

Welcome
to John Deere

Scan this QR Code to fill out a contact card and we will connect you with a John Deere veteran to discuss all potential options/matches.

About John Deere

US based, world-wide manufacturing leader of Agriculture, Turf, Construction, and Forestry Equipment.

INDUSTRY-LEADING

ICONIC GREEN AND YELLOW MACHINES

PRECISION AGRICULTURE LEADER

#1

NUMBER ONE GLOBALLY IN FORESTRY

Why are we doing this?

We are passionate about finding a way to give back to those who have served our Nation. Provides our company, all John Deere employees, and especially veterans a sense of purpose.

We understand the transition to civilian life can be difficult, and we can make an impact through mentorship and hiring initiatives.

Programs like this are a **3 x (win-win-win) situation:**

- Helps the service members transition, build resume, learn industry
- Helps the company gain qualified talent (and learn also)
- Helps our local communities grow

Why should military affiliated jobseekers consider John Deere?

A higher Sense of Purpose – helping farmers and infrastructure workers feed and shelter the world

Similar Core Values: Integrity, Quality, Commitment, and Innovation

Team-based environment focused on supporting the customer

Never ending desire for Continuous Improvement

- We are looking for leaders, change agents, different perspectives

Potential Paths

3 x Key Questions to Create Your Path

1. ***What locations are you considering and why?***
2. ***What is your timing?***
 - *Active duty or veteran (or spouse)?*
 - *Are you eligible for a SkillBridge internship? Command approval?*
 - *Key dates – EAS, terminal leave, SkillBridge start?*
3. ***What type of work are you looking to do?***
 - *Do you understand the type of role and does this match your expectations?*
 - *Discuss post-internship opportunities and likelihood.*

Command Approval Documentation

Training plan with:

- Dates
- Host location
- Sponsor
- Program information, training requirements

Deere & Company
One John Deere Place,
Moline, IL 61265 USA

 **JOHN DEERE**

Date _____

Skillbridge Training Plan for: Name _____
Location: John Deere Harvester Factory, East Moline, IL
Area of Focus: Quality, Engineering, Operations Leadership
Start Date: TBD
End Date: TBD
Sponsor: TBD

Proposed Daily Routine (Intern sponsor will adjust as needed)

- 0630-0646 – Arrive in factory and prep for the day
- 0700 – Production Start of the Day
- 1130 – Lunch break
- 1530-1600 – End of day

This Skillbridge Program will be 6 months in length. Below is the proposed plan for the internship. The mentor may change the timing of training elements as need to accommodate changes in the schedule. After each period of training, intern will be assessed on their knowledge of the curriculum for that designated training slot.

Month 1 – Orientation, and Operations Leadership

1. Meet with mentor and factory staff
2. LR and labor contract details
3. Factory Safety Overview
4. Explain how the business works in broad detail
5. Meet employees and business partners
6. Clearly define company culture and expectations

Army CSP Documents
AF approval Documents

 **CSP Individual Internship Agreement** 

The CSP Individual Internship Agreement is to be submitted with the Soldier Participation Memo

Part I: Soldier Overview (To be completed by Soldier)

1. Soldier Information:

a. Rank: _____ Name: _____

b. Assigned Installation: _____

2. Overview of Company: Explain Company Background (headquarters location, years in business, accreditations- if any, number of employees, business/occupational industry)

John Deere is an American based corporation that manufactures agricultural, construction, and forestry machinery, diesel engines, drive trains (axles, transmissions, gearboxes) used in heavy equipment, and lawn care equipment. The company headquarters are located in Moline, Illinois, has approx. 30 manufacturing locations worldwide, and 65,000 employees.
