

AIR TECHNIQUES, INC.

Air Techniques produced its first stack on a boiler project in 1983. We have provided numerous stacks since that time on a variety of processes. We below provide a select sampling of some of our work produced during the last five years.

Legend:	Carbon Steel - C Steel	Single Wall - SW
	Stainless Steel - Stainless	Dual Wall - DW
	Corten Steel - Corten	

Date **Client** **Location** **Metallurgy** **Application** **Configuration** **Qty** **Stack Size**
