

Weekdays

Here comes Monday,
Jump up high.
Next is Tuesday,
Laugh and smile.

Then is Wednesday,
Dance to the beat.
And on Thursday,
Eat some sweet.

Now is Friday,
Play and run.
Saturday and Sunday,
Have some fun.

Grand Parents

Here is my grand pa,
Tall and stout,
He makes me learn,
And clears my doubt.

Here is my grand maa,
With specs and stick,
She makes dishes,
I taste and lick.

Happy Birthday

Candy and Cake,
And dance and play,
Hip-hip hurray!
Happy birthday!

Gifts and presents,
And party all day,
Hip-hip hurray!
Happy birthday!

Love and Kisses,
Be blessed and pray,
Hip-hip hurray!
Happy birthday!

Fun on Beach

I went to the beach,
To a wonder-land,
Loads of water and,
Tonnes of sand.

I splashed water,
And played with shell,
Made a castle,
And dug a well.

To the farthest end,
That, I could see,
Was water and sand,
And a roaring sea.

Rolli-Rolli-Rolli

Rolli-Rolli-Rolli,
Up-up-up.

Rolli-Rolli-Rolli,
Down-down-down.

Rolli-Rolli-Rolli,
In-in-in.

Rolli-Rolli-Rolli,
Out-out-out.

Rolli-Rolli-Rolli,
Slowly-slowly-slowly.

Rolli-Rolli-Rolli,
Quickly-quickly-quickly.

Frog

I saw a little Frog,
It sounds Trrr ! Trrr !
Sometimes on the land,
Sometimes in the water.

