be proof of expenses when the student plans to seek reimbursement when he/she comes back. Travel officially begins and ends with arrival at site to departure from site (i.e.: From Stark State College to Columbus State Community College and back to SSC, or from Akron/Canton Airport to Dallas/Fort Worth Airport and back to Akron/Canton Airport).
- (3) Each student participant seeking reimbursement must complete a Report of Business Expenses form and attach all original receipts. The club advisor should distribute and review each expense report and sign before submitting to the Business Office, Accounts Payable Department. On the form, all pertinent information must be included. If the form is filled out incorrectly, this could delay reimbursement. Normally, reimbursements can take from 7-10 business days.

Prior to filing a formal written complaint, the student is encouraged to make a reasonable effort to resolve the problem informally by discussing the complaint with the employee/student.  - a) If the student is not satisfied with the results of the informal meeting, the student then has seven (7) calendar days from the informal meeting, or if the student elects not to informally resolve the problem, 180 calendar days from the date of the occurrence to present a formal written complaint regarding civil rights. The written complaint should include details from the informal meeting, a specific description of the problem, the reason(s) the student believes their rights have been violated, and a proposed action.
 - b) Students wishing to file a formal complaint regarding civil rights will present their formal complaint directly to the Coordinator of Civil Rights Compliance, which is the Dean of Learning and Engagement. The Dean of Learning and Engagement may be contacted at Stark State College; Office S100; 6200 Frank

Avenue NW; North Canton, OH 44720; phone (330) 494-6170, X4817. The student will request and complete the Stark State College Student Civil Rights Discrimination Complaint Form. 2. Stark State College prohibits retaliatory actions against all protected parties that are motivated by the fact that the protected party has made a good-faith complaint of harassment; or by the fact that the protected party has assisted or cooperated in an investigation of a complaint by someone else. This policy protects any protected party who makes a complaint of harassment believing that the complaint is justified, even if the College should ultimately find that

complaint unfounded.

3. Any student initiating a complaint based on the CAMPUS Act should understand the serious nature of such an allegation and not enter into the complaint without due consideration. The Dean of Learning and Engagement and the Human Resources Department for employees will objectively investigate the complaint, consult with all involved parties, review the written complaint, and render a written decision. If the complaint is against a student and it is determined that the student violated College policies and procedures, disciplinary action will be based on that defined in the Student Code of Conduct policy and procedure (See Student Code of Conduct Policy No. 3357: 15-19-10). Revised: 06/03/2019

Revised: 06/07/2021

Revised: 06/05/2023

Revised: 11/06/2024

POLICY:

Stark State College provides an engaging, supportive, and empowering environment that creates the foundation for lifelong learning and individual professional development. The Student Code of Conduct is established to provide students a detailed list of prohibited behaviors for both on-campus and off-campus college-related activities and disciplinary action(s) that can result in violating the Student Code of Conduct. The conduct code shall also apply to student conduct involving violations of federal, state, or local laws.

PROCEDURE:

The Student Code of Conduct applies to on- and off-campus college-related conduct of all students and registered student organizations, including conduct using the College's computing resources.

1. Each student shall be responsible for their conduct, even though conduct may occur before classes begin or after classes end, as well as during the academic year and during periods between terms of actual enrollment. Students are free and encouraged to express their views on issues of public and general interest. (See Freedom of Expression and Responsibilities Policy No. 3357:15-13-48.) Actions that specifically threaten or cause a person to reasonably believe that the offender may cause physical harm are also prohibited. Examples of prohibited behaviors include, but are not limited to, assault, battery, stalking, telephone harassment, sex- or gender-based violence, threats, intimidation, physical abuse of another, dating violence, domestic violence, and any other speech or conduct not protected by the First Amendment that threatens the health and safety of others. Violation of these laws may also constitute violations of the Student Code of Conduct and the College's Policies and Procedures. In some instances, including Title IX matters, the College may be obligated to proceed with College disciplinary action under the Student Code of Conduct independently of any criminal proceedings involving the same conduct. Disciplinary action for violation of the Student Code of Conduct may be imposed regardless of criminal proceedings. Determinations made or disciplinary action imposed under this Student Code of Conduct shall not

be subject to change because criminal charges arising out of the same facts giving rise to violation of the Student Code of Conduct were dismissed, reduced, or resolved in favor of or against the criminal law defendant.

3. If disciplinary action is taken, a hold may be implemented which will impact a student's ability to enroll in courses, obtain transcripts, graduate, or conduct current and future business with the College.

