

TURN YOUR GYM INTO A PROFIT ENGINE

Video Revenue Walls™ From Think Digital Signs and Watchfire

New uniforms. Court upgrades. Student trips. What will you use the profits for?

Additional funding for your school, athletic department and student activities... Video Revenue Walls provide an ongoing source of revenue to sustain and build extracurricular programs for your students.

A turnkey solution - It pays for itself!

These interior all-in-one LED video displays are engineered to install quickly and start generating advertising revenue for your school. Everything you need to create, schedule and manage revenue generating advertising programs. Payment plans that enable advertising revenue to fund the display purchase. Minimal disruption with single-day installation and a fast path to additional funding for your school and student activities.

We Empower You

A Think Digital Signs Video Revenue Wall empowers your school:

- Create a comprehensive advertising program and benefit from 100% of the advertising revenue.
- New student curriculum: Graphic Design, Mkt & Advertising, Video Production, Animation and Media Technology.
- Expand student engagement opportunities with your school community and local advertisers.
- Every team, activity group and student has an opportunity to get involved.
- We provide Advertising and Curriculum Playbooks to help you get started.