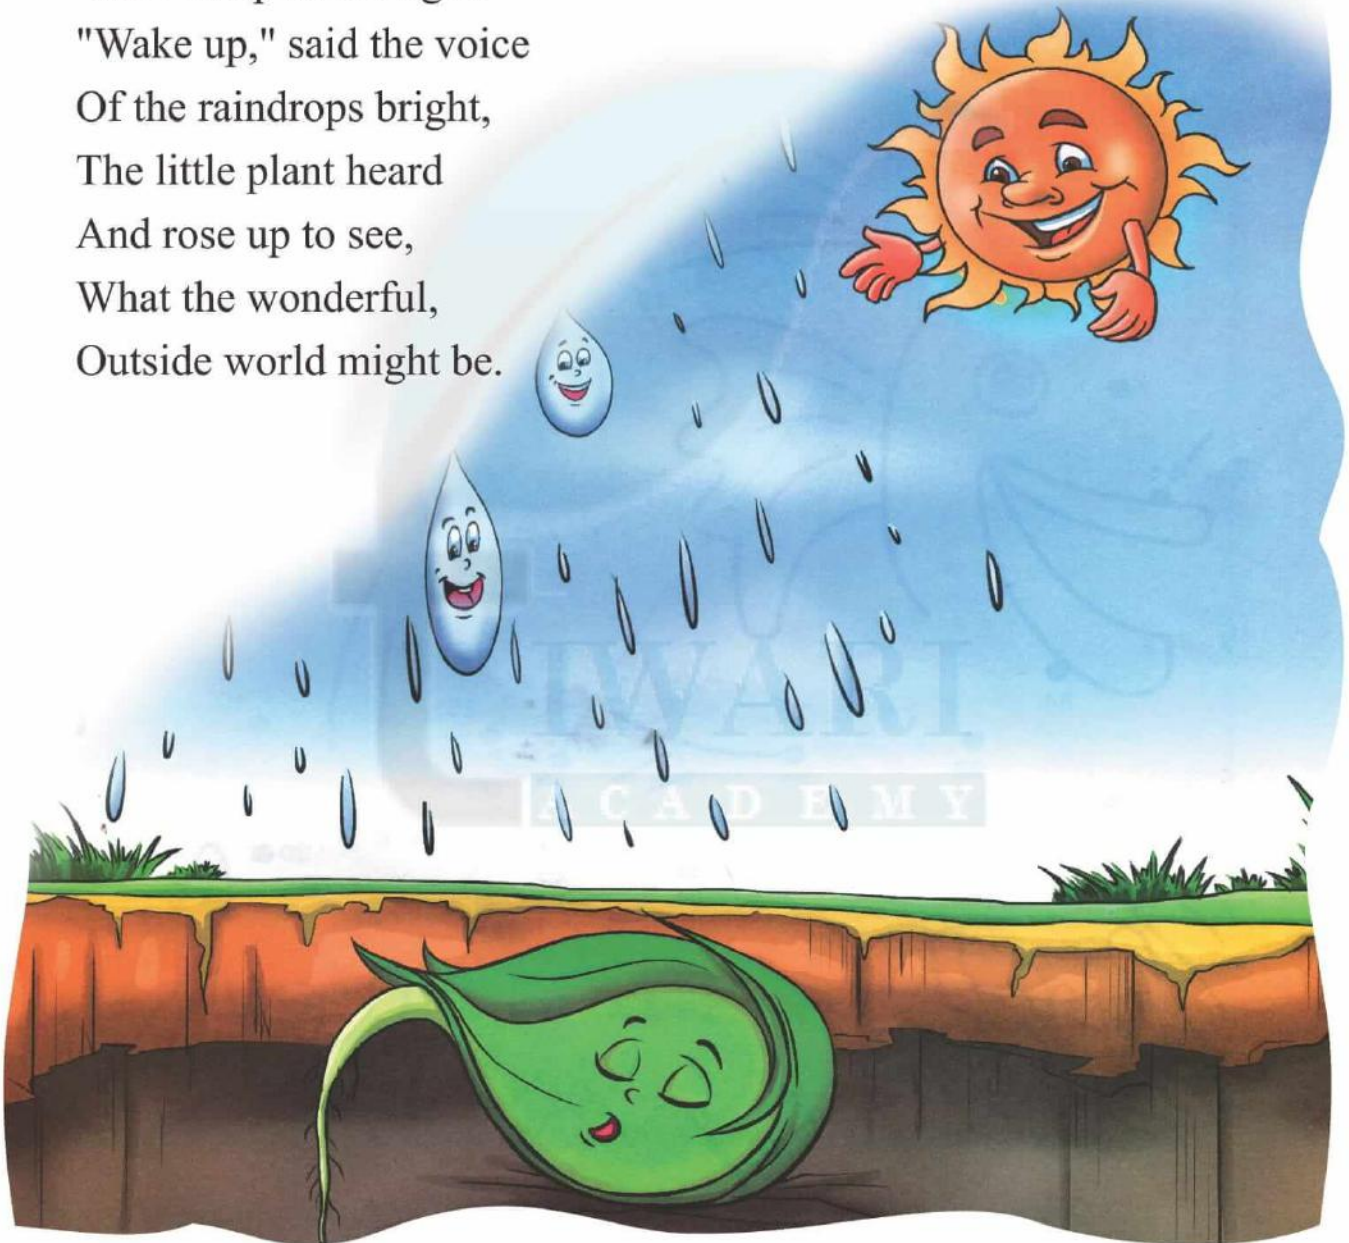

Then I saw its babies,
Cute little Tadpoles,
Swimming in the water they moved in,
Rolls and rolls.

A little Plant

In the heart of a seed,
Buried deep, so deep,
A dear little plant lay fast asleep,
"Wake up," said the sunshine,
"And creep to the light."
"Wake up," said the voice
Of the raindrops bright,
The little plant heard
And rose up to see,
What the wonderful,
Outside world might be.

