Activity Overview

- Teams compete against each other, solving cryptic clues and completing hilarious photo challenges
- Teams have just 90 minutes to work together to escape all six rooms
- The team with the most points (and who breaks the final code) wins!
- Each team selects a player to be their 'Ghost Whisperer'
- The rest of the team, or 'Investigators', must guide their Whisperer to solve the clues
- Through trust, self-belief and courage, teams discover the successes that collaborative deductive reasoning can bring!
