

# A CAREER YOU CAN COMMAND

Gain hands-on experience in a world-class home services organization through Apex's Military Leadership Transition Program.

Training under highly successful leaders in the industry, you'll quickly gain management skills that will help support one of our high-growth local partner businesses. We will provide you the opportunity to develop skills needed to lead a team, manage operations with P&L impact, and provide superior service to our customers.

Following the initial 12-week program, you can earn a full time leadership role in a local Apex business that best serves the needs of you and your family. You'll be supported with ongoing training, development and formal mentoring. Plus, you'll always be making progress in your career with exceptional promotional opportunities and six-figure earning potential!

“Apex offered the fastest way to getting a P&L and running my own business.”

*Ben Szilagyi - Veteran USMC Scout Sniper*

Apex Service Partners was founded with the mission to partner with like-minded, world-class residential home services brands to build a leading national platform in the HVAC, plumbing and electrical services industry.

We leverage the power of people to do this, and we're looking for highly skilled, adaptable leaders like you. You can have a long-term and fulfilling career leading the people who keep our communities running!

## Apex Defining Principles

- **Promise**