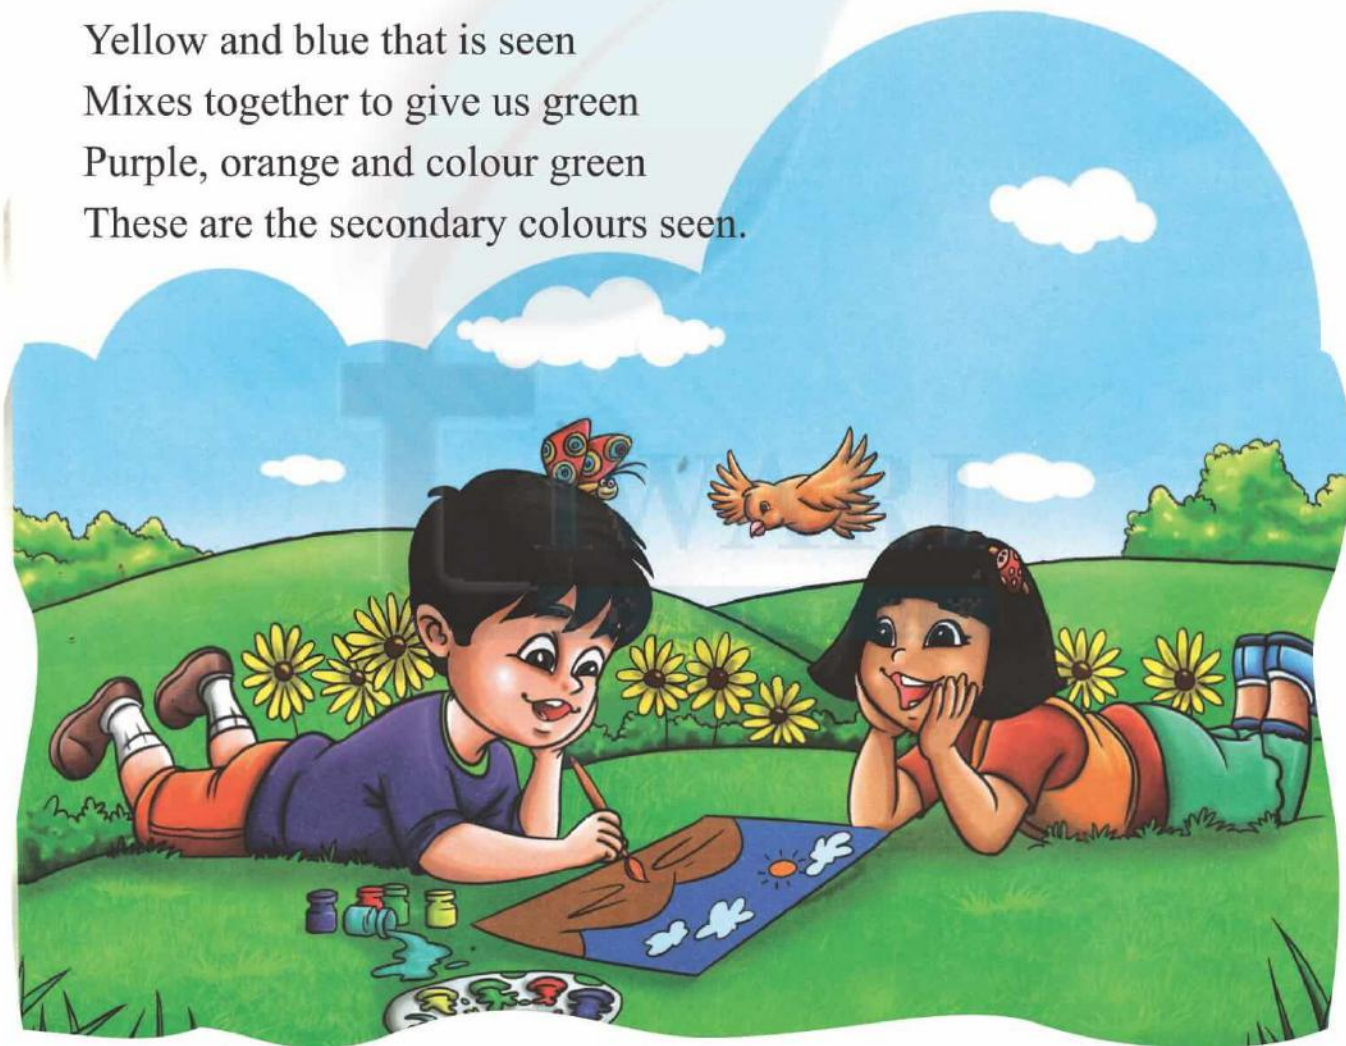

Colours

Red, blue and yellow
All standing in a row
These are primary colours we know
Making new colours, we'll show

