You may list the materials that will comprise the curriculum you will be using with your child on the following page and/or on additional attached pages. Please include the title and publisher of all materials. You may also attach a copy of the scope and sequence for your curriculum materials. Your signature below verifies that the proposed homeschool program will meet, at a minimum, of 180 days and 900 hours for the school year (990 hours for high school grade-level students).

At the close of each school year, please send a letter briefly summarizing your child's academic progress and your intentions for the following school year.

¹ If addresses are different, please indicate which parent/guardian has primary custody or, if joint custody, please provide a schedule of parenting time on the reverse of this page.

Guide for Designing/Describing Home Schooling Curriculum¹

The Tewksbury Public School's curricula follow the Massachusetts Curriculum Frameworks (<http://www.doe.mass.edu/frameworks/current.html>). The following table is optional, but some parents/guardians might find this useful in designing and/or describing the curriculum for their child/children. A curriculum must be submitted for each child who will be educated at home.
