

September 26, 2021

Good evening,

Thank you for your waiver submission on September 26, 2021.

The commissioner of education may consider waivers related to of the provisions of Tenn. Comp. R. & Regs. Chapters 0520-01-03 and 0520-01-13 related to remote instruction to the extent necessary to allow students affected at the classroom or school level by COVID-19 isolation or quarantine to participate in remote instruction. As stated, your district still has the authority to quarantine students and staff on an individual case-by-case basis (not in the aggregate). Waivers will only be considered when a LEA can document and demonstrate a significant impact of COVID-19 quarantine or isolation on school operations, impacting students, teachers, and/or staff. Please note, if a waiver request is granted to a school, all extracurricular activities for that school must also be cancelled for the duration of the waiver period.

The waiver submitted by Maury County Public Schools **is approved**.

The rationale for this approval is:

- The requirements for a Pre-K program require a certain amount of staffing and the district clearly outlined why that would not be possible.
- The district outlined mitigation strategies for staff coverage and it is clear there is not a way to reasonably keep the classroom open.

The department also continues to encourage all districts to implement as many mitigation strategies as possible to contain the spread of COVID-19, limit quarantines, and remain in-person, such as utilizing:

- The same or enhanced mitigation strategies used last school year such as temperature checks, physical distancing, frequent handwashing, etc.
- Seating charts in all settings, including classrooms, cafeteria/meals, bus routes, etc.
- Proactively stocking non-perishable items for breakfasts/lunches to account for meal staff absences
- Cohorting students to limit close contacts
- The consideration of masking

I continue to be incredibly grateful for the work of your district, educators, students and families as we collectively address and respond to COVID-19.

Sincerely,

Local Education Agency Waiver Request Application: COVID-19 Relief

Upon application by the local education agency (LEA) for one (1) or more of its classrooms or schools, pursuant to Tenn. Code Ann. § 49-1-209 (d), the commissioner of education will consider waivers of the provisions of Tenn. Comp. R. & Regs. Chapters 0520-01-03 and 0520-01-13 related to remote instruction to the extent necessary to allow students affected at the classroom or school level by COVID-19 isolation or quarantine to participate in remote instruction. This waiver process is not required for individual students on quarantine.

Waivers will only be considered when a LEA can document and demonstrate a significant impact of COVID-19 quarantine or isolation on school operations, impacting students, teachers, and/or staff. Please note, if a waiver request is granted to a school, all extracurricular activities for that school must also be cancelled.

Please submit completed applications to Commissioner.Schwinn@tn.gov. Following review by the commissioner or designee, the local education agency will be notified in writing if the waiver request application is approved or denied. If approved, the waiver will only be valid for seven (7) calendar days. If conditions warranting a waiver persist, then the LEA may submit additional waivers.

1. Number of **classrooms** for which you are requesting a waiver: 1

Grade of Classroom	Name of School	In Quarantine or Isolation					
		# of Teachers	% of Teachers	# of Staff	% of Staff	# of Students	% of Students
Pre-K	J.R. Baker Elementary			1	100%		

Please explain why this waiver is necessary and in-person instruction is not feasible at this time:

The Pre-K program is required to have two adults in the room when you have 20 students for a 1:10 ratio. Possibility of finding a sub for entire week for this position is very low, therefore making us out of compliance with the State. If we fill this position with another staff member it takes away from RTI. We have covered this class in the past with other staff, but it is only for one day. In this case it will be for a week. Social distancing is impossible in this classroom as proximity to the students is usually very close. Please see attached.