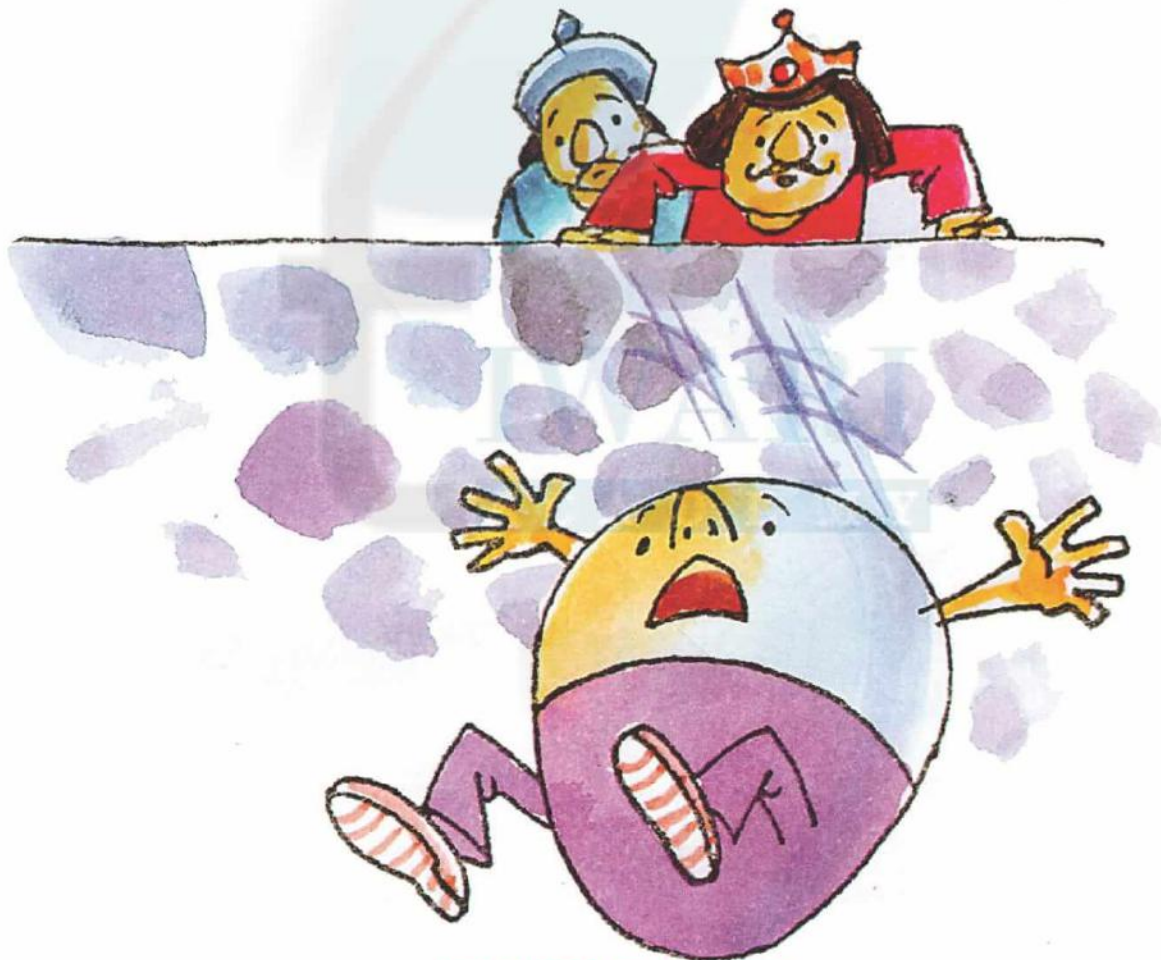

Let us add red and blue
Purple is the colour new
Let us add red and yellow
Orange is the colour that shows

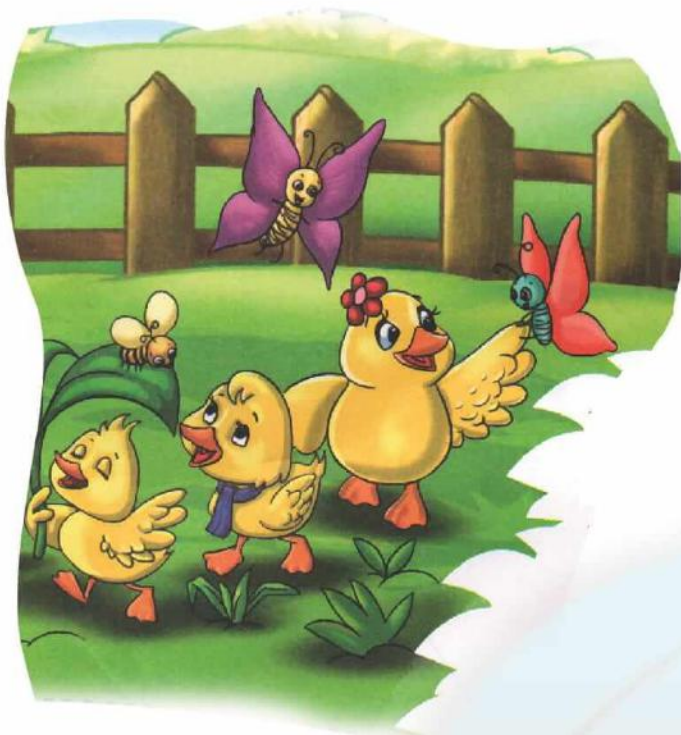

Yellow and blue that is seen
Mixes together to give us green
Purple, orange and colour green
These are the secondary colours seen.

Humpty Dumpty

Humpty Dumpty sat on a wall
Humpty Dumpty had a great fall.
All the king's horses,
And all the king's men,
Couldn't put Humpty Dumpty
Together again.

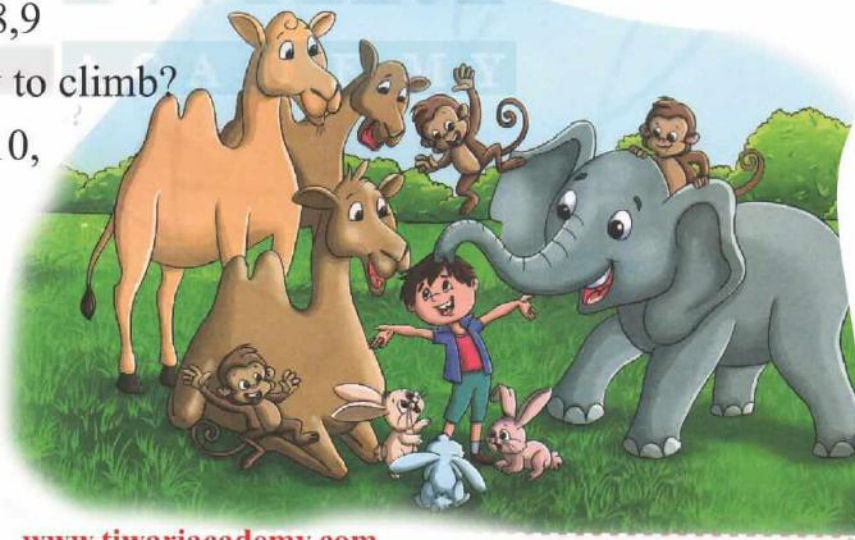

Three Ducks

Watch the ducks and you will see,
They are waddling one, two, three,
First the smallest leads the line,
Middle sized duck thinks;
second place is fine,
Biggest duck is third you see,
They are waddling one, two three.