Charges must be prepared in writing by submitting a Student Referral/Person of Concern form to a Judicial Affairs Coordinator either in person, electronically, or via campus mail. Security should be contacted immediately either in person or by phone if there is an act of violence or a physical threat to a person's safety. Anyone who believes that an employee, student, or non-employee's behavior constitutes harassment (for Title IX matters) has a responsibility to report the behavior/action to the Title IX Coordinator in accordance with the Sexual Misconduct Policy (see Policy No. 3357:15-14-15). Any student who believes that an employee, student, or non-employee's behavior constitutes discrimination has a responsibility to report the behavior/action to the Dean of Learning and Engagement in accordance with the Student Complaint Policy (see Policy No. 3357:15-19-08).
2. Student Referral/Person of Concern forms must be submitted as soon as practicable following the alleged violation, but no later than fifteen (15) calendar days, excluding holidays and emergency closings, after the incident occurs, except where longer timeframes are required by law or after such violation becomes known to the complainant.
3. Upon receipt of the Student Referral/Person of Concern form, a Judicial Affairs Coordinator/security officer will determine if the allegations contained in the Student Referral/Person of Concern form are within parameters of the administration of the Student Code of Conduct. A Judicial Affairs Coordinator/security officer will conduct an initial investigation within 48 hours to determine if the charges have potential

merit and/or if they can be disposed of administratively by mutual consent of the parties.

4. The Judicial Affairs Coordinator/security officer shall present all charges in written format to the accused student.
5. A time shall be established to discuss the charge during a conduct meeting with the assigned Judicial Affairs Coordinator/security officer no more than ten (10) calendar days, excluding holidays and emergency closings, after the Accused Student has been notified of the charge(s). The Student Judicial Officer/security officer will meet with each student one at a time, starting with the complainant and followed by the respondent. The Judicial Affairs Coordinator/security officer may also meet with other witnesses as the person sees fit.
6. After a Student Referral/Person of Concern form has been filed and the initial investigation completed, the Judicial Affairs Coordinator may impose an Interim Suspension, but only if the Judicial Affairs Coordinator determines the suspension to be appropriate to:
 - (a) Protect the safety and well-being of members of the College community or to protect College property.
 - (b) Protect the Complainant and/or Accused Student's own physical or emotional safety and well-being.
 - (c) Prevent or deter disruption of, or interference with, the normal operations of the College.

During the Interim Suspension, an Accused Student may be denied access to all or part of the College (including classes) and/or all other College activities or privileges for which the Accused Student might otherwise be eligible, and be deemed Persona Non-Grata, as the Judicial Affairs Coordinator may determine.
8. The Interim Suspension does not replace the Student Judicial System process. The Accused Student will be notified in writing of the Interim Suspension and the reasons for the Interim Suspension.
9. Conduct Meeting(s) regarding charges to the Accused Student includes but is not limited to fact finding and investigation of the conduct issue, which can occur in one meeting or over the course of multiple meetings. Upon the conclusion of the Conduct Meeting(s), the Judicial Affairs Coordinator will issue the formal decision to the student in the Decision Letter.
10. The Accused Student has the right to appeal an adverse decision rendered by the Judicial Affairs Coordinator within 15 calendar days, excluding holidays and emergency closings.
11. Stark State College has a legal requirement to report crimes or suspected crimes to law enforcement as defined in Chapter 2921 of the Ohio Revised Code as well as other reporting requirements established by law or policy.

APPEAL PROCEDURE:

1. Accused Students who wish to appeal the conduct decision/sanction(s) must begin the formal process within 15 calendar days, excluding holidays and emergency closings, from the date the decision was rendered. Additionally, this entire process of appealing a conduct decision/sanction(s) is intended to proceed expediently and be completed within 30 calendar days, excluding holidays and emergency closings, from the date the decision/sanction was rendered.
2. The student may take the student code of conduct appeal to the final stage by appealing in writing to the Provost and Chief Academic Officer for a hearing with the Code of Conduct Appeal Committee. The Provost appoints the ad-hoc committee. The committee shall consist of three faculty or staff members and two students. The committee members shall not be from the division in which the incident occurred or in which the student's major is located. One of the faculty or staff members shall serve as the chair of the ad-hoc committee as designated by the Provost and Chief Academic Officer.
3. The final appeal is a presentation before the Code of Conduct Appeal Committee. All parties involved will have the opportunity to call witnesses and introduce relevant documentation. A written record of the hearing will be prepared by the chair of the committee. The purpose of the appeal is to determine whether the conduct decision/sanction(s) was determined fairly in light of the charge and information presented, and in conformity with prescribed procedures. Any inquiry into fairness shall consider, at a minimum:
 - (a) Whether the Accused Student had a reasonable opportunity to prepare and to present a response to the charge. Deviations from prescribed procedures will not be a basis for sustaining an appeal unless such deviations might reasonably have led to a different decision and/or different sanctions than imposed.

- (b) Whether there were facts presented that, if believed by the Student Judicial Affairs Officer, were sufficient to establish that a violation of the Student Code of Conduct occurred.
 - (c) Whether the decision/sanction(s) imposed were appropriate for the violation of the Student Code of Conduct, which the Accused Student was found to have committed.
4. Within 10 calendar days, excluding holidays and emergency closings, after the hearing, a record of the Code of Conduct Appeal Committee hearing and the Committee's recommendation will be forwarded to the Provost and Chief Academic Officer by the Chair of the Committee for consideration and review. Within 10 calendar days, excluding holidays and emergency closings, of receiving the findings and recommendations, the Provost and Chief Academic Officer will review the results of the proceedings and notify the grievant, respondent (if any), and Code of Conduct Appeal Committee members in writing of their decision to accept, reject, or modify the hearing committee's findings and recommendations.
