

Tacticians For Innovation (TACFI) Consulting LLC is a U.S. Army Ranger-owned and operated minority and service-disabled veteran-owned small business headquartered in Ohio. At TACFI, we know *experience is invaluable* in today's interconnected world. In a complex and highly dynamic ever-changing landscape, *TACFI provides stability*. We offer a wide range of solutions *powered by our most valuable resource, people*. Our people are specially selected from the Special Operations Forces (SOF), Law Enforcement, and civilian community to ensure the highest level of proficiency with our core services. Our diverse collective skill sets and experiences developing turn-key scalable synthetic training environments, functional instruction courses, and business solutions allow us to maximize readiness and mission accomplishment. From design to implementation, innovation to application, readiness training solutions to mission execution, *TACFI delivers on target*.

How We Help Transitioning Rangers

At TACFI, we sincerely appreciate the sacrifice and unwavering commitment of every Ranger who wears the coveted tan beret. Our organization exists as an extension of the brotherhood to provide guidance and support to Rangers as they navigate complex processes when transitioning to civilian life. Our charter focuses on both the professional and personal preparation of Rangers, ensuring they are well-equipped for the next phase of their lives. Whether it's education, career, family, mental health, or navigating the Department of Veterans Affairs, TACFI stands ready to provide the necessary support network.