Rabbit, Rabbit

Rabbit, Rabbit 1,2,3
Will you come and play with me?
Camels, Camels 4,5,6
Why do you have a hump like this?
Monkeys, Monkeys 7,8,9
Will you teach me how to climb?
When I counted up to 10,
The elephant says,
"Now start again".

Days of the Week

Monday alone,
Tuesday together,
Wednesday we walk,
When it's fine weather.

Thursday we laugh,
Friday we play,
Saturday's hours,
Seem to fly away.

But of all the
Days of the week.
Sunday, the rest day,
Is the best day.

Are You Sleeping

Are you sleeping, are you sleeping
Brother John?

Morning bells are ringing,
Morning bells are ringing.

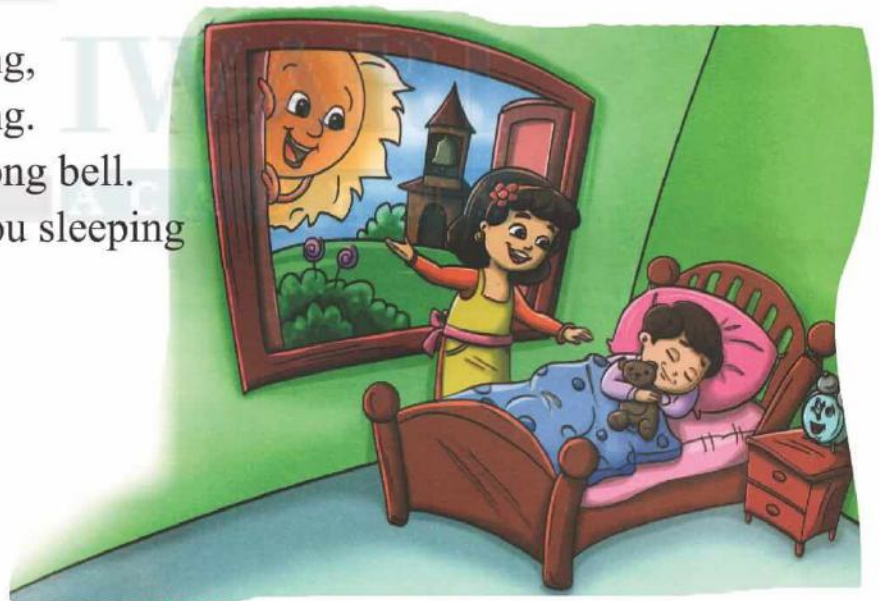

Ding dong bell, Ding dong bell.

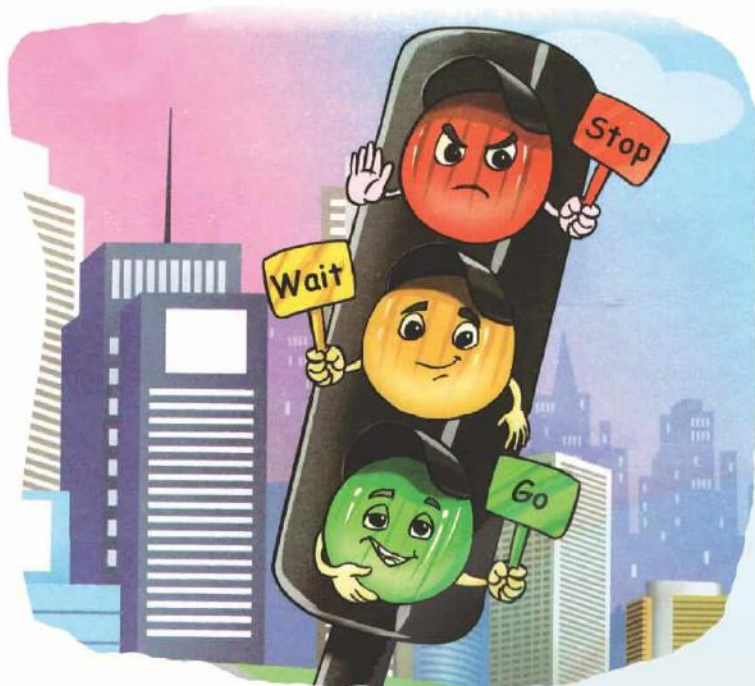

Are you sleeping, are you sleeping
Brother John?

See the sun shining,
See the sun shining.

It's time to wake up,
It's time to wake up.

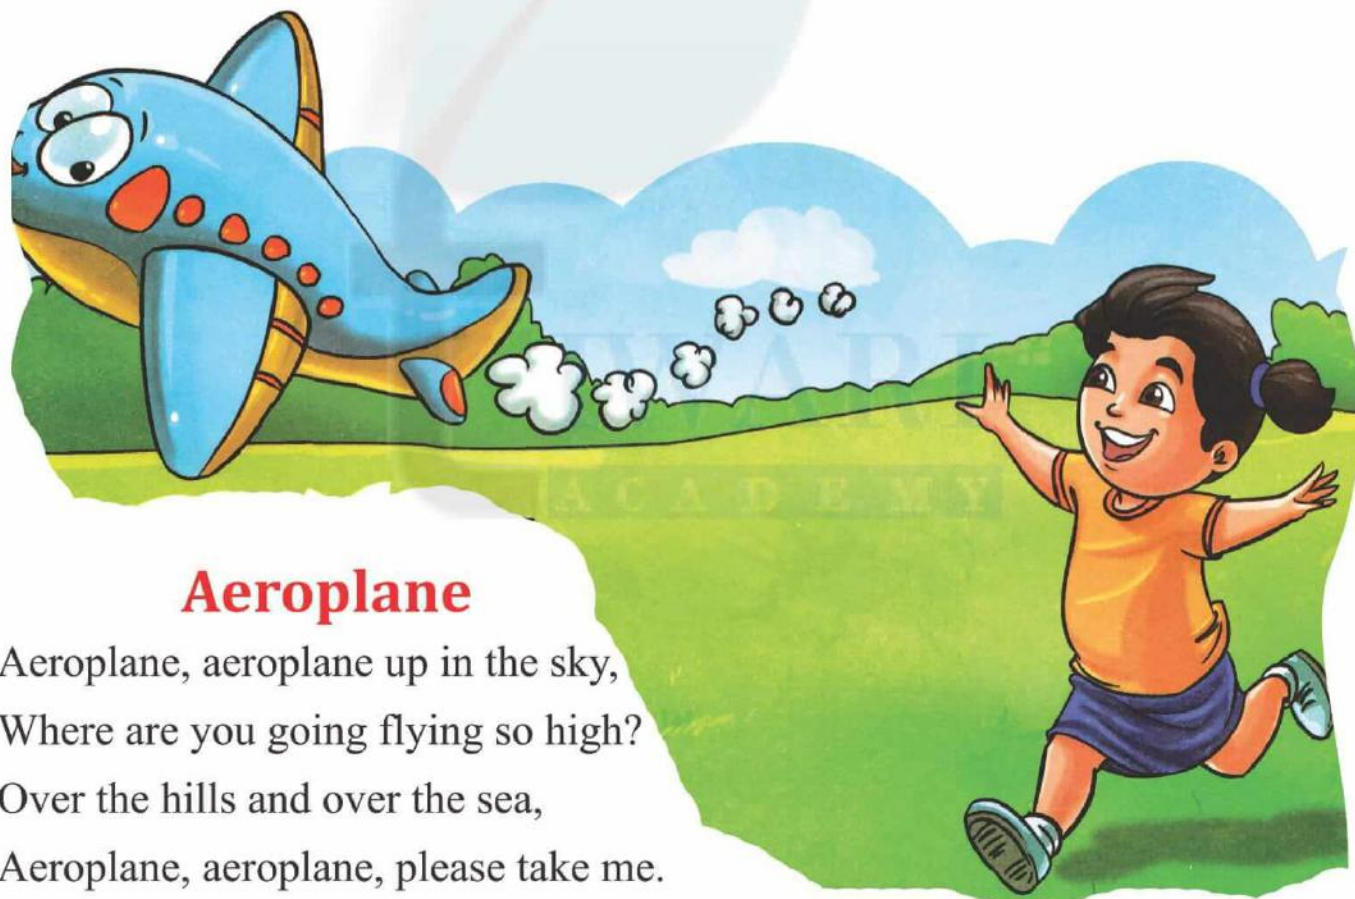

Eight, Nine
Ten O' clock.

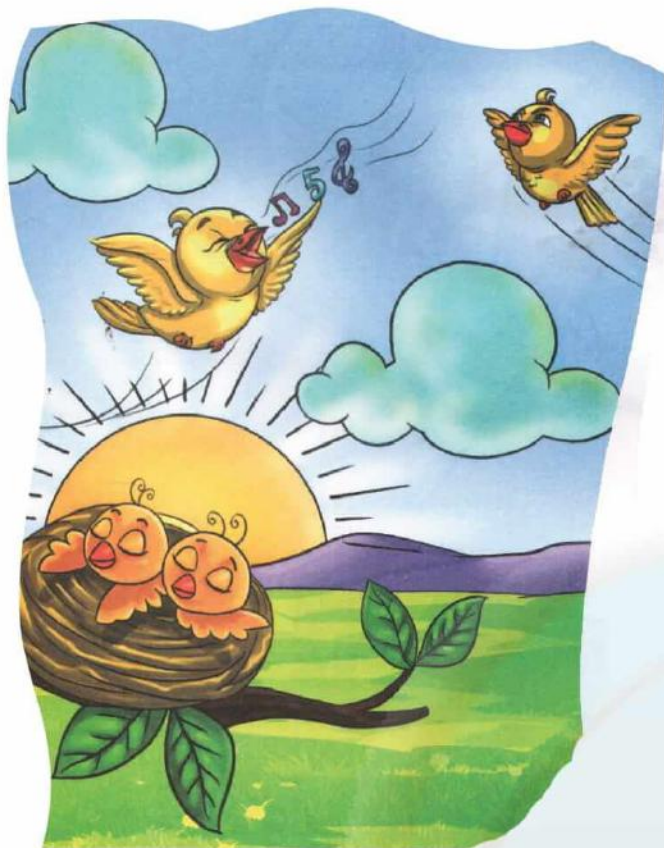

Stop-Go-Wait

Stop! says the red light
Go! says the green
Wait! says the amber light
Twinkling in between
That's what they say
and that's what they mean
Everyone has to obey them
to be safe and disciplined

Aeroplane

Aeroplane, aeroplane up in the sky,
Where are you going flying so high?
Over the hills and over the sea,
Aeroplane, aeroplane, please take me.

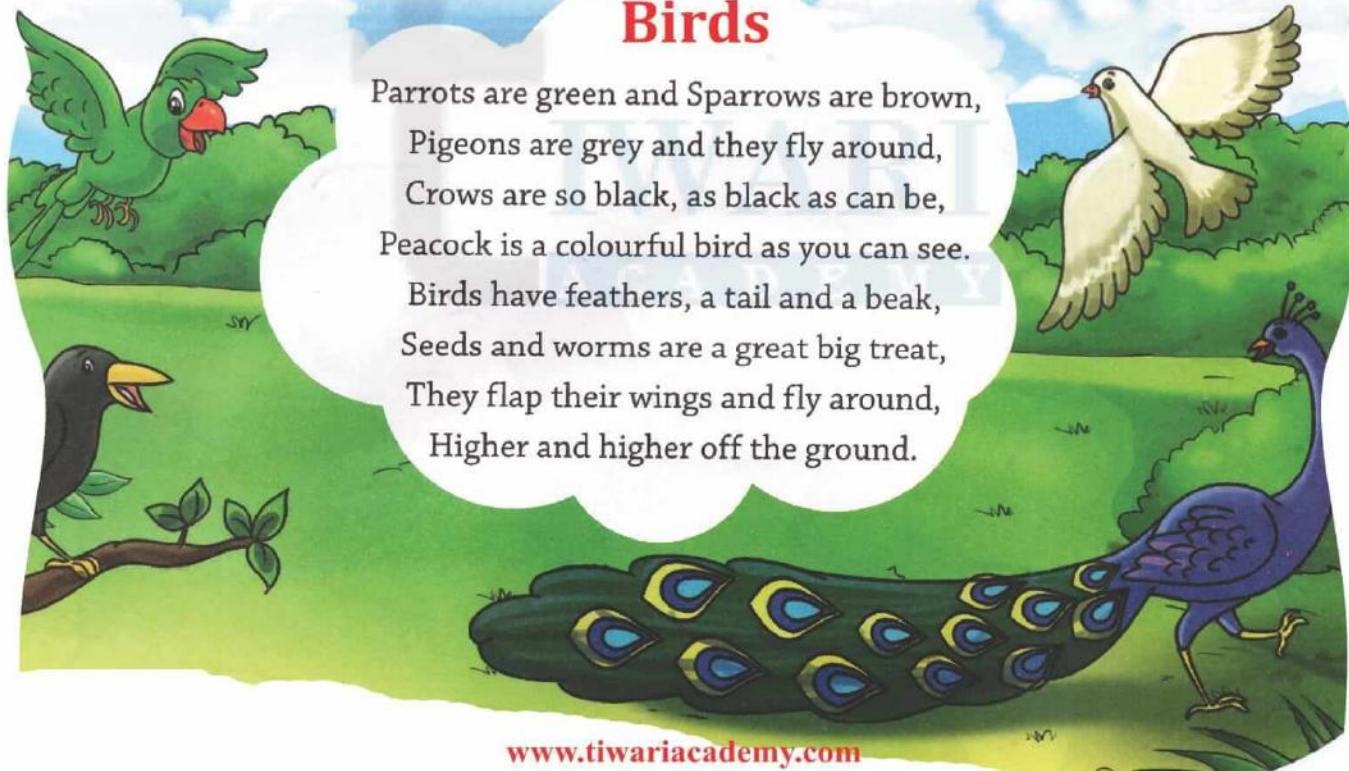

Little Birds Fly

Way up in the sky
the little birds fly
While down in their nest
The baby birds rest
With wing on the left,
And a wing on the right
The sweet little birdies sleep;
all though the night.
Sh-h-h they're sleeping!
The bright sun comes up,
the dew falls away,
Good morning, good morning!:
the little birds say.

Birds

Parrots are green and Sparrows are brown,
Pigeons are grey and they fly around,
Crows are so black, as black as can be,
Peacock is a colourful bird as you can see.
Birds have feathers, a tail and a beak,
Seeds and worms are a great big treat,
They flap their wings and fly around,
Higher and higher off the ground.

Vegetables

Vegetables, Vegetables, we have seen
Some so red, and some so green.
Vegetables, Vegetables, make us strong.
Some are round, and some are long.
Vegetables, Vegetables, green and fresh.
They can be eaten, plain or dressed.

Fruity Songs

Wash the apple, Wash the apple,
Wash the apple just now
Wash the apple, Wash the apple,
Wash the apple just now
Peel the apple, Peel the apple,
Peel the apple just now.
Peel the apple, Peel the apple,
Peel the apple just now.
Cut the apple, Cut the apple,
Cut the apple just now.
Cut the apple, Cut the apple,
Cut the apple just now.
Eat the apple, Eat the apple,
Eat the apple just now
Eat the apple, Eat the apple,
Eat the apple just now

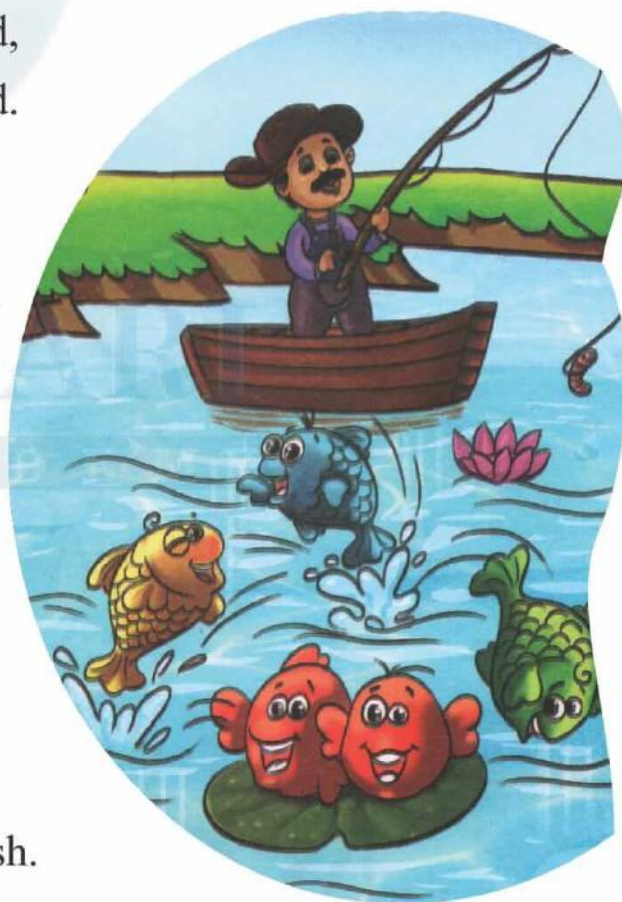

The Ducks

Quack, Quack, Quack
The ducks began to talk.
Waddle, waddle, waddle,
The ducks began to walk,
Splash, splash, splash,
The ducks were in the lake.
Smile dear ducks
A photo I will take.

Five Little Fish

Five little fish swimming in the pond,
Five little fish swimming in the pond.
This one say, " The pond is cool,"
This one say, " The pond is cool."
This one say, " The pond is deep,"
This one say, " The pond is deep."
This one say, " I'll float is dip,"
This one say, " I'll float is dip."
This one say, " I see a ship,"
This one say, " I see a ship."
The fisherman's boat comes,
Water goes splash, water splash,
All the little fish swim away in a flash.

Shapes Everywhere

Shapes, shapes everywhere,
 Shapes, shapes everywhere
 Shapes, shapes everywhere,
 Shapes are very useful.
 Handkerchiefs are square,
 square, square,
 Table tops are rectangle,
 Roof tops are triangle,
 And the wheels of the bus are circle.

Puppy Pup

Puppy Pup saw a circle
 And tried to reach it's top
 Round and round, and round,
 Puppy had to stop.
 Puppy Pup saw a triangle,
 And tried to reach its top.
 Up and slide, up and slide,
 Puppy had to stop.
 Puppy Pup saw a square
 And tried to reach its top.
 Up he went and found a place
 Where he could stop.
